1600 Model Planes At Willow Grove

Archy Paltrineri, sixteen, son of Mrs. Clara A. Paltrineri, Shavertown, was among more than 1600 entrants in the 1961 National Model Airplane Championship who registered at the Naval Air Station, Willow Grove, Pennsylvania. The meet, sometimes called the "World Series" of model airplane flying, will run through Sunday.

Contestants in the meet, the Third National Championships to be held at the Willow Grove Naval Air Station, range from 6 to 60 years old and come from the 50 states as well as from Canada, Mexico and Peru.

The contestants fly their models in events such as free-flight gas to radio-control, control-line speed, jet and team racing contests. In the Navy carrier events, the modelers fly their gas engine planes off and land aboard the deck of the miniature aircraft carrier, the USS Small Fry. Seaplanes take off from the specially constructed lake at the Willow Grove Naval Air Station.

Contestants winning first, second and third place in each event are awarded a trophy. The Grand National Champion will receive a perpetual challenge trophy. The contest runs from 24 through July 30th.

ETA organizations are behind it. The faculty is behind it. The administration; the Luzerne County School board; the State organization in Harrisburg, all see the costly work of years cancelled out if the educational program is not carried through.

Services Today At 2 For William E. Hoppes

Funeral services for William E. Hoppes, Harveys Lake, are scheduled at 2 this afternoon, from the home of his brother-in-law, Russell E. Scott, in Loyalville. Rev. Ira Button will officiate at services at the home and at Loyalville Cemetery.

Mr. Hoppes, 90, died Monday night at the Scott home in Loyalville. He was one of the old-timers of the region, born in Lake Township, son of the late Jonas and Rebecca Scott Hoppes. When a young man, he played with the Renard Band at Ruggles.

Shortly after he retired from his trade as a carpenter fourteen years ago, he became blind, and for the past several years was increasingly deaf. When his wife, the former Edna Scott, died in March of last year, he moved from his home on Baird

Street to Loyalville.

He is survived by a daughter, Mrs. William Eckert, Philadelphia; six grandchildren, and several nieces.

Arrangements by Bronson.

Treated At Hospital

Construction Well Along On Hedden's Building

Brick walls are up, roof is on and glass is being installed in the beautiful new general office building being constructed for Raymond R. Hedden, General Contractor, just off Memorial Highway opposite Crown Imperial Bowling Lanes.

Field stone walls, terraces and attractive natural plantings will add to the beauty of the surroundings.
