The many former neighbors and friends of Hiram and Elsie Harris, (formerly lived down the Apple Tree road away) will be interested to learn that they will be celebrating their 50th wedding anniversary on Sunday afternoon, Nov. 19. The celebration and open house will be in the Milan Methodist Church from 2 till 5. Mr. and Mrs. Harris are the parents of Wesley Harris who lives over near Memorial Shrine. It has been our good fortune to be acquainted with the Hiram Harris family for many years.

Hallowe'en was a jolly occasion at Dummovin when little elf people (or something like elves) visited at our door. One night it was Karen and Ronnie Thomas all dressed up, chaperoned by Roy and Peggy Thomas. They are the first neighbors down our road on the right. The next brought David and Jeffrey Emanuel from the first house on the left down the road. Jean was in the shadows when they came in. Too cute for words, both sets of visitors. Then soon after came Jackie Van Tuyle, Karen Hronich, and little brothers Mike Hronich and Mark Van Tuyle. None of them were scared of our Tuffy, but Tuffy wasn't too sure whether with their dress they belonged on this earth! Mothers were along as chauffeurs. We didn't see who brought the Simko children; they came next. All the children offered songs and recitations appropriate to the occasion and remembered to say hearty thank you's for the treats.

The other day I dropped in at the Miles' house. Billy showed me his new study book on electrical study. It told in terms simple enough even for me to understand how to wire a plug and extension cord, the use of fuses, what voltage means etc. How it came about was that an electrical club was formed last Monday evening with thirteen members enrolled. W. Brainerd Daniels was chosen as leader to be assisted by Mrs. Jean Hronich. Ralph Beard, Assistant Luzerne County Agent, is also associated with the group. The officers elected were: President, Donna Stanton; vice president, Tommy Marcy; secretary, Karen Hronich; treasurer, Jimmy Doble; recreation chairman, Tommy Doble, and reporter Billy Miles. Donna Stanton was named to the county council, and Jimmy Doble was to be alternate. The electrical club will hold its meetings twice a month, on the second and fourth Mondays in the basement of Mt. Zion Methodist Church.

Rev. and Mrs. Gilbert drove to Lanesboro last week to visit Mrs. Gilbert's sister, Mrs. Jennie Cong-

don, who has been quite ill recently.

Tomorrow Rev. Mr. Lintern pastor of the Methodist Churches of Centermoreland, Dymond Hollow and East Dallas will be at Buck-hill Falls to a Conference of workers with adults in Christian Education. He will return Sunday night. Rev. Charles Gilbert of Mt. Zion will be preaching around the circuit for him Sunday.

The Rev. and Mrs. Ralph Weatherly, our neighbors over on the other road had happiness in the word of the arrival of a new grandchild. The baby's name is Phoebe Armfield Tallmadge and was born October 27 in Mountinside Hospital, Montclair, N. J. The parents are Mr. and Mrs. H. Hobart Tallmadge of 69 Douglas Road, Glen Ridge, N. J. Mrs. Tallmadge is the former Carol Elizabeth Weatherly a daughter of Rev. and Mrs. Weatherly.

Mr. and Mrs. Tallmadge have four other children, Lynn Ware, Suzanne Elizabeth, Henry Hobart 4th, and Sally Barnes Tallmadge. Rev. and Mrs. Weatherly drove down to Glen Ridge last week-end, stopping Sunday morning at Lehighton where Rev. Mr. Weatherly preached in All Saints Episcopal Church. Mr. Weatherly returned to his home in Wyoming R.D. 3, and Mrs. Weatherly remained a few days with her daughter.

I heard a brief character-sketch of a lady at Orange. It was down town and Russell Firestone was telling about the fine supper the Orange ladies served to the Kiwanians a couple of weeks ago. Made me drool telling of the four kinds of pie they had for choice! Then he saw his aunt Lizzie out in the kitchen working away with the rest, and he said, "Aunt Lizzie you look as though you were working yourself to death there". To which she replied, "I can't think of a better place to die than here!" Said I, "That must have been Lizzie Dymond." Sure enough. And that's the way "Lizzie" likes to work. Along with many other fine Orange ladies.

Under the leadership of counselors Mr. and Mrs. Hiram Booth, junior MYF enjoyed a special program Sunday night. Catherine Gilbert showed colored slides of scenes of special beauty which anyone might see all about. A special Christmas project for the enjoyment of the whole church was discussed. The group will meet Sunday at 2 to begin work. Other young people who would like to take part will be welcome.

There have been two sessions of a missionary study group for

children of the church on Thursday evenings before junior choir rehearsal. The study theme is Latin America. Fifteen are enrolled. Catherine Gilbert, secretary of children's work and also of missions in the W.S.C.S. is leading the group.

Everybody was glad to see Pastor Reid in his pulpit again. Of course it was a good sermon. We agree with what the charming daughter of the parsonage, Elizabeth Reid, said after church, "Daddy, you preached a good sermon today." Elizabeth knows!

B. E. Smith of Hicks Creek road is one of Mt. Zion's honorary trustees. When I was pastor he was one of the most active. I stopped in to pass the time of day and found him quite well. Lives with son and daughter-in-law Willard and Margaret Smith. Besides two children at home and in school at West Pittston they have two who like to get home whenever possible. Bennie got home for last week-end from Penn State where he enjoys his first year agricultural studies. Daughter Sandra is in her last year at Nesbitt Memorial School of Nursing and gets home whenever it's her turn for time off.

Mr. and Mrs. Paul Smith visited their son Keith at Center Valley, Sunday. It is near Bethlehem and their daughter Evelyn LaBar and husband Leland from that city came over for a visit. These were Mt. Zion young folks.

Meeker

Well, folks, how do you feel now, getting an extra hour's sleep in the morning? I don't know about you but I just get used to one time when it's changed to the other. Even the hardest little pansies that we had blooming through the cold just gave up with the recent frosts. Still there's dandelion in blossom and more geese going South.

Francis Wilce and his fiancée, Kay Meseti, Carbondale, visited Mr. and Mrs. Renford Wilce on Sunday. Mr. and Mrs. Fred Schobert, Pikea Creek, have sold their house and plan to be in the new Reading home by Christmas. THE MOST IMPORTANT ADVANCE IN TIRE DESIGN IN 17 YEARS!

new MCCREARY MC-70

ends buckling, chief cause of tire wear

Revolutionary three-rib tread design makes the difference!

Note this MC-70 tire print, showing three-rib tread design. Fewer ribs than in ordinary tires means more tread strength and rigidity... no buckling in the center of the tread under normal driving. Result: more rubber on the road, better grip, even wear, longer tread life.

Note how ordinary tread, weakened by 5 to 7 ribs, tends to buckle in the center. Result: tread wears unevenly, and wears out faster on the edges than in the center.
