**Mt. Zion**

In passing over the cross-road from our Mt. Zion road to the Carverton-Mt. Zion road I noted someone working at the new house. So I stopped in for a visit.

The house belongs to Joseph (Bud) Perry, son of Dave Perry who lives up on the corner. Bud returned from Italy about 3 months ago and is getting his house finished to live in very soon. He works in the Air Products Company in Wilkes-Barre.

The new oak floors were a beautiful thing to see. I love nice wood grains such as oak has. Artistic plastering on walls and ceilings. A pull-down ladder to the attic adds to compact convenience. Bud will have a place to be proud of.

Since Bud's sister, Betty Perry MacDonald and family live in the new house next door (with a swimming pool in the side yard!) the road might well be called the Perry Hill Road.

From there I went on to stop in at the Rev. Ralph Weatherly's to return some magazines he loaned. Friend Weatherly keeps me supplied with reading matter and his own friendly smiles. There I found a yard full of his grandchildren, for visiting there at Happy Hill were Mr. and Mrs. Hobart Tallmadge and children Lynn, Tad, Suzanne and Sally from Glen Ridge N. J. Mrs. Tallmadge is a daughter of Rev. and Mrs. Weatherly.

It was good, too, to have a chat with Mr. and Mrs. Russell Lewis down at the foot of the hill on Sutton Creek road. Russell was seen to begin harvesting oats and tomatoes. Blancha had entertained Mrs. Wm. Boyd of Wyoming one day. Also she reported progress on her brother Frank Parrish of near South Montrose who is convalescing from a recent serious operation.
