You'll look far and wide to find better beef than Lancaster Brand Beef from your Acme Market. The reason is simply this: all Lancaster Beef is cut from young, corn-fed cattle. Naturally then, it's sure to be top quality — superb eating. Acme also has a host of fine Lancaster Brand Cold Cuts and Franks. Acme's Cold Cuts are delivered whole, then freshly sliced and packaged daily for your convenience. Lancaster Brand Franks are all meat — and they're skinless tender and juicy from first bite to last. Visit the Meat Department today, stock up on famous Lancaster Brand Meats, sold only at Acme.

## Beautiful ROYAL ROSE pattern DINNERWARE

Dinnerware of a quality that you would be tempted to save for guests. A pattern previously available only in better department stores and expensive gift shops. The underglaze decoration is a new type of decal operation, the first that Canonsburg Pottery has done. It is underglazed and all the delicate colors are protected for the life of the ware. No detergents can harm the decoration of the glaze. Offered now exclusively at your friendly Acme Markets.
