

### Lake-Lehman High School

By MARY ANN LASKOWSKI

#### SIGNS OF SPRING

All the excitement of spring's grand entrance has come to its full-... Each thing in this column this week has to do with some evidence of spring.

#### EASTER VACATION

The first of these evidences is our Easter Vacation which starts at the beginning of school on March 28. We have until April 4 to rest and finish all the things that are planned for this vacation.

#### ST. PATRICK'S

For those who had forgotten that Friday was the day for "the wearing of the green," a glimpse of their classmates was a quick awakening. Most of the students wore some shade of green even if it wasn't "Kelly Green."

While passing in the halls small squabbles were heard about who St. Patrick really belonged to and why there were some Welsh who wore orange that day.

All in all everyone was happy.

#### BASEBALL CONSENT SLIPS

Baseball is a sure sign of Spring. Those who are planning to try out have received Parent Consent Slips which must be signed before they can start practice.

#### HEART FUND

All around the school are red plastic hearts, placed so that those who wish to contribute to the Heart Fund may do so.

#### LETTERMEN

The Lettermen's Club enjoyed an interesting day at Penn State University on Saturday. These boys went to see the State Wrestling Finals.

The bus left Lehman School at 7 Saturday morning and around 11:30 they arrived at Penn State. The semi-finals started at 2 and the finals at 7:30. The boys left for home at 10.

Most of the coaches went along. The Lettermen's Club paid for the trip.

#### INSURANCE

Those who drive to school to participate in extra-activities can now be covered by school insurance. Application blanks can be obtained from the office.

To be covered you must have application approved by Mr. Squier, Mr. Belles, or Mr. Marchakitus.

#### TERM PAPERS

Seniors and Juniors have been frantically working to meet the deadlines set for term-papers. It seems as though the time has flown since assignments were made around the first of the year.

As the days pass so we are progressing toward the end of another school year.

#### Teen Age Party

Teen Age Class of the Mooretown Assembly of God Church held its class party at the Church Hall last Friday evening. The main event of the evening was the making of home made ice cream by the teen agers. Games were played and refreshments enjoyed. Mrs. Burton Schell would like to invite all teen agers in the community to come and worship with her class in Sunday school.

## WESTMORELAND High School News

The Samuels Twins, Karen and Sharon

### Honored By Rotary

CLAUDE SORBER

Dallas Rotary Club designated Claude Sorber, senior at Lake-Lehman Schools, as Boy of the Month March 9 at the dinner meeting at Irem Country Club.

Sorber is son of Mr. and Mrs. Robert Sorber, of Sorber Mountain. Taking the Academic course, he plans to work for a year after graduation in June, then resume studies leading toward a civil engineering degree.

School activities include: football, three years; wrestling, four years; baseball, three years; rifle club president; participation in junior and senior plays.

#### Attend Study Council

Attending the annual Pennsylvania School Study Council at State University yesterday were five educators from Lake-Lehman: Lester Squier, supervising principal; Anthony Marchakitus, high school principal; Walter Chamberlain, Michael Adams, and Paul Crocket, school directors.

#### On Grand Jury

Among 24 names drawn for a Grand Jury session to begin April 17, is that of Marion Thomas, Spring Street, Dallas.

Read The Post Classified

this year. Nothing could be finer.

#### ST. PATRICK'S DANCE

The seniors sponsored a St. Patrick's Dance Friday, March 17, in the High School gym from 7:30 to 10:30 p. m. The gym was decorated with many balloons and symbols of St. Patrick's Day. Many wore articles of clothing in the traditional green. We were entertained by special guests named the "Frigid Five" and the evening was enjoyed by all who attended. One who attended, the president of the class, had us all in stitches with his imitations of Jerry Lewis.

#### Key Cub News

##### HIGH SCHOOL MATH. TEST

Just recently five members of the Westmoreland Key Club took the annual High School Mathematics Test, sponsored by the Mathematical Association of America. This test was taken by high school students throughout the United States and Canada. On Tuesday, March 7, Mrs. Prothero, who teaches plane geometry, solid geometry, and trigonometry at Westmoreland, supervised the testing during its 80 minute limit. Dale Mosier, Treasurer of the Key Club, came out on top. Second and third, respectively, were Key Clubbers, George Jacobs and Charles Malkemes. Of the ten who took the test these three names will be submitted for national competition. Other members participating were Joseph Hoeg and Jon Butler.

Several Key Clubbers are to be in the Junior Class Play which will be presented April 14. The play this year is entitled "Dear Dairy." Participating in the program are Robert Peterson as the father, John Maxwell, Dale Mosier and the son, Wilbur Maxwell; and Barry Slocum as boy friend Marvin.

The deadline for School News in The Dallas Post is Monday at noon.

#### CONTEST RESULTS

In the "foul shooting" contest at Wyoming Seminary on March 15, Annabelle Ambrose came in 4th; and our team—Marilyn Eck, Nancy Harris and Annabelle Ambrose, won third place for the trophy, in competition with twenty other teams. Nice going, girls!

#### STUDENT TEACHERS

Student teachers who have been working with our regular teachers the past several weeks are leaving us to resume their classes. We hope they have gained much experience and that Westmoreland students did not give them too hard a time. Thanks a lot to all who taught us. It was a good experience for us, too.

#### MISCELLANEOUS NEWS

We are to receive an extra day of vacation over Easter. Our holiday will begin on Wednesday, March 29, through the weekend until Tuesday.

A movie film was recently shown to the student body through the courtesy of the Bell Telephone Company. The film, which was titled "Genetics" was presented by Mr. Roan.

#### DATE CHANGE

The date of graduation for the seniors has been changed from June 13 to June 12. We have hopes of having Commencement in the new high school. If this is not possible, it will be held at the Country Club.

#### NEWS OF POST GRADUATES

We hear that Ruth Ann Alt has received her Beautician's License and is planning to open a shop in her home. Ruth Ann was in the 1960 class at Westmoreland. Good business to you, Ruth Ann!

#### BAND CONCERT

Annual Spring Band Concert will be held at Westmoreland auditorium, tomorrow, at 8 p. m. Admission to be 50c or with a Patron's ticket. Many selections will be given by Junior and Senior bands under the direction of Mr. Lester Lewis. The majorettes will present twirling routines and will be in full uniform. We hope everyone will give us their support.

#### ROD AND GUN CLUB

On March 13, Mr. Yoder, district fish warden, showed a slide lecture entitled The Fish Warden in Pennsylvania to the Rod and Gun Club. It included the history of the fish warden and the physical and mental requirements. The prospective warden goes to a school and then has on-the-job training, plus a first aid course. Fish Wardens assist other game divisions and the State Police. The warden is on call 24 hours a day, 7 days a week, and his week averages 60 hours. After the lecture Mr. Yoder explained a 100 year old tip-up he brought the last time he was here. Tom Bozek, Secretary of the Club, said it was an interesting lecture.

We also have news that Rick Rudy has been on the Dean's list several times since attending Indiana Tech. Institute. Rick will graduate this summer from college. Nice going, Rick!

Bonnie Jenkins has made the Dean's list at Wilkes College again

#### Lonesome?

Treat yourself to a Long Distance Call—Tonight

Why be lonesome because a loved one is far away. Just pick up the telephone and call long distance. Economical long distance calls are the fashionable way to keep in touch. Next time you feel in need of a personal contact with that someone far away... enjoy it by long distance telephone.

## This Week AT THE COLLEGE

JEAN DRAPIEWSKI

Back in harness once more, I would like to thank Joan Gettler for pinch-hitting for me last week while I was in New Jersey with the basketball team. We played our last games of the season against St. Elizabeth's and Caldwell. Most of the Highlanders would like to forget the St. Elizabeth's game. Nothing seemed to go right. Passes were off the mark; shots at the basket were seldom accurate. Well, as they always say, "That's the way the ball bounces."

Sunday at Caldwell spirits were much higher. Passes once more found their mark, and baskets were abundant. Esther Burke of Elizabeth, N. J., and Emma Engler of Trucksville, senior co-captains, played their last collegiate game and did a fine job. Emma had 22 points in the 63-45 victory. Record for the season: 8 wins and 3 losses.

No matter what the outcome of the games, the Highlanders always look forward to weekend trips. The team stayed at St. Elizabeth's Saturday night and were treated royally. The college girls down Jersey way are just as cordial and friendly to guests as we at Misericordia aim to be.

The winter sports rush may be by-gones, but there will be plenty of activity to keep every Misericordian extremely busy. The past week set the pattern...

St. Patrick's Day came to Misericordia decked out in shamrocks and green carnations. Students greeted March 17 with a variety show sponsored by the Mission Club. In the afternoon nearly all resident students boarded buses, suitcases in hands, and headed for home. Certainly a welcome weekend after quarterly exams, completed during

the preceding week. On Sunday evening, March 19, the Literary Club sponsored a presentation of original campus writing. Original essays, poems, and short stories written by talented Misericordians were read by their authors. During these readings in Regina Hall Espresso coffee was served.

Mr. William Whitehead's organ concert on Monday evening was a wonderful way to observe the Lenten season. As we listened to Mr. Whitehead's interpretations of Bach's beautiful music, we were glad that he became interested in serious organ literature during high-school.

Friday brings the Annual Reading Conference to Misericordia's campus. Inspiration is always the theme when these nationally known scholars such as Dr. Mary Austin of Harvard University come to Misericordia.

The "4 College Concert" of the combined glee clubs of Marywood, King's, University of Scranton, and Misericordia will be presented Saturday evening, March 25, at Irem Temple in Wilkes-Barre. A highlight of the concert will be selections played by the Misericordia-King's Symphonette under the direction of Mr. Martin Friedman, of both Misericordia's and Wilkes' music departments.

#### In The Caribbean

Two Back Mountain boys are in the Caribbean aboard the heavy Cruiser USS Newport News. They are: Arthur E. Snyder, son of Mr. and Mrs. Walter L. Snyder, Hillside Road; and John R. Sperl, son of Mrs. Frances M. Sperl, Shavertown. The young seamen will visit Jamaica and Puerto Rico while on maneuvers.

Here's good savings news from

**WYOMING NATIONAL BANK**  
**Every Day**

**Interest builds savings faster!**

"Every Day Interest" means your savings earn interest every day—from day of deposit to day of withdrawal.

#### IT ALL ADDS UP...

there's no loss of interest on money withdrawn during quarter. Interest is earned on every dollar from the day of deposit to the day of withdrawal... on savings account balances for \$5 to \$100,000... provided the account remains open to the end of the quarter. Interest, at the annual rate of 3%, is compounded and credited every three months.

33 grace days in each quarter. Money you deposit during the first ten days of each month earns interest from the first day of the month plus a three-day grace period for withdrawal at the end of each quarter.

**OTHER SAVINGS ACCOUNTS**  
With many other savings accounts, you lose interest on money you withdraw in the middle of an interest period. In fact, you lose all the interest it has earned since the beginning of the period.

**WYOMING NATIONAL SAVINGS ACCOUNTS**  
At Wyoming National, as long as there's a balance in your account at the end of the period, you get full interest on your savings every day... yes, right from the day of deposit to day of withdrawal.
