

Lake-Lehman High School

By
MARY ANN LASKOWSKI

Parent Day
At the game on Saturday with St. Johns, parents of football players were honored, by the Student Council. The parents are given a token of appreciation for giving up many things so their sons could participate in football. The ceremony must have given the boys life because the result was a 27-12 win over St. Johns.

Senior Citizens
Four students were chosen from the Senior Class to represent our school at United States of America Day at Wilkes-Barre Legion Post 132. They were Carol Drapiewski and William Schlosser from Lehman Building and Marilyn Livezey and Richard Mahle from Lake Building. For attending they were given "good citizenship" certificates. They were accompanied by Mrs. Carl Drapiewski, Mrs. Carrie Rood, Calvin Strohl, Commander of Harveys Lake Legion Post and Mrs. Strohl.

F.T.A. Club at Lehman has received its paper back books. These Pocket Books are an assorted collection required to be read by juniors and seniors. The profit will be used to send our delegates to the State Convention.

P.S.E.S. Tests
Pennsylvania State Employment Service Tests have been given to the seniors. These tests are for those students who do not know what they will do after they graduate. Included is a written test plus a finger dexterity test. The results will be used to help place students in various jobs.

Teacher Education
Dr. Bruce Adams will speak to all students interested in attending a State College.
Dr. Adams is a representative from Bloomsburg State College. It will be a general talk about all State Colleges that train teachers.

The cast and director of the Lake Play presented a play which was a great success. The Lehman cast started practice this week.

Another Win
The Junior Varsity has been successful during this season. Last Monday night they brought home another win, this time over Exeter 18-7.

Physicals
Basketball players and wrestlers are getting their physicals before actual practice starts. Soon both teams will be competing for conference honors.

Dallas Senior High School News

Magazine Drive
The Magazine Drive, is well under way with another week of canvassing remaining under the leadership of Barry Slocum, assisted by Susan Owens. We are happy to report that we are more than half way to reaching our goal of \$1200. However, that does not mean we should sit back and let the next fellow work. Victory can only be reached with each and every one working and doing his best. So let's get out and really work! or buy!

Fall
The true arrival of Fall can be seen everywhere. One cannot help but notice the beautiful trees with their vari-tinted leaves gracing our countryside. Even the brisk morning air that greets us as we leave the house chills us into noticing the surrounding beauty. The change from cottons to woollens also signifies the coming of autumn. However, before we even have had time to actually appreciate the handicraft of Mother Nature, it will be covered by a heavy blanket of that white stuff we so dread. So get out and take notice of the beauty around us if you haven't been aware of it.

Chorus
Practice for those interested in joining the Dallas Senior High Chorus, has begun under the direction of Miss Louise Ohlman. Judy Williams is President; Sandy Ambrose, Vice-President, and Dana Jones, Librarian. A Christmas program is being planned for presentation before the Christmas vacation. Miss Ohlman has made it known that anyone interested in joining after Christmas may do so. The club is scheduled to meet Monday, Tuesday and Wednesday of each week.

Dedication
Friday, October 20, Dallas Senior High School was dedicated and the key turned over to administrative officials and the President of Student Council, Dale Mosier. Music was provided by Mr. Alfred Camp at the organ, and by the Band under the direction of Lester Lewis.

Keyettes
Initiation - Next week the Keyettes will initiate all sophomores and all Colorettes who have been accepted into the club. The Colorettes are honorary members.

Cleaned School - Friday afternoon, before the dedication, the Keyettes got together and cleaned every room in the school, from floors to ceiling. This is a Keyette project to be done one Saturday morning each month.

Keyettes - Miss Elfriede Hefft, one of our Keyettes, was fourth place winner in the competition for Junior Miss of Wyoming Valley. For her talent she sang "Tammy"; for sportswear she modeled an outfit of green plaid slacks, green bulky-knit sweater, and ivory colored coat lined with alpaca; for evening wear she wore a rose colored, satin cocktail dress with a scooped neckline in front and back. We are very proud of our beautiful Elfriede, who desires to be a nurse and a model.

Safe Driving Road-E-O
Saturday, October 21, was the day that four students from Dallas went to the Shelbourne Parking Lot in Wilkes-Barre to participate in the Safe Driving Road-E-O. They were Barbara Tag, Sally Moyer, Barry Slocum, and Dale Mosier. The participants were required to drive on a straight line between two rows of balls without touching the balls; drive forward and backward in an obstacle course; back in between two cars; and stop on a line without going over it. First place was taken by Barry Slocum; first place for girls was taken by Barbara Tag.
