**IMPERIAL OF 1962**

IMPERIAL LE BARON FOUR-DOOR SOUTHAMPTON

A forthright challenge to everyone who plans to buy a luxury car this year

In a few days, you will receive a personal invitation to drive a 1962 Imperial. Not the usual vague "see your dealer" . . . but a specific challenge to compare your own car with the best Imperial we've ever built.

At your convenience, a dealer in your area will deliver a 1962 Imperial to you . . . for a thorough comparison-tour that you conduct by yourself.

We believe anyone planning to invest from five to seven thousand dollars in an automobile is entitled to the unembroidered facts right from the car itself.

Naturally, our dealers explain the advantages of torsion-bar suspension . . . tell you how the alternator supplies current even while the engine idles . . . quote engineering data on the superior performance of our new transmission . . . and answer any other question you ask about Imperial.

But you can find out only so much about Imperial by mere listening. To give the facts substance and meaning you must drive and compare.

So, when our invitation arrives, take us up on it. It obligates you not at all. And whether you eventually buy an Imperial or not, you'll never forget that once you drove a car which handled and accelerated and thrilled as a great car is supposed to.

R.S.V.P. Even though our invitation may somehow miss you, an Imperial comparison-tour may easily be arranged by writing on your letterhead to: General Manager, Imperial Division, 12200 East Jefferson, Detroit, Michigan.
