

TO THE VOTERS OF DALLAS TOWNSHIP:

I would appreciate it if you will bear with me a few moments and see if you recognize anything familiar. Gibbon, in his "Rise and Fall Of The Roman Empire, completed about 175 years ago listed five reasons for Rome's end:

1. The rapid increase in divorce, the undermining of the dignity and sanctity of the home which is the basis of human society,
2. Higher and higher taxes, the spending of public money for free bread and circuses
3. The mad craze for pleasure; sports becoming every year more exciting and brutal,
4. The building of gigantic armaments, when the real enemy was within. The decadence of the people.
5. The decay of religion, the fading of faith, losing touch with life and ability to guide the people.

Oren Arnold some time ago said—"Man can never have self respect until he gets out of a warfare world and welfare state."

What am I getting at?

I think that you will agree that nationally, we are on "the skids". We have lost not only much of our self respect but that of the rest of the community of nations.

We can only get back on top through leadership, coupled with sound government. It would seem that the rapid growth and improvement of television, radio and news coverage would stimulate voting to unprecedented high levels. Just the opposite is true.

In the McKinley-Bryan election of 1896, over 80% of the qualified voters turned out to cast their ballot. In the Wilson-Hughes battle of 1916, 71% of the eligible voters cast their ballot. In the Truman-Dewey showdown, only 51% voted. And so it goes.

The reason? An indifferent electorate, of course.

Sound government begins at home.

In a few days you will be called upon to nominate a new township supervisor, one of three men in whom you have placed enough trust and faith to administer your government at the local level. These men are vested with the authority to run the affairs of your township or community, to manage the road and police department, to tax and to spend your tax dollar.

It behooves you to consider, in this connection the qualifications and past service of the candidates.

For the past year and a half I have enjoyed the pleasure of working with a man I think best qualified of the several candidates for the office of Township Supervisor of Dallas Township. A man who has given of himself and his experience, one who has saved the taxpayers many dollars, a man who, regardless of self or convenience has hustled the road crew out at all hours of the day and night while the rest of us were snug in bed to keep open the roads in all kinds of weather so that we could get out to work in the mornings, or get home at night. A man with whom, altho I do not always agree, nevertheless merits the respect of all the citizens on account of his dedication to his duties and the rights and welfare of the residents of the community.

I Refer To

FRED LAMOREAUX
FOR SUPERVISOR

who has in the past served so splendidly in the capacity to which he again aspires.

I should like to be privileged to Strongly recommend that you consider FRED LAMOREAUX when you go to the polls next week to elect a township supervisor.

Let us continue to keep the affairs of Dallas Township at the peak of efficiency, and for which it is respected.

Respectfully Yours,
Your Township Secretary,
William (Bill) Krimmel.

Beaumont Tops Harding 19-3

Beaumont, last season's Bi-County champions, opened the season Sunday with an easy 19-3 victory over Harding.

Despite the blustery weather the Beaumont bats were rattling base hits all over the lot, collecting 19 safeties, while Harding could collect but six off the offerings of three Beaumont hurlers.

Mel Crispell was the batting star in the opener as he went five for five at the plate, batting in the clean-up spot. Gene Brobst and Dick Searfoss also chipped in with three safeties and Larry Crispell two.

Cook started on the hill for Beaumont but was relieved by Larry Crispell due to the cold weather and Larry in turn was relieved by his brother Mel who mopped up.

Beaumont will play host to Forkston Sunday on the Beaumont diamond at 2:00 p. m.
