

Prince of Peace Hands Harveys Lake Its First Loss In Church Cage League

By Keith Yeisley

Two major upsets and a surprising "runaway" contest highlighted Church League action Saturday night before a sparse crowd at Junior High School.

Huntsville Loses

In the first game, Shavertown jumped to an 18-4 lead at the end of the first quarter and maintained it to overpower Huntsville 53-36.

Huntsville just couldn't seem to offer an offensive threat, and when Clint Brobst had to leave the game with a badly sprained ankle, their hopes went "down the drain."

Shavertown, who controlled most of the rebounds, had two men score in double figures with Bob Hontz hitting for 16 points and Tom Newman tallying 15 points, 10 of which he scored in the first quarter.

Ernie Widmann played a fine game for Shavertown, setting up many scoring plays with his alert passing and rugged rebounding.

Huntsville, dropping their third game in a row, failed to have any score in double figures, and were topped by Clint Brobst and his 8 points.

East Dallas Wins

In the second contest, an inspired East Dallas caught an overconfident St. Therese's team at the right time and broke into the win column with a 53-50 victory.

The Saints jumped into an early 8-point lead, only to see it dwindle to one point at halftime.

Boistered by the rugged rebounding of Bill Lewis, East Dallas then matched the Saints goal for goal, and with Frank Tencza displaying nerves of steel as he dumped in six straight foul shots in the final few minutes, they managed to come out the rip-and-tuck fray victorious.

Throughout the game, it was Rich Clemow doing the heavy scoring for East Dallas, making 22 points on 11 field goals.

Tencza was next with 15 tallies. For St. Therese's, Len "Pooch" Kozik was the workhorse pulling down a number of rebounds and paced his team in scoring with 14 points.

"Pooch" played his last game for St. Therese's as he left Monday for California. The League will certainly miss a great competitor and a really swell guy!

Pete Letts and Bob Bolton lent scoring support for the Saints with 8 points each, and Bob Richardson turned in a fine floor game.

Lake Defeated

In the third and final game, Prince of Peace proved that they are be-

coming a tough team to beat as they knocked Harveys Lake from the undefeated ranks with a thrilling 50-48 victory for their third straight win!

It was one of the roughest games played in the Church League, and the scoring was jumping back and forth with every minute of play.

Harveys Lake maintained a 6-point halftime lead, but lost it just at the end of the third quarter when the score was knotted at 38-38. With 3 seconds remaining and the score tied at 48-48, Joe Lopasky, who led Prince of Peace's scoring with 18 points, was on the foul line to shoot two shots. Displaying a cool head under such trying circumstances he sank both shots and the buzzer sounded before Harveys Lake could bring the ball down to their basket.

In a game as exciting as this, it is hard to cite any one or two players as doing an outstanding job; for Prince of Peace we could mention the all-round alert play of guard Don Purvin, who played one of his finest games, the fine rebounding of Lee Ohlman, the important foul-shooting of Tom Richardson in the closing minutes, or the rugged heads-up game played by Joe Lopasky.

All in all, it was a tremendous team effort. For Harveys Lake, "Zeek" Hinkle again proved to be the top scorer, registering 20 points and good rebounding. Harry Derhammer displayed a lot of fine shooting in the first half, registering 10 points. Dick Searfoss, Bob Harris, and Chuck Allabaugh did a fine job of moving the ball around and setting up many offensive plays.

After Saturday night's action, it's obvious this will probably be the League's best season as far as well-matched teams are concerned.

There is always a great amount of expectation by the fans before these exciting Church League contests as any team is capable of beating another.

So, for an evening of real enjoyment and excitement, why don't you be sure to attend these Back Mountain Church League games? It is assured that this is one of the cheapest means of family entertainment available!

Lehman Teams Start Battle
Although I have not complete information of the contest Monday in FIREMEN'S League, I have heard "rumors" between the Lehman A and C teams. There seems to be quite a battle between these two neighboring teams and since Lehman C took first half honors with 49 points and 3 losses, A team is determined to give the boys a real fight this half. Watch the "smoke" from the A's since "Pete" joined them. This week, Lehman A took 4 by forfeit with Alex Rebar piling up 579 pins. Lehman C split with Meshoppen. The C boys are feeling the absence of Bob Disque who is in the background cheering but is unable to bowl because of a badly sprained ankle.

Pryor Hits 613
Mercury Motors proved too much for Besekers, by posting COMMUNITY SERVICE League high for one and three game totals with 975-2742. Pryor's 613; Austin's 554; Stanton's 541; Lefko's 533 and Sekera's 502 placed Mercury 3 points in front of the "pack" after Orchard Farm split with Boyd White's. Ben Franklins took 4 from Guyettes to keep within range.
