

Misericordia
Home-Coming
Next Week End

Mrs. Willard Garey,
New Secretary, Will
Direct Activities

College Misericordia alumnae from all parts of the United States will return to Dallas on September 8, 9, and 10 for their annual Homecoming Weekend.

MRS. WILLARD L. GAREY

Mrs. Willard Garey of Maple Hills, Lehman, will direct Weekend activities in her new post as Executive Secretary of the College Misericordia Alumnae Association. She succeeds Miss Kathleen Piazzi who will leave Misericordia today for graduate work at University of Pennsylvania after four years as Executive Secretary.

Mrs. Garey is the immediate past president of the Alumnae Association. She is a member of the Dallas Senior Women's Club, Wyoming Valley Girl Scout Council, and is past president of the Altar and Rosary Society of St. Therese's Church in Shavertown. She has been a substitute teacher in the Dallas and Lake-Lehman Schools.

Academic and social activities will share the spotlight in their scheduled Weekend activities. On Saturday, September 9, alumnae will return to the classroom as "students" once again. They will hear a lecture on "Contemporary Problems in International Relations" by Dr. Robert J. Alexander, a member of College Misericordia graduate program faculty.

Following Dr. Alexander's lecture, Misericordia alumnae will hear a panel presentation on "Misconceptions of the Law" by four Wilkes-Barre lawyers. The lectures are in keeping with an emphasis on continuing education in the College Misericordia Alumnae Association.

Other features of the Homecoming Weekend will be the annual meeting of the association, a Homecoming luncheon, a reception with Misericordia's president and faculty, the annual dinner honoring reunion classes, and a Mass in the college chapel followed by a Communion Breakfast.

Civil Defense
Forum Sept. 14

This meeting could be responsible for saving your life! World tension as it is today everyone owes it to himself to be prepared.

Deputy Director of Local civil defense, Stefan Hollersperk, announced that a Civil Defense Forum to be held September 14, in Dallas High School Auditorium will give the public an opportunity to ask questions on Civil Defense experts. The program will begin at 8 with informal talks by Colonel Leon Beisel, instructor in survival service for Luzerne County; Nicholas H. Souchik, administrator of Civil Defense in the County, and Dr. Jay Young, professor of chemistry at King's College.

The talks, will be limited to fifteen minutes each and will be followed by a discussion period.

Clubs Planning
Joint Dinner

Dallas Kiwanis, Lions, and Rotary clubs will hold a joint club dinner at 6:30 September 13 at Irem Temple Country Club. This is the first step in forming a permanent inter-service club council and an annual joint dinner.

The proposed council would consist of representatives from the three service clubs and would encourage their joint co-operation and progressive leadership in community affairs.

Alfred H. Ackerson, secretary of Dallas Kiwanis Club, is chairman of arrangements for the dinner and will be assisted by Merton Jones, Rotary; Richard O. Myers, Lions secretary; Robert Maturi, Kiwanis president; James Alexander, Rotary president; and James C. Thomas, Lions president.

SPECIAL NOTICE

The office of the Dallas Post, closed Saturdays during the summer months, will be open for business from 9 a. m. to 12 noon, starting the Saturday after Labor Day, September 9.

Frank Oatridge
Is Recovering

Lad Was Injured
On Bicycle Trip

Eight-year-old Frank Oatridge, Jr., Maplecrest, Trucksville is up and around his home following a bicycle accident on Bunker Hill which cost him a brain concussion and hemorrhage behind one eye.

Frank remained in semi-conscious state after the accident, August 7, and did not recognize his parents until the fourth day.

Doctors have ordered him to stay quiet, a real chore for the active eight-year-old, and have not yet given the go ahead to start school on schedule.

There is no apparent brain damage, and Mrs. Oatridge said, "we feel very fortunate."

Mrs. Oatridge added that her son went for his first long bike ride, with a thirteen-year-old girl. The girl was traveling ahead and did not see the mishap. "I guess the cause will always be a mystery," Mrs. Oatridge said.

The boy was taken to Dr. Crompton's office by a passing motorist and was admitted to the hospital half an hour after his mother had last seen him.

Reading Council
Is Newly Formed
Officers Will Be
Elected On Tuesday

Luzerne County Council of the International Reading Association will meet Tuesday evening at 7:15 at College Misericordia.

The newly formed group will elect officers and formulate by-laws, according to Sister M. Celestine Elizabeth, RSM, temporary chairman.

The first formal meeting of the Council will be followed by a program in Regina Hall. Participating in a discussion of reading in the kindergarten and its relationship to the first grade program will be Sister M. Noreen, RSM, St. Aloysius School, Wilkes-Barre, and Mrs. Martha Gormley, Hazleton Public School district. A discussion period and coffee hour will follow.

The slate of candidates for new officers will be presented by the nominating committee: Joseph Martin, supervising principal, Luzerne; Miss Helen Watters, Wilkes-Barre city schools; and Mrs. William Kennedy, Gate of Heaven School.

The Council is a direct outcome of the College Reading Conference held last April. Interested persons considered then the possibility of such an organization, inspired by the past president of the International Reading Association, Dr. Mary C. Austin, Harvard University, who was principal speaker at the Conference.

In May several educators and interested lay folk gathered to begin organization. Sister Catherine Elizabeth, Chairman of the Elementary Department, College Misericordia, was named temporary chairman, and Joseph W. Fenstermacher, founder and director of the College Misericordia Educational and Guidance Clinic, was named temporary Secretary-Treasurer.

Forty Million
Will See Band

Lake-Lehman High School Band, 120 strong, will give a nationally televised performance of precision marching at the Philadelphia Eagles-Cleveland Browns National Football League game in Franklin Field, Philadelphia September 17.

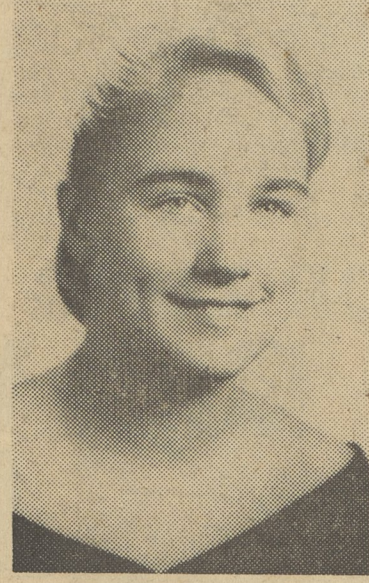

That day several thousand fans from Wyoming Valley will present a car to Swyersville's Walt Michaels, a 10-year star with the Browns.

This is the first time that a local band will be seen on a national television hook up, and forty-four million fans are expected to tune in. The Lake-Lehman bandmen will play for five minutes before the game and for seventeen and a half minutes at half time.

In order to get ready for the Philadelphia performance, the musicians have been going through their paces on the Lake-Lehman football field each night. Many townspeople have come by to watch, and the headlights from their cars parked around the field provide the illumination to keep the practice going until 9.

Earlier this year the band copped honors in the AA class at the Sherrubane Pageant in New York. It picked up a pair of trophies, first place in the marching and third place in the concert divisions John Miliauskas, band director, is trying to find replacements for 34 members of that group who graduated in June.

New Teachers Employed By Dallas School District

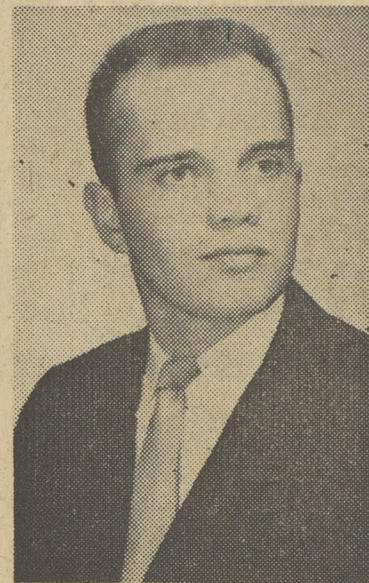

MRS. LEILA GERHART ANSKIS

MISS EMMA ELIZABETH ENGLER

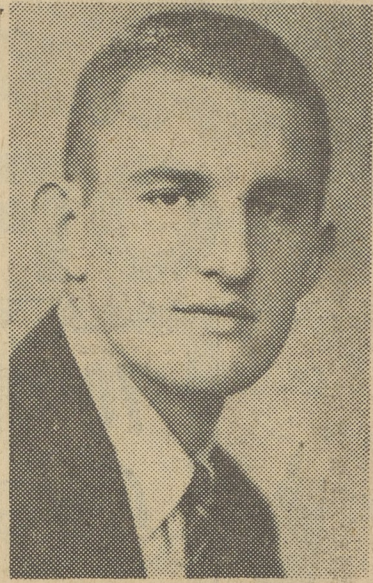

MRS. RUTH M. V. FOSSEDAL

ARTHUR D. HONTZ

ALAN DAVENPORT HUSBAND

LEONARD KOZICK

MRS. LENA MISSON MOORE

LOUIS JOSEPH PALERMO

WILLIAM E. PRICE

MISS JUDITH ANN RICHARDS

MRS. MANTA RUTH STEELE

GERALD J. STINSON

New teachers at Dallas Schools seven men and nine women, who will be allocated throughout the school system.

They are William E. Price, Miss Teresa Rakus, Miss Judith Ann Richards, Mrs. Ruth Mercedes Vosburgh Fossedal, Arthur D. Hontz, Alan Davenport Husband, Leonard Kozick, Mrs. Lena Misson Moore, Louis Joseph Palermo, Mrs. Leila Gerhart Anskis, Mrs. Carol A. Diehle, Miss Emma Elizabeth Engler, John K. Thomas, Mrs. Sarah Hart Welker, Mrs. Manta Ruth Steele, and Gerald J. Stinson.

Of the sixteen, four pictures are unavailable, those of Mr. Thomas, Mrs. Welker, Miss Rakus, and Mrs. Diehle.

Mrs. Leila Gerhart Anskis, R. D. 1, Centre Hal, was graduated from Bloomsburg State College with a major in Elementary Education. She is certified to teach Kindergarten and all grades of the elementary curriculum.

Mrs. Anskis was active in the Bloomsburg College "B" Club, the Women's Athletic Club, Community Government Association, Pep Committee, Student Christian Association, and the Pennsylvania Student Education Association.

Mrs. Anskis will teach Kindergarten in the Westmoreland Elementary School.

Miss Emma Elizabeth Engler, Rear 37 Carverton Road, Trucksville, graduated from College Misericordia, Dallas, with a major in Secretarial Science and a minor in English. She is certified to teach business subjects and English.

Miss Engler, while at Misericordia, participated in the following activities: Tri Sigma Sorority, Student Pennsylvania State Education Association, Student National Education Association, Athletic Association, and varsity basketball.

Miss Engler graduated from Westmoreland High School and was a member of the band, orchestra, chorus, newspaper club, girls' basketball team, and the church youth group. Miss Engler will teach Business Education subjects in the Dallas Senior High School.

Mrs. Ruth Mercedes Vosburgh Fossedal, Irvington, N. J., and Williamsport public schools.

Mrs. Fossedal will teach Social Studies in the Dallas Junior High School.

Arthur D. Hontz, R. D. 1, Shickshinny, was graduated from Wilkes College with a major in Business Education and a minor in Social Studies.

While at Wilkes, Mr. Hontz was active in the Education Club, the Student National Education Association, and the Student Pennsylvania State Education Association. He has been continuing his graduate program at Bloomsburg State College.

Mr. Hontz has been employed by the Dallas School District as a full-time substitute during the past school year. He will teach Business Education at the Dallas Senior High School.

Mr. Hontz was recently married to the former Nancy Bonham from Askam.

Alan Davenport Husband, 57 N. Welles Avenue, Kingston, graduated from Millersville State College with majors in Biological Science and Social Studies. He is certified to teach both subjects in the secondary schools.

Mr. Husband was a member of the varsity wrestling team at Millersville. While a student at Kingston High School, he was active in wrestling, track, Key Club, Pi Delta, Engineering Club, Hi-Y, Spanish Club Stardust Revue, and the Student Council.

Mr. Husband taught for three years in the Kingston High School. He will teach Biology and serve as Head Wrestling Coach at Dallas Senior High School.

Leonard Kozick, R. D. 3, Dallas, graduated from Bloomsburg State College with a major in Social Studies and a minor in Geography. He is certified to teach both subjects in the secondary schools.

While at Wilkes, Mrs. Moore served as chairman of the Assembly Committee and was active in the Education Club and Theta Delta Rho.

Mrs. Moore taught Mathematics for one year in the Metuchen, N. J., High School and three years in the Mt. View High School, Kingsley. She will teach Mathematics at the Dallas Junior High School.

Louis Joseph Palermo, 69 Amherst Avenue, Wilkes-Barre, graduated from Bloomsburg State College with a major in Science. He is certified to teach all science subjects in the secondary schools.

In addition to serving on numerous committees while at college, Mr. Palermo was a member of the Science Club, Men's Resident Council, Aviation Club, and the Election Board. He played football, baseball and basketball and served as life guard at the college pool.

While a student at Meyers High School, Wilkes-Barre, Mr. Palermo participated in varsity basketball, football, and wrestling. He was a member of the gym team, the M Club, Student Council, the Biology Club, and the Life Saving Club.

Mr. Palermo will teach science subjects at the Dallas Senior High School and will be an assistant coach in football and wrestling.

William E. Price, R. D. 1, North Lake, Sweet Valley, graduated from Bloomsburg State College with a major in Social Studies and a minor in English. He is certified to teach both subjects in the secondary schools.

Mr. Price was a member of the college newspaper staff, Student N. E. A. and P. S. E. A., and participated in varsity basketball and football.

Mr. Price is a graduate of Lake-Lehman High School, where he participated in varsity basketball and football.

Mr. Price will teach English and Social Studies at the Junior High School.

Miss Judith Ann Richards, R. D. 3, Wyoming, graduated from Bucknell University with majors in English and Mathematics. She is certified to teach both subjects in the secondary schools.

Miss Richards was active in the following activities while at Bucknell: Government-House Council, Cap and Dagger Society, Theta Alpha Phi, Alpha Phi, Mixed Chorus, and the Christian Association.

Miss Richards graduated from Westmoreland High School and was a member of the newspaper staff, the Junior Class Play, and the Chorus.

Miss Richards will teach English at Dallas Junior High School.

Mrs. Manta Ruth Steele, Lohan Street, Trucksville, graduated from the State Teachers' College at Bloomsburg and is now matriculated at College Misericordia. She is certified in the subjects of the Elementary curriculum.

Mrs. Steele has been a resident of the Carverton Road section for many years, and has been employed as a full-time teacher in the Dallas Elementary School during the past school year.

Mrs. Steele will teach third grade in the Dallas Elementary School.

Gerald J. Stinson, 15 Magnolia Avenue, Wilkes-Barre, graduated from King's College with a major in Social Studies and a minor in English. He is certified to teach both subjects in the secondary schools.

While at King's, Mr. Stinson was a member of the Herodotus Club and participated in basketball and baseball.

Mr. Stinson graduated from St. Nicholas High School, Wilkes-Barre and was a member of the varsity baseball and basketball teams, the Glee Club, and the cast of the Senior Play.

Mr. Stinson will teach Social Studies at the Dallas Senior High School.

Lake-Lehman Board Reluctantly
Cuts \$89,000 From New School

Vote 17 to 1 To Carry Case To Supreme Court
If Building Program Continues To Be Held Up

COLLEGE STUDENTS
PRODUCE THIS ISSUE

This issue of the Dallas Post was largely produced by the following college students: Jon Greenwald, Princeton University sophomore, son of Atty. and Mrs. Henry Greenwald of Kingston; Betsy Mulcey, Pennsylvania State University senior, daughter of Mr. and Mrs. Paul Mulcey, Overbrook Avenue; Grace Ann Bachman, Penn State University sophomore, daughter of Mr. and Mrs. Robert Bachman, Dallas, and Robert Kadison, Wyoming Seminar junior, Forty Fort.

They sparked the office while Mrs. Hicks was on vacation.

The Lake-Lehman Joint School Board voted 16-2 Monday night to shave 89,000 from their building program bond issue in order to avoid an injunction which could imperil plans for the proposed new school.

Attorney Lewis Crisman advised the Board that Judge Thomas Lewis would refuse the injunction, which is being sought by a taxpayers' association, if the bond issue could be \$2,000,000. The reductions adopted at Monday's meeting lowered the total to \$1,999,000.

There was strong opposition to cutting the bond issue, however, and several members voted in the affirmative only because they feared to lose the whole program.

In a further action the School Board resolved 17-1 that if Judge Lewis should grant the injunction, the case would be carried to the Supreme Court in the original amount of \$2,088,000.

In attacking the reduction Wilbur Sutton, member from Lake Township, said that the money would have to be spent at a later date. Noting that the revised estimates called for asbestos rather than vinyl tile to be used in the high school project, he said that maintenance would eventually cost five times the amount of the sum supposedly saved.

He also noted that the reductions would eliminate a planned on second boiler for the Lake School and said that this meant the school would have to be closed if the one boiler gives out during the winter as it has done in the past.

When he complained that no money would be spent to repair the badly weathered outside of the Lake building, several members of the audience of fifteen murmured that the inside was in even worse shape.

"It's like going out and buying all new clothes and then never taking a bath," Mr. Sutton characterized the reductions.

"Bob Rodgers of the Lake Township district complained that the Board's action was 'penny wise and dollar foolish'."

As the meeting adjourned several members grumbled "I hope we're going to the Supreme Court."

Supervising Principal Lester B. Squier said that the cuts still left the building program 95% intact. Most of the rejected items were in the physical education and health programs and in maintenance.

Largest cut was \$11,200 for a bus loading cover in the high school project. \$10,500 was dropped for bleachers at the athletic field and \$10,000 earmarked for a gym parking in the high school was also cut.

Other large items killed by the Board's action include \$7,400 for paving at the Lake Township building, \$6,000 for the Lake School's second boiler, \$5,576 for roadway lighting, 6,800 for a parking lot, and \$5,400 for vinyl tile on the high school project.

Youth Is Arrested

A seventeen year old Courtdale youth, who had stolen a car in Kingston, was arrested Sunday at Sandy Beach, Harvey's Lake, by Police Chief Edgar Hughes.

Chief Hughes found the boy, Robert Connole of 268 Courtdale Avenue, breaking into cars parked at the beach and removing wallets from the glove compartments.

Upon investigation, it was discovered that Connole had stolen a car belonging to Frank Langan of 70 Academy Street, Wilkes-Barre, from in front of O'Connell's Kingston House Saturday.

Connole, who is on parole from Kis Lyn, was turned over to Kingston Police and is in the Luzerne County jail.

Army Convoy Stops

Motorists last Thursday were surprised to see a convoy of fifteen army trucks and jeeps parked alongside the roadway, but they were even more surprised when they saw soldiers walking away from Kibbler's Fruit Stand with bushel baskets of peaches.

The mystery is easily explained. The convoy, on its way to Wilkes-Barre on a hot summer day, pulled off the road for a short rest, and the soldiers, spotting the peaches for sale, decided the ride to town in the heat would be more bearable with a little fruit to eat.

Mystery Shrouds
Sudden Death Of
Arthur W. Parks

Kunkle Man Found
Dying In His Car
Parked Near Tavern

Arthur W. Parks, 39, a resident of Beaumont for fourteen years, was buried in Orcutt Cemetery, Noxen, following services from Nulton Funeral Home Tuesday at 2 p.m.

Rev. L. E. Peterson, Baptist Church, Beaumont, officiated and Harvey's Lake American Legion Post No. 967 conducted military services at the grave.

Parks was pronounced dead of a cerebral hemorrhage late Friday by Deputy Coroner Bryce Sheldon. The victim had left home Thursday evening in good health apparently to spend the night at a cabin with some friends.

He was found, a bit drowsy but conscious, in his car near Mason's Villa, Kunkle, Friday morning by A. C. Mason. The latter was leaving for work and advised Parks to return home. He said he would leave shortly but was found unconscious in the car by employees of Mason's Villa later that afternoon.

The victim was taken to his home where Dr. Walter Mokychev, Noxen, and the coroner examined the body about fifteen minutes later. It appeared the man had been dead about six hours, the doctor said.

Parks had been scratched some time ago by his collie which may have been rabid, according to reports. There is no evidence at present that this had any connection with the death. A post-mortem investigation is being made.

Joseph Fischer, Paul Kleckner, and Louis Pizzo of State Police Bureau of Criminal Investigation examined details of the death.

A native of Benton, Mr. Parks was the son of the late John F. and Elizabeth Walker Parks.

He was employed by the Hulbert Forwarding Company, Buffalo, N.Y., the past 10 years. He was a member of the Christian Church of Benton; American Legion of Harvey's Lake; Rod and Gun Club of Harvey's Lake, and Kunkle Volunteer Fire Company.

During World War 2, Mr. Parks served with the 759th Military Police Battalion and saw overseas duty in Rome, France and Central Europe.

Surviving are his wife, the former Jane Herdman of Beaumont; two sons, Arthur, Jr., and Cragg, at home; brother, John (Jack) Parks, Benton RD 3; sisters, Mrs. Margaret Weiss and Mrs. Max Young, both of Dallas RD 3; Mrs. Oliver Brownell, Postenkill, N. Y.; Mrs. Lloyd Hughey, Middletown, Pa.

Notice To Parents

Dallas School Administration requests that parents of kindergarten children accompany them to and from Westmoreland Elementary Building Wednesday, first day of school, any time from 10 a.m. until 4 p.m.

Automobiles should be parked on the athletic field in back of the building entering at the opposite end of the field from the building.

Allabaugh Improves

Harold Allabaugh, Monroe Ave., Dallas, is improving at General Hospital after submitting to surgery last week. Friends may send cards to Room 258.

Surplus Food To Be Distributed
At Trucksville Instead Of Dallas

The Luzerne County Surplus Food Department will distribute food commodities to needy families in the Back Mountain area at the Trucksville Fire House from 9 a.m. to 2 p.m. Thursday, September 14. The Borough Building in Dallas had previously served as the site for food distribution in the area,

but few families in Dallas made use of the program. This was suggested by Dallas Burgess Thomas Morgan as a possible reason for the switch.

As in the past it is necessary for persons receiving surplus food to bring boxes and paper containers for loose commodities.
