

Attorney Fleming States Challenge

Tells Youth That Future Is Theirs

"It is YOU, not the boy sitting next to you, who is responsible for the future of America," was the stirring challenge flung to Dallas Junior High School students at an assembly program, by Atty. Robert L. Fleming.

He urged a greater awareness of the priceless American heritage of freedom, and acquisition of the

knowledge vital to defeat of creeping communism; a heightened regard for rights of others and the law of the land; an appreciation of the many freedoms and privileges which are taken for granted by citizens of these United States.

Atty. Fleming called upon boys and girls to work hard to maintain the freedom that communistic nations are working hard to destroy.

Jean Fleming, Atty. Fleming's daughter, opened assembly with scripture reading and the Lord's Prayer, followed by the salute to the Flag. Atty. Fleming was introduced by John Rosser, principal.
