Your reporter and husband attended the wedding of a cousin, Robert Meyer, Millheim, to Nedra Ripka, Spring Mills, in the Eisenhower Chapel at State College. We also attended the reception held at the couple's new apartment. After the couple left on their honeymoon, we visited Robert's parents, Mr. and Mrs. Randall Meyers at Millheim and spent the evening there, leaving to spend the night at the home of Mr. and Mrs. John Myers in Northumberland. Sunday we had lunch at Lewisburg Inn and took a tour of Bucknell University which was an education to us. We had the opportunity to view the beautiful paintings donated to the University by the Kress Foundation, and also the very minute and delicately carved Japanese ivory figures donated by Senator Andrew J. Sordani. It would be worth while to drive to Lewisburg to see these exhibits in the Library as well

as the Library itself.
