

Westmoreland Hits Century Mark Subduing Sugar Notch Five 113-44

Trewern Ties Valley Record With 44;
Mountaineers At West Wyoming Friday

Westmoreland Mountaineers became the first team this season in Wyoming Valley to go over the century mark in a single game. They completely outclassed a smaller Sugar Notch team 113-44, Tuesday night on the Dallas Junior High floor.

Besides setting a new high team total, Ronnie Trewern tied a Wyoming Valley record for the season with 44 markers, established the previous night by Len Hoover of St. John's, Pittston.

Surge Starts

After jumping into a 15-2 lead, Westmoreland saw its lead dwindle as Duffy hit three straight goals and H. Dudick one to narrow the margin to 18-10 at the two-minute mark. Following the rally by the visitors, Westmoreland rung up five successive goals to hold a 28-11 margin at the quarter.

All five starters contributed to the point production with Trewern high on ten and Evans low with three.

Evans, Trewern Hit

Westmoreland continued its torrid scoring in the second period as Wes Evans and Ron Trewern both found the range for ten markers. With this the Mounts built up a 52-26 half-time margin.

Hank Dudick contributed nine tallies to the Sugar Notch attack.

Westmoreland finished the half with 24 field goals in 47 attempts.

Trewern with 20 counters and Evans 13 paced the first half scoring for the Mountaineers.

Sugar Notch Cold

After intermission Westmoreland ran up twenty-two straight points before Duffy broke the ice with two free throws.

Wes Evans finding the range on six of eight attempts for twelve points kept the attack rolling. Trewern chipped in with eight, Gauntlett six, Dietz four and Inman three.

Sugar Notch, stone cold from the floor showed three goals on twenty-one attempts, all in the final minute.

Westmoreland showed fifteen for twenty-three.

Trewern Tries For Record

Shuffling the reserves in and out with varsity members Westmoreland hit the century mark as Trewern scored on a lay-up to give the Mounts 101 points with three minutes remaining.

With this Brobst inserted four new men, leaving Trewern, the only regular, in action with the record in sight. Trewern collected eight more tallies to tie the record.

For the second consecutive game Westmoreland shot a terrific 57%, hitting 52 field goals on 90 attempts.

Trewern hit 19 for 30 and six of seven fouls for his total of 44. Evans showed 13 for 22 and Gauntlett 7 of 11.

Sugar Notch, shooting 59 times, hit on 18 for a 31% average.

Hank Dudick posted the best individual effort with 8 for 16.

Comments

Following the pattern of recent contests, Trewern, Gauntlett and Evans did the work around the boards, while Dietz and Inman turned in another fine game with their passing and defensive work.

Dietz stole the ball at least nine times from opposing players and turned in his best scoring effort of the season with 10 tallies.

Hank Dudick, Duffy and Gargulis stood out for Sugar Notch.

At West Wyoming

The Mountaineers may be in for a tough time tomorrow night when they travel to West Wyoming to meet the Cowboys of coach John Ludd.

The cowboys extended the Mounts all the way in their first meeting before losing 54-49, as the Mounts rallied in the final three minutes. West Wyoming at one time during the game held a thirteen point lead.

Westmoreland winds up its North league campaign Tuesday night against Fairview at Fairview. Westmoreland won the first meeting between these two 66-58.

URGES ATTENDANCE AT GAMES

Dr. Robert Mellman, superintendent of Dallas Schools, asks for good attendance of teachers at the school basketball games, as an aid to pupil-faculty good relationship.

Complete Course

PVT. PETER FRITSKY, JR.

PVT. ROBERT D. ROGERS

Two local boys have completed an eight weeks linemen's training course at Fort Gordon, Kentucky. The Southeastern Signal School trains men to install and maintain aerial communication wires and cables.

Both Pvt. Peter Fritsky and Pvt. Robert D. Rogers took their basic training at Fort Dix, N. J., after enlisting in September.

Peter is son of Peter Fritsky of Demunds. Robert is son of Mr. and Mrs. Eldon H. Rogers, Fernbrook.

Both boys graduated from Westmoreland in June.

A phone call to Mrs. Rogers turned up interesting sidelights.

Robert is a twin, one of two sets of twins born to Mr. and Mrs. Rogers. Robert's twin, Richard, who also joined up in September, is at Fort Bragg, N. C., studying missiles.

An older boy, Thomas, 26, a former Navy Reserve man, now with RCA, is stationed as a civilian employee in Greenland, working on the early warning system.

James, 22, is stationed in Munich, Germany, and expects to be home in March.

The boys who recently completed the linemen's course at Fort Gordon, are now en route to Germany, where the transport will deliver young soldiers picked up at several stops in the Caribbean, along with soldiers from Fort Gordon and other army posts on the east coast.

The other set of twins in the Rogers family, consists of two five year old girls, Diane and Donna, afterthought to a family of four boys and four girls.

Home Town Boy On Alert For Cruise Ship

One of the home town boys was on the prowl in an attempt to spot the cruise ship Santa Maria.

Navy Lt. David Parsons, son of Mr. and Mrs. John Parsons of Kunkle, was detached temporarily from duty with his flight squadron at Rota, Spain, to fly to the Cape Verde Islands, just off the bulge of Africa. For three days while the pirated cruise ship dodged pursuers and threatened to head for Africa, Lt. Parsons was on the watch. When the Santa Maria finally fled to Brazil, navy fliers rejoined their units in Spain.

Stout Is Improved

Gerald E. Stout, a surgical patient at Nesbitt Memorial Hospital where he was admitted a week ago Tuesday, is showing improvement and may now have visitors for short periods.

A member of the Wilkes-Barre Record news department, Mr. Stout lives with his wife and son at 29 Holcomb Road, Shavertown.

Rotary Princess?

Judy Cross, Annabelle Ambrose, and Lynn Jordan are Back Mountain girls, daughters of Dallas Rotary Club members, who are in the running for Rotary Princess at the Kingston House Tuesday evening.

Terms Of Eight Dallas Directors End This Year

Two To Be Elected;
One From Franklin
And One At Large

There will be a considerable change in the complexion of the nineteen member Dallas School Board after the general election this fall.

That will be the time when the number of men serving on the Board will be reduced to thirteen in compliance with the regulations governing Union School Districts. The following year the Board will be further reduced to seven members.

The terms of eight directors will expire this year and only two of them can be re-elected. One will be the man who will be the eventual, single representative of Franklin Township. He will be elected by the people of Franklin Township alone. The other will be a representative at large and may come from any one of the four municipalities in the Union District. He will be elected by the people of the four districts.

Directors whose terms expire this year are, Dallas Borough: Lewis W. LeGrand and Walter Mohr; Dallas Township: Francis Ambrose and Philip Cheney; Franklin Township: Don W. Heslop and Henry Hess; Kingston Township: William Clewell and James Hutchison.

Some one or any of these directors could be re-elected as a director at large if they decide to run, but only Hess, Heslop or some other citizen of Franklin Township could be elected as the representative of that Township.

Present directors who will remain on the Board during 1962 will be Dallas Borough: Dr. Robert M. Bodycomb, L. L. Richardson and Earl Phillips; Dallas Township: William Wright, Alton Whittaker and Jack Stanley; Franklin Township: James Mitchell and Harry Siskler and the member to be elected or re-elected this fall; Kingston Township: William Mannear, William Davis and Walter Phillips.

Next year the terms of all of these directors will expire with the exception of those of Earl Phillips, Jack Stanley, Walter Phillips and the director from Franklin Township to be elected this fall.

The Board in 1963 will then be composed of seven men, one representative from each of the districts comprising the union; one member at large who will have been elected this fall and two other directors at large who will have been elected in 1962.

Bob Rinehimer Named To Board

Robert C. Rinehimer, Dallas, has been appointed to the Wilkes-Barre Associate Board of Northeastern Pennsylvania National Bank and Trust Company.

A partner in the firm of J. S. Rinehimer and Son, Mr. Rinehimer is a graduate of Wyoming Seminary and received his degree in Commerce and Finance from Pennsylvania State University.

In 1941-42 he served as president of Wilkes-Barre Junior Chamber of Commerce. He also served several terms as treasurer of Wyoming Valley Chapter, Red Cross and was general chairman of the 1951 Fund raising Campaign. More recently he acted as chairman of the Public Service Division of the 1961 United Fund Campaign and is co-Chairman of the Industrial and Business Division of the current Industrial Fund Campaign.

Mr. Rinehimer is a member of Wilkes-Barre Rotary Club of which he was president in 1954-55. He also holds memberships in the Westmoreland Club; Elks Club; Franklin Club; Kingston Lodge 395 F and AM; Knights Templar; Shekinah Royal Arch Chapter; Irem Temple and the Society of Chartered Property and Casualty Underwriters.

Improvement Association

Sweet Valley Improvement Association held its annual meeting Monday night at the Fire Hall.

Again At County Prison

Kenneth Schweiss, 17, held for murder of his father, State Trooper Kurt Schweiss the Sunday before Thanksgiving, has been returned to Luzerne County Prison from Danville State Hospital, where he was under observation and psychiatric study.

Home Again After Fire

The James Besecker, Jr., family is back in its own home again in East Dallas, after extensive repairs to the structure which was badly damaged by fire a few days before Christmas.

Borough PTA Gives Record Players To School

Dallas Borough PTA recently donated three record players for use by the Boston Store. Reading from left to right are: Mrs. Stephen Hartman, Mrs. Harry Lefko, of the PTA Board; Miss Louise Ohlman, music instructor; Antonette Mason, second grade teacher; Mrs. Louise Colwell, principal; and Hartford Eckman, PTA president.

Sunday Fire Damages Plattsburg Home

Quick work of Harry S. Smith and Dr. Henry M. Laing Fire Companies saved the Charles C. Everetts home at Plattsburg from complete destruction Sunday night shortly after 7:30.

Mr. and Mrs. Everetts and their three children were away when the fire was discovered but returned before firemen had it extinguished. Believed to have started around a defective chimney, the fire did approximately \$2,000 damage to the roof, upstairs ceiling, rafters and chimney.

Firemen used 1,000 gallons of water from their booster tanks to extinguish the flames. Loss is partially covered by insurance.

The Everetts family are staying with relatives until the damage can be repaired.

Cliff Garris Rolls A Perfect Game

Cliff Garris, Jackson Street, Dallas, a driver salesman for Dallas Dairy, rolled a perfect game yesterday afternoon while bowling in open play at Crown Imperial Lanes.

The big game is the first 300 to be recorded at the local bowling establishment since it opened four years ago. Cliff is a regular bowler at Crown and is a member of two leagues there and one in Tunkhannock. He has been bowling four years.

Tony Bonomo, proprietor of Crown Imperial since it changed hands January 1st, has been experimenting with the new Tuf-Tex pins manufactured by Bean Brothers. The new pins have been on the lanes just one week and Tony is pleased the perfect score was made while using them.

Familiar Landmark Takes On A New Look

This is what is left of Ray Prutzman's Barn, a familiar landmark on the Hillside-Huntsville Road, after heavy snows crushed the already aging structure. Fortunately the herd of cows in another part of the structure was unmolested although damage to the section devoted to storage was considerable. —Photo by Kozemchik

Thumb Mangled In Door As Car Tows Victim

Stuart Stahl, Westmoreland junior, was painfully injured Wednesday afternoon after school hours, when he caught his thumb in the door of a car driven by a schoolmate, Howard Steele.

Steele, not realizing that Stuart's thumb was caught, started the car, and the injured boy was towed along for several yards, trying to attract attention of the driver. When released, the mangled thumb spurting blood.

Art Whiting, proprietor of a garage at Center Street and Memorial Highway, Shavertown, took the boy first to Dr. Bucan's office, then Dr. Borthwick's, then Dr. Mascali, seeking help. Dr. Mascali was in his office. He dressed the wound, and ordered X-Rays taken.

Mrs. John Stahl, Stewart's mother, took him to Nesbitt Hospital Thursday morning. X-Rays showed fracture of the left thumb, with extensive damage to soft parts.

Local Hot Rods Lose Licenses

Adams And Wesley Hit 100 Miles Per Hour

Charged with driving 100 miles an hour on Route 115, two Sweet Valley drag racers were convicted when given a hearing before Judge Bernard Brominski.

The Court suspended sentence and fine on condition that Frederick K. Adams, Sweet Valley RD1 and Worden E. Wesley, Sweet Valley, surrender their operator's licenses for six months. Costs are to be paid in ten days.

The youths were arrested last September 4 by Trooper Harold D. Slater.

Adams driving a 1960 model car, according to the prosecution, turned left onto Route 115 from Route 415, when Wesley pulled alongside with a 1958 model car. The two cars started to race and were clocked at 95 miles an hour for a distance of two miles. The trooper blew his siren when Adams pulled ahead of Wesley and the speed was 100 miles an hour. The incident occurred in Dallas and Lehman Townships.

The average pledges of these employees, spread over the 3-year period of giving is \$70. Most of them are pledging through payroll deduction. So far on Enterprise—\$5,254, 47 employees; Hanover National Bank—\$658, 16 employees; Penna. Power & Light Co.—\$6,142, 99 employees; Metropolitan Life Insurance Co.—\$2,984 from 41 employees; Bowden-Northrup Lumber Co.—\$592 from 12 employees; Lewitt & Freeman—\$370 from 6 employees; International Color Printing—\$1,255 from 23 office employees; Stereotypers Local 139—\$1,950 from 25 members; Westinghouse Electric Co.—\$3,587 from 53 employees; Lacy, Atherton & Davis—\$2,437 from 26 employees. Meanwhile, unions, too, have made generous gifts to the fund for their treasurers. Thus far Local 12-571, Oil, Chemical and Atomic Workers Union which is represented by members at Eberhard Faber, one of the new industries at Crestwood Industrial Park, and Laborers Local No. 215 have made their contributions following a vote of approval by members.

Catches Arm In Roller At Natona Mills

John Judge, 204 Lehigh Street, Shavertown, caught his arm in a roller in the dye house at Natona Mills Friday at noon. Power was shut off instantly, but his arm was lacerated. He was able to sit up in Dallas Community Ambulance enroute to Nesbitt Memorial Hospital, where he was admitted for suturing and observation.

Staffing this ambulance were James Wertman and Don Bulford.

Dog-Catcher Due

Burgess Thomas Morgan says the dog-catchers will be here next week. Many dogs are still wearing last year's license plates. To avoid a stiff fine, get a 1961 license right away, for any dog over six months old. And, Morgan warns, a license does not give a dog free running of the streets. Dogs must be under control.

College Misericordia Schedules Its Second Reading Conference

College Misericordia's Second annual Reading Conference has been scheduled for March 24-25, Sister M. Celestine, R. S. M., president of the College, has announced. This year's lecture plan will center on the theme "Perspectives In Reading." Sister Celestine explained that the discussions of the authorities conducting the conference may present the newest approaches in reading education.

Conference speakers will be: Mary C. Austin, School of Education, Harvard University; Marguerite de Angelo, winner of the John Newberry Medal for distinguished contribution to American literature for Children; Rosemary G. Wilson, Special Assistant, Secondary Reading, School District of Philadelphia; Dr. Lyman C. Hunt, director of Reading Clinic, Pennsylvania State University; Loretta M. Antl, consultant, Department of Science Research Associates, Inc.

Dr. Mary C. Austin, who is current president of the International Reading Association, will discuss current emphases in the teaching of reading on Friday, March 24, at the General Session, 7:15 p.m., in Walsh Memorial Auditorium. At the General Session on Saturday, March 25, 9:00 a.m., Dr. Austin will consider reading and thinking.

The post-luncheon speaker on Saturday at 1:30 p.m. will be Marguerite de Angelo. Her topic will be the writing and illustrating of children's books. Mrs. de Angelo is the author-illustrator of eighteen best-selling children's books. For her work "The Door In the Wall," she was chosen winner of the Newberry Award for the most distinguished children's book of the year 1950. Her latest publication is the beautifully illustrated "The Old Testament" of

1960. At a Special Session for Administration and Supervision on Friday afternoon, 2:30 p.m., Rosemary G. Wilson will explain the role of the administrator in the reading program. This meeting is open to those of both secondary and elementary levels. On Saturday, Mrs. Wilson will talk to the secondary school teachers on Development Reading Programs. She will stress the idea that "All teachers teach reading." Mrs. Wilson was one of the three reading consultants who prepared the Administrator's Guide to Reading for the Department of Public Instruction in 1958. Since then, she has served as a member of the State Committee of College Teachers of Reading and is recognized as an outstanding consultant on the development of reading programs in secondary school reading programs.

Speakers at the sectional meetings on both Friday and Saturday will be Dr. Lyman C. Hunt who heads the Reading Clinic of Pennsylvania State University and Loretta M. Antl, consultant, Wesleyan University. Dr. Hunt will discuss "Overcoming the Difficulties in Reading," and Miss Antl will consider "News Reading in the Curriculum." Dr. Hunt recently completed a series of lessons on "Teaching of Reading Via Television." In her work as consultant, Miss Antl is active in the nationwide movement for improved instruction in reading, citizenship, and current affairs.

At the General Session on Friday, 4 p. m., Mr. Thomas M. Ryall, representative of the Science Research Associates, Inc., will explain the use of the various materials of the SRA Reading Laboratory.
