We will probably never hear again about those 'Old Fashioned Winters' after what we went through this weekend. That snow storm was the 'Snow Storm of Snow Storms.' Deliver us from anyone of them. Here's hoping the robins will be coming back in numbers soon.

Dawn Sherwood has returned home from Nesbitt Memorial Hospital.

Congratulations to David Cooper, son of Mr. and Mrs. Kenneth Cooper of Chase Road, who is celebrating his 5th birthday today. A family birthday dinner is being held in his honor.

Mr. and Mrs. William Conyngham have returned home after spending three days as guests of the New York Holstein Association at its 41st Annual Convention at Hotel Concord, Kiamasha Lake, N. Y. Hotel Concord has one of the largest ball rooms in the world, in fact, the stage of the ball room was so large that a cattle judging contest was held on it. After the judging was over, the guests enjoyed country style dancing to the tune of old time fiddlers. There were over 900 at the banquet.

Mrs. Mary E. Sebolka was rushed to Nesbitt Memorial Hospital in Kingston Township Ambulance, last Monday night, suffering from a heart attack. She is feeling much better at the present time.

Mrs. Mamie Miles is ill at home and is under the care of her family physician.

her two children, George and Penny, left for Florida to visit with his daughter, Mrs. Ruth Zayatz at Jacksonville. Mrs. Newhart will return home with them.

Mrs. Lily Lord has returned home from Nesbitt Memorial Hospital. Her father, Harry Smith, who recently had his leg amputated, returned to Wilkes-Barre General Hospital, Sunday, his condition is listed as fair.

Due to one of the trucks used in plowing the Township roads breaking an axle last Saturday morning, the job of opening the roads was delayed. The Caterpillar Loader was pressed into service to open the roads where heavy snow drifts were too heavy for the plows to remove.

Congratulations to Mrs. Ida Wilcox who will celebrate her 83rd birthday on February 16. Mrs. Wilcox is living with her daughter and son-in-law, Mr. and Mrs. Harry Snyder of West Dallas. Mrs. Wilcox is in failing health but is able to be up and around in her room. She would appreciate hearing from her friends.

At the recent re-organization meeting of Jackson Township Supervisors, Elmer Laskowski, was elected chairman; Edward Jeffery, secretary-treasurer; Wesley Lamoreaux, road foreman; Harold Bertram, assistant road foreman; Jonathan Valentine, solicitor; Robert Cooper, assistant Chief of Police.

All Township Ordinances of previous years are in effect during 1961. The Supervisors meet at the Fire Hall, the first Tuesday of every

month.
The following letter was received by the Jackson Township Supervisors:
Gentlemen:

We as residents and taxpayers of Jackson Township want to thank you for the splendid manner in which you have cleaned the roads of snow from the last several snow storms. You are to be commended. Thanks fellows for a job well done.

(Signed) Taxpayers

The big news of the week was the 'great snow storm of 1961' and everyone was so busy cleaning up after it, that there wasn't any time for any news which accounts for the lack of same this week. Here's hoping our readers will keep this column in mind, for after all, news is made by people like yourselves. Call in your News Items to OR 4-2732.

Here's good savings news from **WYOMING NATIONAL BANK** Every Day Interest builds savings faster!

"Every Day Interest" means your savings earn interest every day—from day of deposit to day of withdrawal.

IT ALL ADDS UP...

There's no loss of interest on money withdrawn during quarter. Interest is earned on every dollar from the day of deposit to the day of withdrawal... on savings account balances for \$5 to \$100,000... provided the account remains open to the end of the quarter. Interest, at the annual rate of 3%, is compounded and credited every three months.

33 grace days in each quarter. Money you deposit during the first ten days of each month earns interest from the first day of the month plus a three-day grace period for withdrawals at the end of each quarter.

INTEREST	FULL INTEREST
OTHER SAVINGS ACCOUNTS With many other savings accounts, you lose interest on money you withdraw in the middle of an interest period. In fact, you lose all the interest it has earned since the beginning of the period.	WYOMING NATIONAL SAVINGS ACCOUNTS At Wyoming National, as long as there's a balance in your account at the end of the period, you get full interest on your savings every day... yes, right from the day of deposit to day of withdrawal.
