Horseshoe 4-H Club's 1st Point-To-Point Race

Back Mountain Horseshoe 4-H Club will sponsor a point-to-point race July 15, 2 P.M., at Sterling Farm, Alderson. This will be followed by a sandwich supper at the grove on Orchard Farm, Dallas.

A point-to-point race is one in which contestants are given specified points to which they must ride, choosing their own course so long as they go to each point before finishing.

Contestants will be given maps of the surrounding area before the race. Five points will be marked and the distance will be approxi-

mately four miles. The points may be traveled in any order by pairs of riders beginning at five-minute intervals and they will be timed.

A pair of challenge trophies awarded to the winners, will be presented at the sandwich supper. These trophies must be won for three years by the same persons in order to retire them.

Entry blanks will release the Back Mountain Horseshoe 4-H from all responsibilities.

The purpose of this race is to improve horsemanship in the Back Mountain Area.
