Lehman Township Supervisors are to be complimented on the enactment of an ordinance, to become effective on July 6, prohibiting minors from consuming any liquor, malt or brewed beverages on premises licensed by the Pennsylvania Liquor Control Board. This is a step in the right direction to

reduce the number of our young people who fall victim to the curse of alcoholism. The supervisors should follow through and see that the ordinance is obeyed and really prosecute offenders on both sides of the bar. The supervisors should follow the grand example set by the Lehman Township Supervisors and enact similar ordinances in their township. By so doing they would save their constituents many heartaches.

Sealed bids were opened Tuesday night at Lake-Lehman High School for general construction, plumbing, heating, ventilating and electrical

construction work on Lake Elementary School project at Harveys Lake.

Dawn's condition grew worse on Sunday.

Jackson Township Supervisors are to be complimented on their roadbuilding project. This certainly helps to eliminate the dust nuisance.

Many records have been broken thus far in 1961. Heavy snow, cold winter weather, and now we have the coldest June day on record, with the temperature pretty close to the freezing mark. It looks as if we are going to have two seasons — Winter and July and August.

Laurel on Larksville Mountain Road is out in all its beauty, and even though this State Highway is one of the worst in the county, the beauty of the laurel would make the trip worthwhile.
