By MARY ANN LASKOWSKI

#### NEW TEACHERS

As I promised here is a little news about our new teachers.

Miss Barbara Uram is the gym teacher. She studied for two years at Juniata, then transferred to Bloomsburg State College. She is interested in newspaper work; was a Tri-Hi-Y advisor and did work with the Christian Association.

Miss Uram is head coach for girls' basketball team and is advisor to the Pep Club.

Miss Mariana Huttenstine is our new librarian. She also graduated from Bloomsburg where she was a student librarian, a dormitory councilor and did work on the yearbook and newspaper staff. She enjoys Girl Scout work.

She will be F. T. A. advisor and Assistant Girls' Basketball Coach.

We hope both of these teachers enjoy our school.

#### ANNOUNCEMENT

Students attending both our basketball and wrestling meets are requested not to bring confetti. It is prohibited by Pennsylvania Interscholastic Athletic Association to which our school belongs. The PIAA states that confetti is allowed in out-

door sports only. Anyone caught continuing its use will be punished. F. H. A.

Leah Klimovich has been chosen "Future Homemaker of America" from our school. She is a vocational student and is active in the F. H. A.

All the Senior girls took this test early in the school year. Out of all these girls, Leah made the highest score. Congratulations, Leah!

#### BASKETBALL GAME

Friday evening at 7 at the Lake Building, Lake-Noxen P. T. A. will sponsor two basketball games.

The first is between women of the community and eighth grade girls. The second is between the faculty and the Senior girls. The faculty will wear boxing gloves.

Both games should be amusing. Receipts will go to the encyclopedia fund. Donation is fifty cents for adults and twenty-five cents for students.

#### MISCELLANEOUS

Mr. Edward Mark has completed six additional credits in guidance and psychology at the University of Scranton.

Good luck to the six girls entering the Vogue Pattern Contest to be

held March 1.

Congratulations to the basketball team from Westmoreland. Most of the students at our school feel that if we can't have the championship, we are glad that the other Back Mountain Area School has it.

#### FORGOTTEN

The birthday of another famous American, George Washington, is celebrated in February. When I told you about the other special days in February I failed to mention this one. It was not done on purpose but it slipped my mind which is one of the failures of the human mind, we forget.

George Washington was born in 1732. He was a leader even in his boyhood. He had a clever mind that worked for the good of the people around him. This continued throughout his life. He became rich through his hard work at an early age. His life is filled with exciting minutes. Our first President was truly a great man.

### This Week

## AT THE COLLEGE

JEAN DRAPIEWSKI

This week our column's camera surveyed the winter-shelled campus and found the most funpayers in Misericordians' sports. Winter wind whipped gym walls, but inside gym classes generated tons of heat as they perfected their basketball skill in intramural games and flexed muscles in calisthenics. Varsity players, of course electrified the air in practice for the Lock Haven game of Friday evening, February 17.

We caught the newest enthusiasm in Misericordia's Sport-Whirl—Dr. Basi's fencing classes. When Dr. Basi, with his Italian-French accent, calls, "En garde!", bodies thrust forward with agile grace, foils flash, and the victory goes to Dumas Musketeers.

The camera's eye also picked out other Misericordians in what seems

#### TRI-HI-Y

Girls Tri-Hi-Y Club will entertain Lake-Lehman and the Lake-Noxen Tri-Hi-Y girls at their next meeting. Refreshments will be served and a social held for all members.

#### SENIOR NEWS

Seniors have turned in their orders for graduation announcements and have selected name cards. That big day is not very far away and an excitement is already felt among the seniors.

#### FUN FOR ALL

Our Valentine Dance was much fun for everyone, especially for those of us who dressed in costumes of the "roaring twenties." Several of the boys came dressed as the famed hoodlum, Al Capone, and out did each other with facial scars and gangster clothes. Some of the girls were dressed as flappers and everyone had a good laugh at the crazy costumes. A king and queen were picked from the couple who wore the best costumes. Eddie Coolbaugh and Judy Woolbert were the lucky winners. Ed was a riot in one of the bathing suits of that era, and Judy has a clever flapper outfit. The gym was decorated in the traditional valentine and heart motif. We danced to many popular records.

#### STUDENT TEACHERS

The student teachers have been getting valuable experience teaching at our high school the past few weeks, and we're all learning much about the teachers, too. One thing for sure, they give us plenty of homework. (We hope they are successful in their efforts and wish them a bright future in the teaching field.)

#### SPECIAL FEATURES

1. Westmoreland victors over Wilkes-Barre Township 77-63. Ronnie Trewern was high man with 23 points.

2. Westmoreland downed Ashley 73-60. High man was Ronnie Trewern with 35 points.

3. Westmoreland topped Swoyersville 68-43. High man Ronnie Trewern with 27 points.

Congratulations to Ronnie Trewern for being one of the ten boys in the Valley to have a 20 point per game average.

The "Sensational 7", a basketball team from WARM, will visit the Back Mountain Area again Saturday night, February 25. They will play the Mountaineers, a woman's team from this area. This game will start

to be Wyoming Valley's most popular winter sport, bowling. In their best "four-step approach" Misericordia's two bowling leagues topple pins at Crown-Imperial Lanes in Dallas and Avenue Lanes in Exeter.

A wonderful picture of winter fun was snapped at Twin Lakes Pond on the Sunday following the Sophomores' Cotillion. The Sophomores had to plow through oceans of snow to cut the ice at Twin Lakes, but the snow-plowing job was the most attractive one of the season.

Our camera follows other groups each week as they travel from the campus to Wilkes-Barre to compete in their favorite sport—swimming—at the C. Y. C. or at the Y. Strangely enough hauling and pulling have proved a source of fun this winter—hauling and pulling sleds we mean. The campus slopes have made themselves constantly available during the last months.

Finally our cameraman learned the forward look at Misericordia: SPRING—WARM SUN—AND TENNIS.

at 8:15. Admission will be charged. There will also be three Church League games, which start at 6:00. The admission will be used to help pay for the Senior boys' jackets. So let's get out and cheer for our team. They will play at the Dallas, Junior High School.
