LETTRES FROM A WESTMORELANDER

Lynne Loves Holland! Windmills and Rembrandts Easy to Find, But Not Those Famous Wooden Shoes

Lynne Jordan, daughter of Dr. and Mrs. L. E. Jordan, and a foreign exchange student in Holland, is Miss Rotary Club herself. She's having a ball in her new home, and she has recently taken on a whole crew of new Rotary fathers, who are expecting great things of their American visitor. She's an art student, and she's studying the language. Her letters were necessarily abbreviated, with personalities eliminated.
