

DOUBTFUL when her cat died.
 Joe—Oh, I guess your rich aunt will remember you. You made a big hit with her by going into mourning.
 Jim—True, but listen; now the other relatives accuse me of poisoning the cat to get the opportunity.

On Tournament Team
 Clark Mosier, former Westmoreland star basketball player, was the only sophomore college player to be selected for the All-Tournament Team which played during the Christmas holidays at Upsala.
 Mosier, son of Mr. and Mrs. Sheldon Mosier, Dallas Township, is a sophomore at Susquehanna University. The meet at Upsala was the first Middle Atlantic Conference for small colleges with B B teams. Clark was high scorer.
 After graduating from Westmoreland High School in 1958, Mosier attended Hargrave Military Academy for one year, playing on its basketball team and in the band.
 At Susquehanna during his freshman year, he was described by Coach John Barr as the "ace dribbler" on the team.

It Pays To Advertise
 An advertisement in the Dallas Post solved the mystery of disappearance of a small puppy, allayed anxiety on the question of survival during frigid weather, and brought a small boy lasting happiness.
 Mrs. William Valentine of Meeker lost a puppy. A man from Orange passed a swamp on Route 115, spotted the shivering puppy, and took him home to his little boy, who had just lost his own dog. Pup and boy fell in love.
 Then the ad in the Dallas Post. Clearly, the puppy could not be kept. But maybe it could. . . just maybe, Mrs. Valentine might see that here was a meeting of hearts. The puppy, wearing a new collar and leash, and the little boy swept and garnished, stated their case to Mrs. Valentine.
 Happy ending for everybody.
