

Lake-Lehman High School

By MARY ANN LASKOWSKI

DONKEY BASKETBALL
Lettermen are expecting quite a crowd tomorrow night. All tickets were sold by the first of this week. They have carried out their project with utmost enthusiasm.

The teams are ready to provide you with an evening of laughs. Hope you have your ticket.

ASSEMBLY

The "New March of Dimes" was stressed with a film during Assembly at Lehman School. Sharon Coombs and Helen Sidler are in charge. The crippling effects resulting from arthritis, and birth defects were shown. Certainly the unfortunate ones, who have these crippling diseases need those of us who are able to walk and run.

Children were shown struggling at birth to live and yet not really

able to live. It showed the feelings of parents. The children's action gave a tug at your heart strings, as if to say "Help Me, Please."

The other part of the assembly, conducted by Mr. Samuel Davenport, was about wrestling. Ed Ladamus explained the illegal holds while Bob Rincken and Barry Woodling demonstrated them. Joe Smith and Ed Newell wrestled a match while the holds used were explained. Students from Lake intra-mural wrestling teams also put on several matches.

REPORT CARDS
The time has rolled around again. No need to wonder what marks you will be getting on that card. You know what effort you have put forward. The only thing you do wonder about is, "Will it be a B or

C, or how close to the border was I?" Not much you can do about this one, but you can start right now for the next one.

ANNOUNCEMENTS
Congratulations to Mr. and Mrs. Mark, on their new daughter. Miss O'Donnell, who is still absent from school, has sent a letter of "Thanks" to all those who have sent her cards and gifts.

STUDENT COUNCIL
Each Friday in February, the Student Council is holding their "Dress Up Days." Each member of the classes will come to school just a little neater. This tries to promote the idea the student should dress with a little more thought. Neatness is more important than getting real fancy. Fads and styles that are not neat are not encouraged. A clean cut neatly dressed student is their aim.

BAND SPONSORS
Band Sponsors are busily soliciting by word of mouth, and phone, the baked goods they will need, for the Bake Sale to be held at Davenport's drugstore February 18. Remember to bake the 17th so collection can be made that evening. You need not have a student in Band to be interested in helping make this event. We need you and your untiring interest and efforts in behalf of the Band. Call a Band Parent and offer your contribution of your baking skill. It will be appreciated.

JOANNE HADSALL
REPORT CARDS
Report cards will be issued to the Junior High School students Friday at 3. Every boy and girl hopes that his report will be satisfactory.

SCIENCE ACTIVITIES
The 8-4 science class, under the supervision of Mr. Cathrall, has been very active in the past weeks. One group of students gave "An Interview of an Astronaut." Portraying the astronaut was Sharon Philips, with Diane Pattison, Ann Woolbert, Charles Miller, and Kenny Chapple as the reporters who interviewed her. Sharon explained her preliminary training, launching equipment used by the U. S. government, and the apparatus she used while in space.

A second group gave a panel discussion on the topic, "Does Man Belong in Outer Space?" The affirmative panel, led by Linda Davies, consisted of Ed Dorrance, Steve Farrar, Elaine Dixon, and Judy Bergstrauser. Nick Sosick, Susan Smith, Bruce Hopkins, and Susan Dingle were on the negative panel, led by Jean Fleming.

The class also presented "The First Broadcast From the Planets." The boys and girls spoke through a microphone outside the classroom and were heard through a speaker in the room. The planet, scenery, temperature, etc., were described to the class. All of the eighth grade sections were shown a film put out by the Bell Telephone Company, entitled "Mr. Sun."

V. A. Questions

Q. Are families or close kin of veterans entitled to care and treatment at VA hospitals?
A. Congressional action has established VA hospitals for the care and treatment of service-connected veterans, primarily, and then, under certain conditions, for non-service-connected veterans. Families or close kin of veterans are not entitled to any benefits of VA hospitalization.

Q. I am still on active service and am being transferred to another section of the country. Since I must sell my GI-loan purchased home due to this move, may I have my VA entitlement to a new GI loan restored?
A. Only if VA is relieved of responsibility on your present mortgage. The purchaser of your home may assume the responsibility.

Q. In the event a veteran's widow remarries, she forfeits the pension payments she has been receiving. Does that mean that the veteran's children under 18 also lose any financial benefits they were previously entitled to?
A. The children are still eligible for payments under certain restrictions of age, etc. Consult the nearest VA office for rates and other information.

Q. I am a veteran but I have never applied for any benefits under the Veterans Administration. Am I required to keep the VA notified of my change of address?
A. No veteran is required to get in touch with the VA at all. Certain benefits and privileges were established by Congress to help veterans following their return to civil life. You may be eligible for some of these but there is no requirement that you have to apply for or accept them. You might, for your own protection and that of your family, at least inquire into the nature of the rights you still have. But you are not required to do so.

"The one thing that consoles me about being a woman is the fact that now I won't have to marry one."

to your favorite magazines during the campaign. Seventh, eighth, and ninth grade students will be soliciting in the area.

STUDENT COUNCIL DANCE
A record dance sponsored by the Student Council will be held Friday in the Junior High School gymnasium from 7:30 to 10:30 p. m. The Council hopes that all the students will attend, even though report cards will be taken home that afternoon. Admission will be twenty-five cents.

STUDENT COUNCIL
The Student Council recently formed four new committees. They were formed to get ideas for a Code of Ethics for the Junior High School, to usher for assembly programs, to get suggestions from the student body as to how the school could be improved, and to get suggestions for needed items the school would use. Harry Cooper, Joyce Hughes, Ann Woolbert, Thomas Miller, Margaret Lawson, and Howard Dymond are on the committee for the code of behavior. Assembly ushers are Beverly Eck, Joanne Hadsall, Marsha Sowden, Alfred Mauller, and Thomas Finn. On the Suggestion Committee are John Farley, Sharon Philips, and Nancy Gensel. The committee for buying items for school use is composed of Diane Pope, Beverly Eck, Linda Casterline, and Jim Steinhaur.

MATHEMATICS PROBLEM
Can you find an even number, except two, that is not a sum of two prime numbers? The answer will be published next week.

P. T. A. MEETING
The Dallas Township Parent-Teachers Association met in the Dallas Junior High School auditorium at 8 p. m. Thursday, January 25. Mrs. Stanley S. Davies, president of the organization, presided at the business meeting. The speaker was Mr. H. R. Hendricks, who brought as a guest Mr. Matthias Oguto from Kenya, Africa.

Casterline Family Is Now At Father's Home

The Charles Casterline family, whose Sunset home was burned out in sub-zero weather January 21, with loss of all furniture and possessions, is housed now at the home of George Casterline, Harveys Lake. Charles got Dad's furnace running and the plumbing connected the day after the fire. George Casterline, whose wife Tillie died last year, is spending the winter in Florida, leaving his home vacant.

Albino Pheasant

"A Chambersburg hunter bagged an unusual prize in Franklin County, on the opening day of the current small game season," Game Protector Edward Clark reports. "The man's pointer dog pinned down what at first appeared to be a white can, or jug in a pile of brush. But when the white object burst from its hiding place the hunter recognized it as an albino cock pheasant, and shot it."
