Citizens Committee For Better Schools May 17

Richard Demmy, chairman of the Citizens Committee for Better Schools announces that the next meeting will take place Wednesday, May 17, at 8:30 p.m. at the Dallas Borough School. With the assistance of Dr. Robert Mellman, a graphic presentation for the study of the recently adopted school budget, will be offered. The Study Committee under the chairmanship of Charles Glawe includes Hanford Eckman, George Payne, Paul Rodda, and William Clewell representing the School Board.

Mt. Zion

Signs of spring are both in the ground and in the air. For instance, down on Kitchen Town Hill, Ray Thomas and family had a couple of kites in the air; one is still up there, caught in a tree! That is spring!

And on the ground Cleve LaBar has green peas and onions up. Ours aren't even in the ground yet!

Pfc. Eugene LaBar of the U. S. Marines is home on a 17-day leave. Finally arrived home at 2 o'clock Sunday morning. Always good to see "our Marine" home to his native hills.

Dorothy Gilbert has been busy with speaking engagements around about since coming home from Philadelphia. Has spoken at Simpson Church, Scranton and at the Hawley Methodist Church. For the Hawley service all four of us Gilberts were invited to supper at the Silver Birches on beautiful Wallenpaupack at the home of Mr. and Mrs. Gerald Ehrhardt. Mrs. Ehrhardt is the daughter of Mr. and Mrs. Henry Ferris of Lake Ariel.

Last Friday Dorothy went with me to visit Pitston Hospital while I made my rounds as chaplain. Then she went with me to the Convalescent Home at Ransom and spoke briefly to the gathering there. She and I sang a duet. The residents had long wished I could bring her with me sometime. That was a high day in America for we heard on the radio just as we pulled into the Home parking place that Alan Shepherd had finally been launched into space. And while in the Home we got it over the TV that he had been safely returned to terra firma!

After that I took Dorothy on over the hill to Clarks Summit where she addressed a joint meeting of Clarks Green and Clarks Summit W.S.C.S. women.

On Thursday night last week Dorothy spoke over at Honesdale Methodist Church. And Sunday morning at Troop Church and Sunday School. It is amazing how much more interested people young and old are in Africa during this past year.

We have at Mt. Zion a young mother who is doing a unique piece of service. She is Mrs. Leon Emanuel (lives just down the road a piece) and has been studying Braille system of reading for the blind. She told about it at the meeting Tuesday night at the Mt. Zion W.S.C.S. She is studying under Mrs. Kenneth Baylis of Dallas, and after completing the fundamentals she will be required to submit a written manuscript in Braille to the Library of Congress. If this test is accepted she will be certified as a Braille list. Then she will do work for the blind such as transcribing reading matter for students in the Braille system.

Last weekend Nettie Parrish and Mary Louise Lewis were visiting Mr. and Mrs. Lloyd Drakes at Pottstown.

Mr. and Mrs. Norman Lewis spent last weekend visiting their son-in-law and daughter, Mr. and Mrs. Clayton Kinsey in North Carolina.

Mr. and Mrs. William Bell, Jr., will be visiting on the weekend of May 13 their son, Cadet William (Jake) Bell III, at Pennsylvania Military College at Chester. Cadet Bell is a freshman and this visit of his parents is arranged by the college signaling Mother's Day weekend.

The Rev. and Mrs. Ralph Weatherly, he was formerly rector of Grace Episcopal in Kingston and now living at Mt. Zion, attended sessions of the 90th annual convention of the Diocese of Bethlehem recently held in the Church of the Good Shepherd in Scranton. Mrs. Weatherly is currently chairman of Personnel of the Episcopal Church Women. Her special interest has been in acquainting young women with all the possibilities in the field of Christian vocations.

Lynn Tallmage from Glen Ridge, N. J., recently visited her grandparents, Rev. and Mrs. Ralph Weatherly. It should be known that the Weatherly home is known as Happy Hill, most appropriate for the sweeping panorama seen from their picture window overlooking Mt. Zion and Bald Mountain beyond.

Visiting the Weatherlys at the same time as their granddaughter was Mrs. Burke Pierce of Morris-town, N. J. She is the Director of Religious Education in Trinity Episcopal Church there.

The Exeter Township Elementary School seventh and eighth grades will be taking a field trip on Friday, May 12, to area industrial plants among which is the Swannee Paper Company at Ransom.

On Saturday, May 13, the Exeter PTA group is sponsoring a Spring Carnival at the Harding Hose House at 2 p. m. Booths, bake goods, novelty stands, fish pond, etc., will be featured. Mrs. William Alling is the president.
