

This Week AT THE COLLEGE

JEAN DRAPIEWSKI

What does Easter mean? To young children and even to those who are young at heart, it means brightly colored eggs, chocolate Easter bunnies, mounds of jelly beans, and gaily decorated stuffed animals, all shapes and sizes. Parents may see it in a somewhat different light. To them it often means the joy of having the family together to celebrate this festive day. To grandparents it is the happy thoughts of receiving flowers from their loved ones. And finally, to all it is the gathering of friends and families in homes across the countryside to celebrate Easter in their own traditional way.

To us at Misericordia it means a transition from the heavy warm woollens to the light airy cottons, from the snow covered mountains to

the flower patched groves, from the drab, bitter days of winter to the warm, glowing days of Spring, and from the jumping sport of basketball to the swinging sport of softball. Yes, the appearance of the campus and the activities there take on a new aspect when Misericordians return from vacation.

It need not be said that Easter means more than all of these things—the Easter baskets crammed with candy, the stylish new hat, the corages. Everything belonging to the season is subordinate to the reason for the day's existence. There would be no Easter if there had been no Resurrection over 1900 years ago. What more fitting way to welcome the glorious season of Spring?

Residents of Back Mountain, best wishes for a very joyous Easter.

Knecht, Barry Slocum, Marlon Rimple, Glenda Williams, Sally Moyer, Susan Dorrance, Elfriede Heft, George Apaliski, Carol Spare, and Donna Rishell. The play, entitled "Dear Diary" is under the supervision of Mr. Molley assisted by the student director, Dorothy Eck.

Lehman Lettermen Will Operate Parry Service Station For A Day

On Saturday, April 22, the Lake-Lehman Letterman's Club will hold its annual Gas Station Day at Parry's Gulf Station on Dallas Highway.

Faculty members and athletes will turn out in coveralls and work clothes to take over the operation of the service station for a period of

sixteen hours, 7 A.M. to 11 P.M. These operations will consist of washing cars; pumping gas, lubricating tires; checking oil; checking tires; batteries; and fan belts; and cleaning windshields. Parry's regular trained staff of mechanics will attend to the lubrications and all other technically

EXCITING TIME

For all those Back Mountain fans of Nanticoke, this past weekend was a most exciting one. The Nans really gave each viewer something to watch.

I had the privilege of being at Harrisburg to see the game on Saturday. The Nanticoke fans really showed their spirit.

Following the game the Square in Nanticoke was jammed with happy shouting students. There were horns blowing, girls and boys letting off their excitement. All this goes along with the honor that the Rams have earned.

Sunday's parade through town was terrific. The fans really showed their appreciation to their champions.

Congratulations to the Pennsylvania State Basketball Champions, the Nanticoke Rams.

CHORAL CONCERT
Lake-Lehman Choruses will present their concert on April 14 at 8:15 p. m. under the direction of Bernard J. Gerrity.

The Junior Choruses are not combined, therefore, Lake and Lehman each will have its own selection.

The Senior Chorus will be combined and have various ensembles. Each selection will have a different accompanist.

The program includes spirituals, humor and seasonal songs. The accompanists playing solos are Larry Carpenter, Dean and Gloria Long and Mary Ann Laskowski.

BAND

The students who are going to attend District Band are Larry Carpenter, trumpet; Renald Davenport, saxophone; Tim Swanson, trombone; Sharon Coombs, alto clarinet; Ronnalee Stapaniski, bass clarinet; Beverly Lord, baritone saxophone. Bev not only made out very well

in the Districts last year, but was chosen to attend State Band. We wish all those selected good luck and hope they have fun.

STUDENT TEACHERS

Last Wednesday was slightly a sad day. Our student teachers left us to go back and finish their college education. The students had grown accustomed to their friendly faces.

We hope they enjoyed their stay as much as we enjoyed having them.

EASTER VACATION

This season brings sadness to the Christian. It brings to mind the pain which our Redeemer suffered. As the week progresses, let us remember what Christ did for us on the cross. Are you honestly thankful for this? If you are, why not attend the church of your choice this Sunday? Happy Easter.

COMING ATTRACTIONS

April 7th is a busy day. The Junior class of Lake Building is presenting its play that evening. The cast and plot will be reported later.

Also on this day Gloria Long and Mike Yurko leave for the F. T. A. Convention near Camp Hill.

A big day is in store.

Key Club Convention

Westmoreland High School Key Club is sending fourteen members to represent them at the annual Pennsylvania Key Club Convention. The proceedings will be held this year in Reading, on April 14, 15, and 16. Key Clubs from high schools all over the State will attend. Meetings, contests, and other social affairs are held at each annual convention.

Attending are Harold Hisslop, who will enter the oratorical contest, and Lewis Chere, who is entering the essay contest. Also, the newly elected and present officers will represent the local Key Club in the various meetings. Reserve representatives are also being sent. George McCutcheon and Robert Dolbear are supervising the boys.

In conjunction with the convention, the Key Club is entering Robert Letts as a candidate for Lieutenant-Governor of Pennsylvania.

Through the knowledge and understanding gained as a result of the convention these boys will be able to better carry on their duties as Key Clubbers.

March of Dimes Bake Sale

On February 11, parents of Westmoreland Key Clubbers and Keyettes donated bake goods for the March of Dimes bake sale held in front of DeRemer's Television Store in Trucksville. They succeeded in raising forty-three dollars.

Joe Houlette and Ruth Miller, who headed the bake sale, received certificates of appreciation for a job well done.

Holstein Breeders Institutes Popular

BY CHARLES HEMENWAY

A series of meetings known as Breeders Institutes sponsored by the Pennsylvania Holstein Association whose president is William L. Conyngham of Hillside Farms has been going on this week starting at Meadville, then to Greensburg, Hollidaysburg, Chambersburg, Lewisburg, North Orwell and Reading.

This is not a new idea, but new for Pennsylvania, and it has taken hold! Beyond the fondest hopes of the men behind the project.

It was the writer's privilege to attend the meeting at North Orwell where more than 200 interested breeders listened attentively to James Lewis, a noted judge and breeder from Hamilton, Ohio, Dr. John McKendrick, also from Ohio and also a very popular judge and a breeder of Brown Swiss cattle, a herd that enjoys the honor of having 56 excellent and 11 very good animals and having a very high production record.

Another speaker was Dr. W. E. Peterson who served his native Minnesota for forty years in the University of Minnesota in the Research Department in matters of milk lactation as it relates to management.

The series of meetings was a back-to-school-session tailored to busy dairymen and reaching over 1,000 men and women from all parts of the State—and I am sure that the reception given with this first series will insure a repeat performance.

Edward R. Morrow, Director of the U. S. Information Agency:

"I think this country has people with marvelous skills in communications, it will be my task to mobilize them."

difficult tasks.

The same group of faculty members which made basketball history a month ago, by defeating the Lettermen in a donkey-basketball game, will act as co-ordinators for this event.

Sheriff Marchakitus will have the following energetic crew members ready: Buck Rash, Matt Davenport, Hopalong Nuss, John "Ringo" Millauskas, Sugarfoot Zaleskas, Slim Edwards, Shotgun Kanyuck, Tex Longmore, George "Klondike" Stolarick, Spider Oberst, Black Mark, Marshal Belles, and Blackskin John Silder.

Club president, Jack Donnelly, has appointed Dick Disque in charge of the car laundry. Young Disque attracted considerable attention last

year when his crew set a new record in the Back Mountain Area for car washing. Ed Newell will again handle the hub cap department; Bill Norwig will serve as inside man; and Bob Rogers will be broken in as a window man. A new record should be established with this excellent crew.

Pete Rittenhouse has been selected to command all grease guns. He has chosen Joe Smith and Lee Lord to act in the capacity of grease packers and Alex Wilson and Tom Evans as grease wipers. Fred Schultz will be in charge of placing new lubrication stickers in the automobiles; he will be assisted by Richard McKee.

A gas duel is sure to take place between Ben Rusiloski's champion Pumpers on island number one and John Landis's second place gasers of

island number two. Rusiloski's Pumpers: Craig Houlston, Don Watson, Claude Sorber, John Honeywell, and Bob MacDaniels served on the championship crew last year. Landis's Gasers will be strengthened by the addition of Stan Rusiloski, Barry Woodling, Bob Rinken, Jay Ruckel, and Bob Gray. The Pumpers won the club trophy last year by six gallons of high test.

A need for under-the-hood inspectors was apparent last year; therefore, President Donnelly has appointed the following club members to act in this capacity: Stanley Palmer, oil inspector; Bob Traver, battery inspector; and Bill Morris, fan belt inspector. Don Anesi will inspect the inspectors and he will also open and shut all hoods.

Ed Ladamus will handle the public address system. Customers can expect to hear the latest weather, sports, and news reports as their cars are attended to. Ed will also entertain his captive audience with selected western songs.

The Lake-Lehman Letterman's Club is composed of the school's letter winners. All financial returns from this undertaking will be used to provide club sweaters, trips, and special athletic equipment. Community support in all past endeavors has been deeply appreciated by the boys and their advisors.

Club members are now actively engaged in a ticket sales campaign. For Williams is ticket chairman at the Lake School and Bill Norwig at the Lehman Schools.

EASTER

There falls a glorious spirit over the land as we observe the Easter season. Age old, yet ever new each passing year, loved hallelujahs sung by some angelic choirs, ring out with melodies quite beautiful and clear. Everyone joins in the rejoicing through to greet the Christ as Risen again. Spring has arrived and the earth is awakening in all its splendid glory of nature. New hopes and renewed faith dwell within our hearts as we observe this holy of all seasons.

May this Easter time bring many blessings and much happiness to everyone.

WHAT'S UP

We hear the gals are out to get the guys. A week Saturday, "Sports Night", April 8th, will be a special night for the champion basketball teams of the school. The girls varsity team will play the boys varsity team and we have our guess as to who will be the champs. The fellows will play at a disadvantage, wearing boxing gloves. At any rate we hope everyone shows up to see them. It's going to be fun.

FUTURE CHAMPS

Another event planned for Sports Night will be basketball exhibitions. By what we hope to be, our future champions a few years from now.

We know that the boys' 4th, 5th, and 6th grade basketball teams of Dallas Borough and Township schools, are getting in shape to compete with the boys' basketball teams of Shavertown and Trucksville grade schools, who have also been hard at work practicing. These games should prove to be exciting and very entertaining with the small fry Junior basketball kids showing us their skill. Come out and support them. It's good for their morale and good for sports.

EASTER RECESS

We have six full days of Easter Vacation, including the weekend, which all of us will enjoy after such a long winter of cold and snow. We hope the weather will be fair and that we will have some spring days for our holiday. Take advantage of this time off, for the rest of the school term proves to be very busy and full of special events, including final exams. Lots of studying in store for us all. "Happy holiday, folks."

Junior Play

Mr. Molley, Junior Class Advisor, recently selected the cast of the Junior Play, with the assistance of Miss Comstock, student teacher from Misericordia. The following people were chosen: Bob Peterson, Dale Mosier, Judy Williams, Maryalice
