

### Lake-Lehman High School

By MARY ANN LASKOWSKI

#### MR. AND MISS SENIOR

Four students, one boy and one girl from each school, have been chosen as Mr. and Miss Senior. Those from the Lake Building are Kay Williams and Bill Moore; from Lehman, Donna Lord and Donald Anesi; selected by their class-mates as outstanding personalities. Congratulations to you all.

#### CANDY MACHINES:

The Juniors have been replaced by machines. Until last week, three members of the class were assigned to sell candy at noon hour. We now have three candy vendors doing the work. These are placed in our school on a trial basis, but they seem to be working well.

**CLINIC:** All Senior Band members who play brass instruments, attended the Don Jacoby Clinic at Wyoming High School on Monday. This was a two hour clinic. Students who attended had to have parent consent slips.

#### SUBSTITUTE:

As a replacement for Mrs. Storlarick during her absence for surgery, we would like to welcome Mrs. William G. Cooper. She graduated from Hood College, Frederick, Maryland with Home Ec. as her major and General Science as a minor. She will be with us until the end of November. We hope she enjoys her stay.

#### PSAT TEST:

Preliminary Scholastic Aptitude Test was given to all Juniors and some Seniors on Tuesday. In this

test, students are graded with all the students in the nation to see how they rank. Those Seniors who took it are getting practice for the College Board Examinations.

#### JUNIOR VARSITY:

Lake - Lehman Junior Varsity Football squad was victorious over Wyoming J.V. 21-0. The team now has two wins and one loss.

#### BONFIRE:

What a night for singing, cheering and all around good fun. Everyone who attended the first bonfire agreed that we should have another one. The football players formed a circle around the fire while the cheerleaders did the varsity line-up. A pepband played such football favorites as "Mr. Touch-down".

Most of the credit should go to the Student Council and Mr. Ben Jenkins, faculty advisor, for the planning and success of this project.

**CAST:** Cast for "Come Out of The Closet" follows: Mrs. Malone, Sandra Evan; Hilda Hawkins, Beverly Lord; Irene Gleason, Sandra Yellitz; Ammonia Mullens, Regina Galley; Jenny Potts, Kay Williams; Guthrie Rosewater, Steve Arendt; Abbey Phillips, Carolyn Ide; Mr. Cutter, Edward Ladamus; Hercules Jones, Bill Moore; George Hanson, Thomas Field; Sweeney, Timothy Swanson.

It is a three-act mystery comedy involving three girls and their experience in New York. Remember, Wednesday evening, October 25 at 8 in Lake Gymnasium.

### Fourteen Dallas High School Students Win Certificates

Fourteen Dallas Senior High School students have received certificates for outstanding performances in National Educational Development Tests, announced by W. Frank Trimble, school principal. They are, left to right: **First row**—John Ferguson, Jeanne Merolla, Charlotte Roberts, Judith Crispell, Nancy Sieber, Susan Fleming, William Cooper.

**Second row**—George McCutcheon, Guidance Counselor, Paul Haradem, Richard Ratcliffe, Robert Letts, Daniel Reggie, Joseph Hand, Mr. W. Frank Trimble, Principal. Peter Wolfe, absent from picture, has moved. Gary Smith, absent from picture was ill and not present in school. Certificates were awarded by Science Research Associates, a Chicago-based firm serving education, industry and government through applied behavioral sciences. In March, 1961, according to Lyle M. Spencer, president of SRA, NEDT exams were administered to more than 366,000 students in 9th and

10th grade classes across the nation. Certificates went to students scoring in the top quarter of each state's participants, by grade. Scoring was in English, social studies, mathematics, natural sciences and word usage. The evaluation of educational strengths and weaknesses is particularly important to enable school authorities, parents and the students themselves to make better decisions about future careers.

#### Detwiler Heads Graduate Work In Chemistry

Dr. Daniel Detwiler, Huntsville, is directing a course in the graduate division of Wilkes College, leading to a Master of Science degree in chemistry and physics. Classes, scheduled for two evenings a week, are designed to satisfy the demand for continuing education on the graduate level without necessity for dropping out of gainful occupation. Seventeen engineers of local industries have signed for the work. Represented are: RCA, Sylvania Electric, U.G.I. and Marywood College.

without hitting any. Another is parking between two cars with six inches between your fender and those of the car in front and in back. Only three turns of the wheel are allowed. We wish them luck.

#### Variety Show Planned

A variety show under the direction of Mrs. Laura Devens will be presented at the Ross School auditorium on October 21 at 8 p.m. Refreshments will be for sale and there will be a bake sale. Free will offering will be taken. Proceeds will be for benefit of Ross School.

school times \$3 (the average cost of one magazine). This year the highest homeroom the first day is treated to ice cream in the cafeteria. If we reach our goal, the Student Council will be allowed to sponsor a semi-formal Christmas Prom. We hope you will co-operate with the students so that we may have our prom.

#### Road-E-O

Dallas High School is sending four students to the Safe-driving Road-E-O on Saturday, 1 to 5 p.m. They are Barbara Tag, Sally Moyer, Dale Mosier and Barry Slocum. The tests include: driving between a row of balls on the line where the tires are

auditorium. The contest is open to all seniors of Wyoming Valley. The ten finalists chosen that night will then compete against each other October 21, at Irem Temple.

Four members of our Senior Class are semi-finalists. They are: El-frieda Hefft, Carol Anderson, Barbara Prokopchak, and Betty Jean Davis. All girls will be judged on beauty, poise, talent, personality, future, etc. The girl chosen from the ten finalists will be Junior Miss Wyoming Valley and will go to Reading for the State finals. The state finalist will then act as Pennsylvania's representative in the national finals in Alabama.

**Magazine Campaign** Last Thursday Dallas High School started its Magazine Campaign. Guye Miller, Curtis Publishing Company, narrated a few film strips on the importance of reading. Then he explained how the campaign would be run. Our goal of \$1,200.00 is estimated on the number of students in the

### Dallas Senior High School News

#### Observers

Dallas School District is proud that we were chosen by many teachers of Tunkhannock Joint School and Falls-Overfield Schools as one of the schools which the Guest teacher selects to observe the teaching procedures and methods.

As part of the in-service training of these schools, teachers may select various schools to visit and observe. The following teachers selected Dallas Schools: Mrs. Margaret Holmgren, Marion Parrish, Mrs. Elizabeth Jones, Mrs. Helen Burgess, Miss Helen Basher, Mrs. Alice Hudak, Mr. Wayne Pugh, Mrs. Albert Stark and Mrs. Ruth Deets from the Tunkhannock Schools and Mr. Russell Hons from the Falls Overfield Schools.

We extended them a pleasant welcome and we hope that their visit was also profitable in their search for new ideas.

#### Junior Miss Pageant

Saturday, the preliminaries for the Junior Miss Pageant will be held at Forty-Fort High School

### Carolyn Ide Ranked High In Merit Examination

Carolyn Ide, daughter of Mr. and Mrs. Wilfred Ide, a senior of Lake-Lehman High School, has been commended for her high rating in the National Merit Scholarship Qualifying test, taken in the spring of her junior year. Anthony Marchakitus, high school principal, makes the announcement.

Semi-finalists and commended students together constitute less than 2 percent of all high school seniors. Names and ratings are sent by the Merit Corporation to the two colleges which each student names as possibilities for enrollment. Students receiving letters of commendation are urged to continue their education at the college of their choice.
