Regulars and employees of Crown Imperial have found someone missing these days. . . the absence of Madlyn Parrish at the desk is quite evident. We all miss her! Madlyn left Monday to take a job in the library of College Misericordia. Good luck, Madlyn!

League while Jeanne Richards was high individual with 193(513). Daisies hold first place with 10 points; Poppies and Violets have 8 each.

Jim Gansel won five silver dollars again last week for the second time since this special award was offered. Strange as it seems, Jim wound up his series exactly the same as the previous one; he needed two pins in the last frame an no "gutter" balls allowed. Both times, Jim picked off the 7 pin with the first ball and the 10 pin with his second. Lucky Jim!

Ross Steinhauer, Westmoreland griddler will be one of the recipients of a trophy given by the Sunday Independent to the West Side Conference All-Stars and All-Scholastics, Sunday night during half-time of the Wilkes Barre Barons-Sunbury game.

Steinhauer a senior, was one of the top defensive linemen for coach Eddie Brominski's eleven this past season. Ross was called upon several times to play different positions due to injuries and always did a commendable job. For his performance he gained a berth on the West Side Conference team.

The management of the Barons is also giving away a number of basketballs to children escorted by a parent holding lucky tickets.

The big attraction for the evening will be the Sunbury-Barons tilt scheduled for 8 p.m.

Golf Chairmen Meet At Westmoreland Club

Committee Chairmen of the Irem Women Golfer's Association met for luncheon last Thursday at Westmoreland Club and outlined plans for the coming season.

First meeting of the season will be held at 10 a.m., April 14; member tournaments will be held every month; Friday, June 16 will be Louise Suggs Day when there will be a luncheon and fashion show; a husband and wife tournament is planned for July; closing luncheon will be held on October 6, co-chairmen, Mrs. John DeWitt Sr. and Mrs. John Wilson.

Meeting at the Club were Mrs. Charles Phillips, Mrs. Paul Gross, Mrs. H. W. Mainwaring, Mrs. H. Gordon Gulyer, Mrs. Lloyd Kear, Mrs. Warren Unger, Mrs. William Wicks, Mrs. Russell Harvey, Mrs. Frank Wagner and Mrs. Ernest Wellhofer.

Wilkes Barre has acquired the services of Joe Holup, former Swoyersville product and later a star at George Washington University, from Baltimore in a cash deal.

Holup performed well in the Barons 100-98 win over Allentown last Sunday, scoring 11 points while turning in a fine defensive job on the high-scoring Roman Turmon before departing on personal fous.

Also expected to join the Barons for the pair of games with Sunbury this week-end is the fiery Danny Finn, former Baron star of two seasons ago. Finn was purchased from Hazleton in a straight cash deal earlier in the week.

Lake Team Leads In Church League

To make room for Finn the Barons sold John Nacincik, recently acquired from Baltimore, to Allentown.

Ed Fleming is expected back in uniform this week after missing three games due to a badly bruised leg.

at the end of the first quarter 14-10, but gradually built up some scoring power and outlasted their opponents and came through for a 53-40 victory.

Paced in the first half by Rich Clewom and his 12 of 16 points, East Dallas looked as though they might pull an upset over second-place Shavertown. Bill Oney and Ernie Widmann had other ideas though, as they combined their skills for 33 points between them. Bob Hontz hit for only two field goals, but had a perfect four-for-four at the foul line to toss in a total of 8 points.

It is evident that Gene Brobst wasn't feeling quite up to par after his bout with chicken pox, but he and Tom Newman both played a nice game. Frank Tencza also contributed to East Dallas' cause as he scored 7 field goals for 14 points.

Huntsville Downed

In the nine o'clock game, Prince of Peace again defeated Huntsville to retain their second-place tie with Shavertown and post their fifth consecutive victory.

In a game marked by rough play, Joe Lopasky proved to be the workhorse for Prince of Peace with his rugged rebounding and 15 points. Don Rome was second in the scoring column for the winners with 13 tallies, and veteran guard Don Purvin again played a fine floor game, helping to make this one of his best Church League seasons.

Manager Tom Richardson only scored 5 points, but set up a number of scoring plays with his alert passing and playmaking. The key to the victory seemed to be the winner's moving the ball quickly, helping to get Huntsville out of position.

For the losers, Gary Dietz did most of his scoring in the first half and finished the game with 12 points, backed up by Clint Brobst's 11 counters. Charlie Brobst pulled down a number of rebounds and finished the contest with 6 points.

FAN FAIR

It's good to see Jim Lohman in such a gay mood as his wrist that was broken in a game is mending. . . It seems as though Prince of Peace is certainly going to suffer the loss of Joe Lopasky, who played his last game Saturday night; Joe's leaving for the University of Houston for schooling and football. . . Harveys Lake could use Dave Shales and his 6'8" height for rebounds, as their tallest men aren't over the 6 foot mark. Dave's unable to get in every weekend to play, being on a new job. . . Speaking of Harveys Lake, they're a good example of how much playing together really means; all of the present Lakers have been members of the team for years. . . Quite a few new fans have been seen at recent games, proving that once people get out to see these contests and the good brand of ball displayed, word gets around and makes for larger crowds. . . It doesn't seem as though the loss of talented Len "Pooch" Kozik hurt Saint Therese's too much; the Saints are becoming a well-balanced team, as the scoring column of last week's game indicates, five Saints tallying in double figures. . . East Dallas, even though they are a young group, are becoming tougher

every game; watch out for this team next year, you League Leaders! . . . The officials certainly have a chore out for them every Saturday night, since they officiate three games; then they have to contend with irate players and heckling fans. And all this for a very small amount of pay! . . . It looks as though Huntsville's players' ages are finally catching up with them; they've slowed down quite a bit this year, but it's no wonder! After playing in the League for almost 13 years, one can expect to be just a mile slower than he was when he started! . . . It's been said that some of these games get just a little out of hand at times, particularly regarding rough play; it's understandable when you consider the size and ages of the players! Most of the players are in their mid-twenties, and a few, in fact, nearly in their mid-thirties! And when two 6'4", 200 pounders are lumbering after a loose ball, it's always a guess as to what will be the outcome. . . As far as entertainment, the League defies anyone to come up with an idea for a less expensive night out for the family!
