We cannot help but be impressed with the increasing number of Halloween decorations and Jack-O-Lanterns in the Township. While not quite as numerous as Christmas decorations they certainly have increased. One that has created a traffic jam, is that in Al. Balita's yard on the Chase-Huntsville Road. It depicts a scare-crow character, sitting on a bench, with out-

stretched feet and gives all indications that he has imbibed too freely from five-gallon jug nearby. In addition the Balitas have gaily decorated their home for Halloween. Many motorists have stopped and have taken snapshots. The Balita's are to be congratulated on their originality. The more kids we can get to go along with this decorating idea rather than vandalism, the happier we will all be.

It is hoped that the State Highway Department will hasten to apply yellow or white guide lines on the newly blacktopped section of Larksville Mountain Road. Every motorist knows that the combination of a black-topped road and fog is dangerous.

VOTE FOR Anthony Hudak For Tax Collector Dallas Township

TIME FOR A CHANGE TAXPAYERS AND VOTERS OF JACKSON TOWNSHIP IT'S TIME FOR A CHANGE. There are many reasons why we should have a change in Jackson Township, for example, we had a survey in Bradford County, Wil-mont, and Spring Townships. There they built new school with school buses traveling dirt roads to pick up children at their homes, now they have paved a lot of roads in these townships.

Some of our elected officers in Jackson Township could have done the same thing, instead of hauling that red shale which is very dusty. We feel that where we live it is just a few miles from two cities and a few towns and we should have better roads.

Among other things, need we mention taxes? You must all realize that you are being taken under the present gang-like rule of the Republican Party. Jackson Township has a fine group of candidates running on the Democratic Ticket on November 7. They are all property owners and highly qualified for their positions. So vote Democrat.

KINGSTON TWP. VOTERS

To all Kingston Township voters—regardless of party. My name is HENRY G. KANN.

I am the Democratic candidate for tax collector. I am a property owner, and taxpayer for the past 31 years. I am an honorably discharged Regimental Sergeant Major of World War I, have been an accountant, office manager and personnel director most of my working life.

I am a member of the Masonic Order and all its affiliated bodies, a member of the Official Board and Treasurer of Trucksville Methodist Church.

I am Past Commander of Post 306, American Legion and was Postmaster in Trucksville for 3½ years. I hesitate to mention all these attributes, but I feel the taxpayers of our township should know the background of anyone who is seeking their vote and support for the important office of Tax Collector.

If elected I will maintain an office in the Township Building, and will be available at all times to answer police and fire calls and other duties necessary for the proper function of Township affairs. Your vote and support will be appreciated. Thank you.
