#### CHANGE

There has been a change in dates of the nights for our band concert. The dates are now April 28 and 29. Keep these in mind because you will not want to miss it.

Mr. Milaskavics has announced that there is a need for bass horn players. Any youngster from fourth grade up may join the band, although you cannot enter Senior Band until you are in seventh grade and have met the rest of the requirements. Contact our director if you are interested.

Last Monday night thirty-five of our band received sweaters. Each parent presented the sweater to his or her son or daughter.

Following this refreshments were served and a picture taken of these Seniors.

#### DANCE

all from Misericordia.

On March 3 the Homemakers of America, the Future Farmers of America and the Future Teachers of America will hold a farmer dance. Red Jones will be caller.

The money will be divided equally among the three organizations to send their representatives to the state conventions.

#### STUDENT TEACHERS

Four teachers who are doing their student teaching in our school are Miss Elizabeth Galvin is a social studies major. She is teaching history and guidance during her stay with us. She belongs to the P. S. E. A., Music and the Literary Clubs. The Student Council is also one of her activities. She likes to bowl and read for entertainment.

Upon graduation she would like to teach in New Jersey where she lives.

Miss Patricia Sladish is from New York and a music major. She plays the trumpet and played with Stegmaier Band at one time. Miss Sladish is helping all the music teachers and teaches the music appreciation classes. She belongs to the Music and Glee Clubs along with P. S. E. A.

#### WRESTLERS

Congratulations to the wrestling squad for its victory over Meyers on Saturday night. The score was 31 to 16. The entire team showed good sportsmanship. This win put us in second place tied with Forty Fort.

The four Seniors who wrestled their last league meet all won. They are Bob McDaniels, Jack Donnelly, Pete Rittenhouse and Alex Wilson.

Bob, Jack, Pete are from Lehman Building and Alex is from the Lake. All four are lettermen. Bob and Alex are taking the Academic Course. Pete is taking Automobile Mechanics and Jack is taking Drafting.

Jack is also to be honored for being undefeated in the 145-pound weight class for this entire season.

The district meets start tomorrow at 7 p. m. at Wilkes College. Eleven schools will be represented with twelve meets from each school. We hope our boys do well.

#### ASSEMBLY

Mr. Sidler and the F. F. A. boys put on a very interesting assembly on Friday. John Klemunes, president, conducted the program. The officers went through the rituals of opening ceremonies as they do at each regular meeting. Following each told a little about his station and the symbol that represents it. The assembly concluded with Mr. Marchakitus presenting the lettermen with their Senior Sweaters.

### This Week AT THE COLLEGE

JEAN DRAPIEWSKI

Misericordians are extra exuberant. First signs of Spring are a real break-through in Old Man Winter's stronghold. Bare spots of lawn become larger each day.

Just one moderate breeze is enough to send heavy coats and scarves into the back of the closet. Pneumonia may result, but trench coats are a must once Misericordians feel the temperature rise about 32 degrees.

Our long time companion, Mr. Snow, may strike again, but our eyes have seen the vision of Spring, renewed vigor will carry us on a very merry ride to spring fever.

Last weekend the Literary Club traveled to New York City to see a Broadway show—Jean Anouilh's play, "Becket." As a second feature of the annual trip, the club members visited the Pierpont Morgan Library.

On March 6, in Walsh Memorial Auditorium, Donald McDonald, editor and journalist, will discuss modern entertainment influence on American life. Mr. McDonald is the fourth speaker in Misericordia's series of cultural lectures. He was graduated from Marquette University in Wisconsin with a master's degree in journalism and now edits "The Marquette University Magazine." Mr. McDonald also contributes to many periodicals including

"Harper's" and "America." Tonight is the BIG night of this season for the Highlanders. East Stroudsburg State College invades the gym at 8:00 p. m. Misericordia's hopes are high for the game. "This may be our year to beat them," is the excited murmur going around. Not since 1956 has Misericordia been able to subdue the physical education school. But, tonight could be the night!

Misericordia now has an official fashion queen. Miss Elizabeth Galvin of Jersey City, N. J., a senior, was chosen by the students from among ten nominees to represent Misericordia in "Glamour Magazine's" search for the ten best college girls on the American college campuses. A social studies major, Elizabeth is now practice-teaching in Lake-Lehman High School. She hopes to do graduate work after graduation in June.

Activities swing into the brisk, enthusiastic step of the home stretch these sunny days. This Spring Term is moving in jet-speed toward Easter—then June follows.

#### Herd Testing Being Done

Pennsylvania Department of Agriculture is making a farm-by-farm survey of livestock herds. Luzerne County is due for recertification as brucellosis and tuberculosis-free this year. Animals are being tested for both diseases at one time. No action will be taken against farmers whose herds have not been tested, but all animals will be checked.

The deadline for School News in The Dallas Post is Monday at noon.

### WESTMORELAND High School News

The Samuels Twins, Karen and Sharon

Recruiters from the three branches of the Armed Forces visited our high school last week to speak to any boys interested in learning about the opportunities and requirements necessary for joining any branch of the service. Special sessions for each branch of the service were held at time intervals to give the boys an opportunity to attend the sessions in which they were interested. Any students who were of age were eligible to attend these sessions. This was an opportunity of value for all who were interested. These Recruiters were: Naval Reserve—Chief Callahan; Army—Sgt. Becky; Air Force—Sgt. Brin.

Rotary Exchange Students Some of the girls have already been selected as exchange students to study abroad. They are Lynne Jordan and Annabelle Ambrose, who have been selected to go to Holland; and Mary Alice Knecht, who has been selected to go to Sweden. This is an exceptional honor for these girls, and we know from past performances that they will do credit to our country, and to Westmoreland High.

#### Fashion Show

Wednesday, Feb. 22, Washington's Birthday, a Fashion Show was held by Mrs. Lord and the Home Ec. Department. Those who participated, were girls who made their outfits in Home Ec. classes. #### Hot Diggety

We beat Swoyerville again and

what a game it was! All the fellows played one of their best games of the season, and the fans who attended were thrilled with the performance of the whole team. With this victory and the victory over Sugar Notch, we hope to win the League Crown. We congratulate Ronnie Trevern on setting a new high team total and for tying Wyoming Valley record for the season with 44 markers. Good work, Ronnie. Wes Evans also did a fine job, with 27 points. Ronnie Trevern was also high man in the Swoyerville game with 27 points, closely followed by Wes Evans with 19 points.

#### NEW JACKETS

The boys of the Key Club are proudly wearing their new jackets and look "mighty nice" in them too. They are blue wool jackets trimmed in white leather.

The bake sale that the Keyettes held for the benefit of the March of Dimes was a huge success and much appreciated by all concerned. Also the Key Club boys are helping the senior parents at the refreshment stand at our basketball games.

#### THANK YOU, LAKE LEHMAN

We'd like to thank the Lake-Lehman reporter for the very complimentary news article in the Dallas Post school news about our basketball team. We're glad to know our neighboring school is rooting for us.
