#### CONGRATULATIONS

Larry Carpenter and Sharon Coombs were chosen to represent our school at State Band, Twin Valley High School, which is near Reading.

The conference will be held May 11, 12, and 13. We are proud of these musicians.

#### BASEBALL

Again the squad did a fine job and came up with another win. The Newport team lost by only one run, score, 4 to 3.

Last Thursday we met our first defeat of the season. The boys did play a fine game but the Nanticoke team came up with a 4 to 2 win.

On May 3 the team had their picture taken at the Lake Building.

#### GRADUATION AWARDS

The top four students of the two Senior classes have been announced. The two top are Jaqueline Ruff, Lake Building and John Landis, Lehman Building. In second place are Donna Meeker, Lake, and Sandra

Slimak, Lehman.

These awards were based on the last three years work, using the Standard Deviation Fraction for all subjects.

#### STUDENT COUNCIL ELECTIONS

Three candidates for President of Student Council, Lake Building were Kay Williams, Bill Morse and Stanley Palmer. A vigorous campaign was put on by all three. Slogans were typed and distributed, signs were made and all out campaign pressure put on.

After the votes were in, Stanley Palmer was announced President of the Student Council for the year 1961-62.

#### WASHINGTON TRIP

Yesterday morning, Seniors left at 6:30 for their three day Washington trip. Five chaperons went with them.

Wednesday they were to have visited the Capitol in Harrisburg, the Educational Building, have lunch in the Plantation Room of the Pen-

Harris Hotel and the Gettysburg Battle Field. They were to arrive in Washington between 5:00 and 5:30, where dinner would be served. Following dinner they will go to Glen Echo Amusement Park.

Today was another busy day for the Seniors. The highlights of today were Bureau of Printing and Engraving, the U.S. Capitol, the White House, the Lincoln Memorial. Two Jim Memorial, the Arlington Cemetery, Mount Vernon and the National Airport. After dinner at the Hotel, they were to take a cruise on the Potomac.

Tomorrow will be the last day on their long awaited trip. They will visit the Washington Monument, Smithsonian Institute, Franciscan Monastery, the F.B.I. Building and the Zoo. After leaving Washington, they will have dinner at Francis Scott Key Hotel in Frederick, Maryland and stop at the Dutch Pantry before arriving at Lake-Lehman Friday night.

#### FUND DRIVE

A door to door campaign is being put on by members of our band for the New York trip. The drive will start this week and continue until June. When a band member knocks at your door, give. The whole band is working hard to participate in both concert and marching band competition. We need the money to get there!

#### This Week

### AT THE COLLEGE

JEAN DRAPIEWSKI

In just two short weeks the 1960-61 school year will be a memory to Misericordians. Many thoughts of four years on our campus will flash through the minds of the Class of '61 as they don academic attire for the last time as collegians and march down the aisle of Irem Temple in solemn dignity to be graduated. Memories of many activities, long hard hours spent in trying to gain supremacy over the books, happy leisure hours spent in conversation with friends will assume a misty haze of unreality. In the meantime underclassmen are doing their best to make these last days as pleasant as possible for the seniors.

Many departments and clubs are sponsoring dinners in honor of the departing upperclassmen. The Math Club held a dinner on May 9. Today the International Relations Club will do likewise. The Biology Club had its farewell dinner for seniors of the department last night.

Because today is Ascension Thursday, there are no classes at Misericordia. But that doesn't mean that worthwhile activity stops. Members of the Sodality will take children from St. Stanislaus Institute to Angela Park for a picnic this afternoon. This evening at eight students and residents of Wyoming Valley will be treated to a concert by the Paulist Choristers of New York at Irem Temple.

Everyone is looking forward to the annual poetry reading contest

##### MOTHER'S DAY

A Mother's Love! What can compare with it? Of all things on earth, it comes nearest to divine love in heaven.

A Mother's Love means a life's devotion—and sometimes a life's sacrifice—with but one thought, one hope and one feeling. Her sole wish is that her children may do their part as men and women; that they will, when dark hours come, trust in providence to give them strength, patience and courage to be brave.

As your reporters, we extend to all Mothers of our classmates, a truly "Happy Mothers' Day".

### WHY Pay More Than You Have To for AUTO Insurance?

If you're a good driver, we SAVE YOU MONEY!

Should a skillful, law-abiding, courteous driver with a clean accident-free record pay the same rate for auto insurance as the less competent motorist? Of course not. The GOOD driver deserves LOWER

insurance rates, since he makes such an important contribution to highway safety. We GIVE these low rates to drivers (men and women) who qualify for them.

Consideration is given to a driver's age, annual mileage, use of car (pleasure or business), accident-free record and other factors. If you are one of the driving elite, cash in on it by saving many dollars on auto insurance.

Without obligation, we'll gladly tell you whether you qualify for the special rates.
