After two years in Europe where he earned his way by taking an assortment of jobs, Kenneth Brown, son of Mr. and Mrs. Harry Brown, formerly of Church Street, was in town this week visiting his old schoolmates and their parents. A graduate of Wyoming Seminary, Kenny spent most of his time in Germany and France where he obtained a good knowledge of the languages. He also visited Russia but was unable to visit Moscow because he lacked sufficient cash in pocket. He had enough money for three days but managed to extend it six by changing his dollars into rubles and then back into dollars—at a profit—much to the delight of his traveling companions who were amazed at his daring! Wherever he went he was able to find jobs when cash ran low, but "Sometimes I didn't eat so well".

Larry Quinlan of York, a student at University of Scranton, is spending the July Fourth holiday as guest of Mary Dora Scott and adding to the confusion of a household overrun with young folks and the neighboring younger set.

Two of the most beautiful gardens hereabouts, in bloom from early spring until late fall, are those of Mrs. John Rebenack and her sister-in-law Mrs. Carl Rebenack on the Governor Fine Highway (Route between 118 at Meeker and 29 at Loyaville). Right now Mrs. Carl Rebenack's garden is at its height with glorious colors produced by fox gloves and Shirley poppies, Tulips and iris having exhausted their color, the garden of Mrs. John Rebenack next door will be at its peak again within a few days with sixty varieties of daylilies and clematis. Such gardens don't come easily. Mrs. Rebenack spends all of her time in hers until blueberry season arrives when she helps with the harvest of two acres of the most beautiful berries this side of Paradise. Don't miss either of these flower gardens!

The Civil War holds a lot of fascination for some, but it is the American Revolution that thrills Dr. Charles Perkins when he gets a moment during his busy day to relax "neath the shade of those beautiful trees on Harris Hill Road. You can get away from your troubles at any time by mentioning Braddock, George Washington or Saratoga. Try it some time when he's boring in on your diet, smoking and other bad habits!

Bill Berti doesn't have much time to himself these days—amid handling his regular trucking duties, chasing after ambulance and fire calls, police work and painting his house. Due to his full schedule, his membership in the Coffee Club is suffering!

An early used goods solicitation team that was hard to beat was composed of Mary Smith and Janet Jenkins. They handled the job for a number of years.

From The Barnyard

We welcome to the Back Mountain community Clyde and Oreil Davis who have moved into their new home at 61 Elmcrest Drive, recently purchased from Mr. and Mrs. Lewis Wolfe who have taken an apartment in Wilkes-Barre. We shall miss Lew and his good wife but welcome the new outpost of Percy Brown & Company. Skipper has done a good job.

The whirlybird that has been flying over Dallas is owned by George Horwatt of Goss Manor. It is a Bently Helicopter based at Forty Fort airport when it isn't in his own yard.

Mr. and Mrs. Warren Reed have lost their pet dog of twelve-years, Curleytail, a devoted and loved companion who came to their home as a waif when Janice and Carol were little girls.

ARE YOU INTERESTED?

IF you are a person who is thrifty and doesn't think that "keeping up with the Joneses" is the most important thing in life.

IF you and your wife are handy and interested in improving your surroundings.

IF you are interested in an investment that will pay off in comfortable living and profit . . .

THEN LET ME TELL YOU HONESTLY ABOUT THIS HOME I HAVE FOR SALE.

1. It is not a modern, fancy home.
2. It does not have all the latest improvements.
3. It does need a little paint.

— BUT —

1. It is a solidly built home.
2. The excellent oil heat plant is modern and was installed recently.
3. It is in an excellent neighborhood of fine families.
4. It is an excellent income property because the upstairs has separate kitchen, bath and separate entrance, plus livingroom and bedroom. You could rent this for enough to pay your mortgage payments.
5. It is a beautiful property with lovely old trees, visited by all the wild birds, even in the winter-time.
6. It has a two-car garage, screened-in front porch and storm windows.

OR: If you have a big family, the upstairs is easily converted into extra bedrooms, TV-room or den. Downstairs has kitchen, bath, living and dining room and 2 bedrooms.

SO: If you are interested you can buy this property at a very inexpensive figure because it must be sold to settle an estate.

The home is located in Trucksville on a paved road and the taxes are low.
