Bowling News

By DORIS MALLIN

This was a week of festivity! Banquets and more banquets! Poor Tony and Helen are just about exhausted, along with quite a few others who have attended several. There seems to be no end to activities. Banquet time is also tournament time and between them, there is hardly time to breathe. Relax! It'll all be over soon.

Williamsport's Faxon Lanes wound up its tournament Sunday night, W.I.B.C. City Tournament finished the season Monday night at Publiick's and Sacred Heart and one at Jimmy's Central Lanes ended last week.

Some local people placed in some of the competition; I will try to have full particulars next week.

Now for the Proprietors' Tournament! All local leagues will be well-represented and I hope they all bring home honors.

How about number 043881? Do you have it? Congratulations! You have won a new Black Beauty Bowling Ball. Go to Tony Bonomo at Crown Imperial Lanes and claim your prize!

George Shupp League Ends Third Season

George Shupp League completed a successful season with its third annual banquet at Continental Inn last Monday and proprietors' roll-off this week.

Herm Kern acted as toastmaster of the festivities. Rev. Francis Brennan, St. Therese's, gave the invocation and Rev. J. Edwin Lintner, Center Moreland Methodist, benediction.

Babe Burke and Tom Conway provided entertainment with many old-time favorites on piano. Merry-makers provided music for dancing.

President Ed Carey presented awards and trophies. Jim Lohman, secretary, announced that among 600 series bowled, Bob Moore posted four—660, 640, and two 610's, Bill Morton is treasurer and Jim Thomas, vice president.

Berti and Sons, championship team, received trophies and ABC patches. Champs were Captain Joe Shemanski; Ben Krajewski, Ron Fielding, George Shupp, Stan Diction and Oak Brace. Mrs. Berti, sponsor, gave each member a gift and the

team presented her with a trophy. Individual awards were given to Bob Moore, 187 average, trophy and patch; Joe Shemanski, 646 series, trophy and cash award; Chet Molley, 266 single, trophy and cash; and Bill Morton, most improved, raising his average from 152 to 165. Bill also received the award last year.

There were no last place trophies presented because of the tie between Crusaders and Lions. These teams, of all things, will roll-off next Monday to determine last place "champs!"

Wreckers and Raiders will represent the league in the proprietors' tournament.

Crown Imperialettes Finish Second Season

Crown Imperialettes League held its annual banquet Saturday night, May 13, at Meneguzzo's, Luzerne, thus ending 1960-61 Bowling Season.

Highlight of the evening was the delightful program put on by "Natasha and Her Dancing Class," alias Ann Kardell, Lila Lozo, Edith Shaffer, Jean Agnew, Charlot Denmon, Marie Ciccarelli, Gloria Grant. The girls did the Charleston and some mighty funny high-stepping in full costume.

Rose Novroski acted as Master of Ceremonies, introducing guests, Tony and Helen Bonomo of Crown Imperial; sponsors, Mr. and Mrs. Henry Goodman; Mr. and Mrs. Joseph Hand; Mr. and Mrs. Charles Snyder; and Doris Mallin.

Officers for coming season were announced: President, Charlot Denmon; vice president, Lillian Trudnak; secretary, Margaret Milne; treasurer, Rose Novroski.

Trophies and awards were given to the following: Goodman Florist, championship team; Delaney Gas, second place; Joe's Men's Shop, last place; Eleanor Moyer, high average, 157; Grace Siedler, high series, 537; Anita Pascavage, high single, 232. Honorable mention went to Jean Agnew with 230 single and Delaney Gas, high total pins, Margaret Milne, secretary, received a bowling bag and Eleanor Hardisky, treas-

urer, a gift of jewelry. Door prizes went to Anita Pascavage, bowling ball; A. Ciccarelli, shoes; Andy Denmon, bag; and Bob Considine, clock.

Merry-makers played for dancing. Members of the league wish to thank Tony Bonomo for the trophies he so graciously gave.

The final word from the tournament at Faxon Lanes assured me of finishing in third place with 688 series in handicap division. First and second place went to Harry Powell, 721, and Gary Ruble, 694, both of Williamsport. Fourth and fifth were Dave Powell, 684, and Carl Brown, 678, also Williamsport. Prizes were awarded to twelve positions, but none were local people. In the scratch division, Marv Miller, Williamsport, took first with 643, and Wendy Rogers, Blossburg, second with 642. There were 166 entries and 32 were from Dallas.

Mercury Motors Champs

Mercury Motors came back to win championship of Community Service League after holding last place throughout second half. Motormen defeated Beseker's Real Estate by 70 pins.

Sekera, Pryor, Stanton, Henderson, Lefko and Austin all took turns putting on the heat.

George Reimiller finished on top for high average rolling over 175½ pins per game while John Bolton recorded 175. Teddy Kostrobala took single high honors with 244 and John Bolton, high series of 646. Mercury Motors won single and series with 971-2675.

Most improved bowlers were Lefko and Henderson, Mercury; Harter, Besekers.

The annual banquet will be at Circle Inn, Monday, June 5th.

Country Girls Dine At Twin Lakes

Country Girls League climaxed a good season with a gala affair at O'Connell's Twin Lakes Saturday night. The new Western Room was put into use for the first time and the atmosphere fit in perfectly with square dancing and dancing girls to music by the "Merry-makers."

Marie Ciccarelli, president, took charge of the program, introducing guests and presenting trophies and awards.

Mr. and Mrs. Tony Bonomo (Helen and Tony) were introduced and Tony thanked the girls for their cooperation and good sportsmanship.

Sponsors present were Pete Ambrose, Circle Inn; proprietors of Plains Blouse; Mr. and Mrs. Edward Humphreys, Jr., Humphreys' Bootery; Wilson Garinger, Dallas Dairy. Natasha and her "Dancing Class" were on hand to give an outstanding performance, including a genuine Charleston number in full costume. Members were Ann Kardell, Marie Ciccarelli, Charlot Denmon, Carol Hadsel, Jean Agnew, Edith Shaffer, Gloria Grant.

Several of the girls and their husbands did a Hawaiian number and Tony did a novelty dance.

Members of championship team, Circle Inn, who received trophies and patches are Annabel Selingo, captain; Margaret Milne, Elaine Saddington, Carol Hadsel and Doris Mallin.

Plains Blouse, first half winner, and second place team, received trophies and each team was presented with a gift. Last place West Side Building teams received trophies.

Individual awards were made to Anita Pascavage, 238 single; Grace Siedler, 160 average; Rose Novroski, high series; and Peggy Poynton, most improved bowler.

Nine Dallas Boys Take N. Y. Trip With Carriers

Taking the New York trip last Thursday with 108 Wilkes-Barre Publishing Company distributors were nine boys from Dallas: James Yarnal, Edwin Raub, Arthur Miller, Ronald Bennie, James Faulls, Charles Fiske, Robert Devlin, Thomas Hudak, and Edward McDade.

They made a jet-propelled trip through United Nations, the New York Port Authority, Times Square, hailed the Statue of Liberty, and came home again by chartered bus.

According to a 1959 American Bankers Ass'n. survey, more banks will use newspapers for their advertising than any other medium—in fact, more than will use TV, radio, and magazine combined.

ANNOUNCING

An extraordinary Value Line Special Situation Report on an overlooked industry group where new developments have stimulated

EXPLOSIVE GROWTH and in which we expect the

STOCKS' EARNINGS TO DOUBLE & TREBLE

The stocks herein brought to light are low-priced, now selling under \$5 or \$10, and they are undervalued in relation to the earning power about to develop.

"Explosive growth" is a phrase not often used by the Value Line organization. Nor is it ever used loosely.

For this overlooked industry-group—whose gross revenues are doubling every 4 or 5 years, the phrase "explosive growth" exactly describes the facts.

Until now, however, certain government policies just recently changed, have had a devastating effect on net profits for companies in this industry. Until now—and not surprisingly—the investment community has therefore virtually ignored this group despite its foreseeable key role in one of the nation's major industries.

But as the investment meaning of new developments becomes increasingly clear, we expect that public interest in these stocks will increase widely.

Should you decide to act upon Value Line's specific recommendations now, we suggest you consider a "package" of these stocks rather than any one of them. (Because most of these issues are low-priced, it is possible to purchase several of them—thus achieving the benefits of diversification—without an unduly large total investment.)

No stock can ever be free of some risk. But it can be said of these stocks that their prospective rewards far outweigh any risks that can be visualized.

GUEST SUBSCRIPTION

In conjunction with a special 4-week Guest Subscription, we will send you a Bonus without additional charge: the 20-page analysis of this long-neglected industry and its stocks, which describes these opportunities in full detail, with specific recommendations for action.

Under this offer, you will also receive, without additional charge, a copy of Arnold Bernhard's new book, "The Evaluation of Common Stocks" (regular \$3.95 clothbound edition published by Simon & Schuster).

And for the special "guest" price of only \$5 you will receive the next 4 Weekly Editions of the Value Line Survey with full page reports on each of 300 additional selected stocks in key industries.
