ARE YOU INTERESTED?

IF you are a person who is thrifty and doesn't think that "keeping up with the Joneses" is the most important thing in life.

IF you and your wife are handy and interested in improving your surroundings.

IF you are interested in an investment that will pay off in comfortable living and profit...

THEN LET ME TELL YOU HONESTLY ABOUT THIS HOME I HAVE FOR SALE.

1. It is not a modern, fancy home.
2. It does not have all the latest improvements.
3. It does need a little paint.

— BUT —

1. It is a solidly built home.
2. The excellent oil heat plant is modern and was installed recently.
3. It is in an excellent neighborhood of fine families.
4. It is an excellent income property because the upstairs has separate kitchen, bath and separate entrance, plus livingroom and bedroom. You could rent this for enough to pay your mortgage payments.

OR: If you have a big family, the upstairs is easily converted into extra bedrooms, TV-room or den. Downstairs has kitchen, bath, living and dining room and 2 bedrooms.

5. It is a beautiful property with lovely old trees, visited by all the wild birds, even in the winter-time.
6. It has a two-car garage, screened-in front porch and storm windows.

SO: If you're interested you can buy this property at a very inexpensive figure because it must be sold to settle an estate.

The home is located in Trucksville on a paved road and the taxes are low.
