Airman Of The Month

A3/C RONALD J. ROGOWSKI

A 3/C Ronald Rogowski, son of Mr. and Mrs. Alfred Rogowski, Pike's Creek has been chosen from a squadron of 615 Airmen as "Airman of the Month" at the Forbes Air Force Base, Topeka, Kansas.

A letter sent the family by Major J. A. Costello, U.S.A.F. Commander, says "I fully endorse A/M Rogowski's nomination for Airman of the Month. He is competent and reliable, far above the average in every respect, and a definite asset to our organization."

Airman Rogowski attended Lake Township School, Gate of Heaven School, and was graduated from Central Catholic High School, Kingston, in the class of 1960. He took his basic training at Lackland, Texas. He has been stationed at Forbes since October.

Prior to entering the service he was employed at Parry's Gulf Gas Station on Memorial Highway. He is the oldest of six children.

Gosart Expands Parking Areas

"Something is doing, and Charlie is doing it" might well be the slogan for Charlie Gosart of Gosart's Market on Memorial Highway.

Trees on the eighty-foot plot between the Market and August Walters' Building have been removed and 1,000 cubic yards of fill dirt will be brought in to bring the area up to grade.

When completed this will give the Market two large parking areas on either side of the building. The new lot will have room for 20 to 30 cars, but more important it will afford access for trucks to unload along side the Market rather than in front of it.
