

Bowling News

By DORIS MALLIN

Gaining in popularity at Crown Imperial Lanes is the Junior or Teenage League which started late in the fall. The youngsters have taken over ten lanes with four on a team and many are showing a big improvement in averages. It is a pleasure to watch these boys and girls compete against each other every Saturday morning. They range in age from 10 to 16 years and conduct themselves very well. It is an excellent opportunity for young people to learn good sportsmanship. Nick Stredny is at the helm and doing a very good job. He is anxious to welcome more juniors into the league, which has extra special privileges. The three game series and shoe rental costs only one dollar and the bowlers are eligible to win the Black Beauty Ball and a three-game pass each week. Bob Gray and Jane Birmstock won passes last week.

Winner of the Black Beauty Ball last week was Casimer Kunda, Shavertown, who bowls with a mixed group of young people Wednesday nights. This week's number is 044354. Check your pockets!
