

## Lake-Lehman High School

By  
**MARY ANN LASKOWSKI**

The 1962 Roundtable staff is as follows:  
Co-editors — Sandra Yellitz and Audrey Ide.  
Assistant editors — Mary Ann Laskowski, Patsy Zbick, Marilyn Livezey, and EuniceONEY.  
Business managers — Stephen Arendt, William Ferrey, Dianne Crumley, Helen Dugan, Rosemary Pond, and Ruth Zorzi.  
Photography — Lorelle Briggs, Stella Rodriguez, Alan Covert, Carolyn Ide, and Robert Tilghman.  
Music — Diana Sampson, Patricia Kutz, Larry Carpenter, and Timothy Swanson.  
Sports — Kaaren Gabel, Joan Sgroi, Irene Baird, Beverly Lord, Ivor Williams and John Lerch.  
Art — Kathryn Carpenter and Edward Newell.  
Publicity — Richard Mahle and Edward Ladamus.  
Advertising and Circulation —

Dorothy Maransky, Carol Toluba, Marily Woodling, Kay Williams, Sandra Evan, and Thomas Field.  
Typists — Regina Gailey, Joan MacMillan, Diane Gregg, Evelyn Devens, Marie Roginski, Carol Zimmerman, Lois Wesley, Alice Whitesell, Beverly Hoppes, Ruth artin, and Pat Rusonis.  
Seniors will solicit ads and patrons until December 1. Your cooperation will be greatly appreciated.  
**EDUCATION WEEK:**  
Today Lehman Building will celebrate American Education Week with open house and a social hour from 7:30 to 8. Social hour will follow room visitation.  
**CRUSADER:**  
"Crusader" is the new name of our school newspaper. This title was one of eight voted on by the editors.  
Second issue of the paper was out on October 31. This publication

contained articles on the students' opinion about world questions along with the latest news around school.

**MUSIC:**  
Mr. John Miliuskas has announced that the brass choir featuring Christmas Music will be available for indoor entertainment beginning December 5-22. Those participating in the choir must practice a minimum of seven hours a week.  
The chorus is also starting practice for Christmas. The chorus will practice Wednesday evenings from 7:30 to 9:00.  
**F.H.A.**  
An initiation always proves to be an evening of laughter for parents and members. Last night Future Homemakers of America held initiation of new members. You should have seen the outfits that these girls wore and the comical things they had to do!  
Following all the fun came the serious portion of the meeting. Each girl had to know the F.H.A. Creed which reads:  
We are the Future Homemakers of America  
We face the future with warm courage  
And high hope.  
For we have the clear consciousness of seeking  
Old and precious values.  
For we are the builders of homes, Homes where living will be the expression of everything  
That is good and fair,  
Homes where truth and love and security and faith  
Will be realities, and dreams.  
We are the Future Homemakers of America  
We face the future with warm courage  
And high hope.  
F.T.A.  
Lehman F.T.A. Club held its first night meeting last Thursday when Mr. Samuel Davenport, a member of our faculty, spoke to the club about his trip to Europe last summer.  
Refreshments were served following the meeting.  
The regular meeting was held Friday during the first period. After the business meeting a film, "Focus on the Future" was shown. Along with meetings, the F.T.A. members have been assigned some work. Of course, this work has to do with teachers. Each faculty member has been assigned an F.T.A. member to help with some of the work of teaching. The F.T.A. member may help type tests, correct tests and ready report cards or any other task that the teacher thinks the student is capable of doing.  
All this provides students with more information about a teaching career.  
**REPORT CARDS:**  
First quarter has come to an end. On Monday, students will receive their grades as payment for nine weeks of work. Hope your grades are the ones you had hoped for.  
F.T.A.  
Friday, November 3, F.T.A. of the Lake Building heard Ellsbeth Garrits, Amsterdam, Holland, here under supervision of the Dallas Rotary Club talk on the difference between education in Holland and the United States. Ellsbeth attends Dallas High School and makes her home with Mr. and Mrs. Francis Ambrose.  
During Education week Beverly Lord and Rose Marie Jones, both members of the F.T.A., took part in a tea at the Lake Building. Others helping were Janet Lyons, Ruth Zorzi, Connie Pall and Jane Deletkane.  
Book markers were presented to all teachers of the Lake-Noxen Building by F.T.A. members. They consisted of a black felt emblem of F.T.A. These were enclosed in an envelope with a personal verse for each teacher.

## STRAND THEATER IN SCRANTON BEING CONVERTED TO CINERAMA

What is the secret of Cinerama's success story?  
What gives the audience a feeling of participation in what is showing on the screen?  
The Strand Theater in Scranton will have these answers solved when it reopens a refurbished showhouse — equipped for Cinerama — on November 23.  
Cinerama's secret is its unique theater set-up and revolutionary way of making movies. Instead of just one projector, three separate projectors join in throwing a giant image on a huge screen that curves in the front of the theater. The picture is six times larger than ordinary size. In addition, there are several loud-speakers in back of the screen, and sound coming from the sides and back of the auditorium.  
All these technical details combine to give the person in the audience a feeling of participation in what is going on, seemingly, all around him. Wherever the eye travels, there is giant, full-color action. And the sound comes from where it should in real life.  
The Strand Theater in Scranton will be among a small number of theaters in the country to have special installations and equipment for the showing of Cinerama. Only the country's larger and important cities will ever show Cinerama. No other theater within a 100-mile radius of Scranton can ever show Cinerama. The nearest cities where Cinerama may be seen are New York, Philadelphia or Rochester, N.Y.  
To make way for Cinerama installation, the Strand is presently closed for an extensive remodeling job.

Among the renovations will be a new front. The present box office will be removed, thus permitting a larger lobby.  
Other renovation plans include: New posten cases, marble a tile treatment of the front, painting, new light fixtures, new furniture, redecorating of rest rooms, new seats with wider spacing between each row, new carpeting.  
The first feature at the new Strand will be "This Is Cinerama" — the first film introducing the widely heard dimension in entertainment, the Cinerama process. It comes to Scranton with an impressive record of success and is the only film to have won Academy Awards in two consecutive years.  
The remodeling of the Strand Theater in Scranton is the second major renovation program within a year carried out by Penn Paramount Corp., owners and operators of both the Strand and Center Theaters in Scranton. A modern transformation of the latter theater was accomplished a year ago.  
The most combustible wood is a chip on the shoulder.

### Better Schools Forum Postponed To Nov. 29

Citizens Committee for Better Schools has postponed its meeting until November 29, when discussion about requirements for college entrance will be continued in the Library at Dallas Senior High School.

### Horseshoe 4-H Club

The Back Mountain Horseshoe 4-H Club met on Saturday morning at Lehman Fire Hall.  
Present: Tom Estes, Judy Crispell, Frances Wentzel, Ellen Bidwell, Marjorie Waschek, David Spencer, Lin-

da Mekeel, Connie Bogdon, Leslie Vivian, Erica Vivian, Ann Lacy, Resia Carroll, Linda Tag, Mr. and Mrs. Tony Bogdon, and Mrs. E. V. Chadwick.

### More Spent For Lipsticks

A statement from the American Foundation for the Blind declares, "As late as 1960, less than one million dollars was invested in research on blindness per year." This contrasts with twenty-seven million spent on playing cards and ninety-one million spent on lipsticks.

Lehman Jackson Ross P.T.A. will meet Monday at Lehman gym at 8 p.m.  
The Micro-projector which the P.T.A. bought will be demonstrated and presented along with the tethistoscopic machine to the school.  
The tethistoscope, or controlled reader, is a device with which words or sentences may be cast upon a screen at varying speeds, to assist pupils in developing speed and accuracy in reading.  
Willis Gentile, president, will present to the school and Mr. Squier will accept them. Both machines are expected to be of great help to the students.  
Mrs. Edward Kanasky, hospital-ity chairman is asking sixth grade mothers to serve.

### Harveys Lake

Mr. and Mrs. Kenneth Kresge and children of Harrisburg spent last week-end with Rev. and Mrs. John Gordon.  
Women's Society of Christian Service meets tonight at the home of Mrs. Theodore Heness, at 8 p.m.  
Lina Garinger, Eleanor Humphrey, Mrs. John Gordon, Mrs. Raymond Grey, Mrs. Theodore Heness, Mrs. Raymond Garinger and Mrs. Albert Armitage attended the Alderson-Noxen Charge "Week of Prayer" meeting at Noxen on Tuesday evening.  
Rev. and Mrs. John Gordon and Mr. and Mrs. Clarence Kester enjoyed a "Welcome Home and Farewell" covered dish fellowship supper at the Alderson Methodist Church on Saturday evening. The Gordon's have just returned from Scotland, and Mr. and Mrs. Kester moved to Philadelphia this week. Gifts were presented to both couples. About 65 attended. This supper was also a treat to the Sunday School children, who collected for Unicef in the afternoon.  
Mr. and Mrs. Michael Clark spent the week-end with their daughter and son-in-law Mr. and Mrs. Leonard Fleckno at Drexell Hill.  
Mr. and Mrs. Walbridge Leint-hall and daughters recently enjoyed a week-end in New York visiting Mrs. Lena Leinthall.  
George Kuchta of Harrisburg spent a few days recently with his mother, Mrs. Mary Kuchta.  
Donald Kocher, son of Mr. and Mrs. Carleton Kocher has returned from General Hospital where he underwent a major operation.

### David Parson's Squadron Wins 4th Commendation

BRUNSWICK, MAIN (FHTNC) — Navy Lt. David E. Parsons, son of Mr. and Mrs. J. F. Parsons of Dallas, R.D. 1 is serving with Patrol Squadron Ten, a shorebased anti-submarine patrol squadron operating out of Brunswick, Maine.  
The squadron recently won a commendation from the commander, Naval Air Forces, Atlantic Fleet, for maintaining an accident-free flying record during the 1961 fiscal year.  
It is the fourth consecutive time the squadron has won the award, which carries with it individual commendations for each of the unit's members. Since the fall of 1956, the squadron has logged more than 45,000 accident-free flying hours.
