If You Can't Go Fishing... Go To Acme
Going fishing is the only way to get seafood fresher than Acme's... because Acme seafood is cleaned and fresh-frozen right on the boat. Not just "put on ice" — good enough for most stores — but deep-frozen minutes after pulled from the sea... to assure real ocean freshness for your table. And you'll find a far greater selection (usually about 50 kinds) at Acme... 12 months out of the year. Just one more reason why more and more women are saying "Meet me at the Acme." REMEMBER: "FROZEN IS FRESHEST"... AND ALL ACME SEAFOOD IS FRESH-FROZEN!
