

Back Mountain YMCA To Initiate Indian Guides Program For Boys

Through the auspices of Back Mountain YMCA, the "Y" Indian Guides program will be initiated into the Wyoming Valley Area.

This is a program for boys 6, 7, and 8 years of age and their dads. It originated in 1926 and now totals 250,000 fathers and sons meeting in their homes twice a month. It is a program developed for the busy but thinking man of today who is concerned lest he wait too long to become the chum of his son. It brings the boy close to his father at an early age by doing things together. One cannot belong without the other.

A short organizational meeting will be held at the Back Mountain YMCA on Thursday, February 9, at 8 p. m. All interested fathers of boys 6-8 years of age are invited. The program will be explained through a film strip and an experienced former Indian Guide Chief, Kenneth Young, Dallas. Light refreshments will be served.

Any father who is interested but cannot attend the meeting is asked to contact Robert A. Addison at OR 4-3217.

The monthly coed "Fun Night" at the Central "Y" will be held Friday, February 3. Bus will leave Dallas

Borough Elementary School at 7 p. m.; the Back Mountain YMCA, Shavertown, at 7:15; and Carverton Road, Trucksville at 7:20.

World Day Of Prayer

World Day of Prayer will be observed Friday, February 17, at St. Paul's Lutheran Church in Shavertown. Local churches are invited to cooperate. Mrs. Raymond Kuhner, Dallas Methodist WCS, is in charge of arrangements.

In Memory Of Karen

God leaned with loving smile, and clasped our Karen's hand.

In memory of Karen Hilbert, six years old, who died in a traffic accident four years ago, February 4. From Mommie, and her brothers and sisters.

BEWARE of this dangerous house pest!

Inadequatus electricus (wire bug)

The wire bug infests houses with inadequate wiring. It thrives on overloaded circuits... causes fires which destroy homes and lives. In its early growing stages, the wire bug saps the strength of electrical appliances and lighting. In the adult stage, this pest prevents the use of such comfort-giving appliances as air conditioners, electric ranges, automatic washers, dryers and dishwashers.

How to EXTERMINATE the wire bug
Your electrical contractor can rid you of the wire bug quickly and easily - by stepping up your HOUSEPOWER with adequate wiring.

For Better Living - Electrically Step up your HOUSEPOWER

Prepared as a public service by Allis-Chalmers Committee on Adequate Wiring.
