

Foreign Student Activities

Our foreign student, Miss Elsbeth Gerrits, participated in the Boot Black Minstrel this past week. She spent a weekend with Dick and Ruth Demmy at Cornell for a football game and dance. On November 22, 1961 she will, along with the other foreign students in the area, tour the First National Bank of Wilkes-Barre for a first-hand look at the banking business.

**THOUGHT FOR TODAY**

**Congratulations Football Team**  
On behalf of the entire faculty, student body, and community, we want to express our warmest regards and congratulations to each member of Dallas High School football team.

Never has such magnificent team work and school spirit been witnessed by the fans. These boys went into the Wyoming game with the odds against them, but came through with a smashing victory. And victory, it was. Our boys were able to tie a team which had been undefeated and unscored on all season. A team, however, needs a good coach if it is to perform properly and that the boys have in Mr. Brominski. Those boys who will leave the squad this year, are leaving with pride in their hearts for a job well done. Those remaining, we are confident, will be back again next year with the same fire and enthusiasm which makes a winning team.

**Thanksgiving Vacation**  
Once again, the time has come for families to gather and thank the Lord for the many blessings He has bestowed upon us. In accordance with this holiday the students and faculty have been given a vacation, November 23 and 24, Happy Thanksgiving!  
**Key Club Drill Team**  
As you know, the boys' drill team has been working extra hard that it may be chosen to go to Denver, Colorado, this summer. That is where the Kiwanis International is holding its annual meeting. So far their

prospects look good, and if they are chosen, we are asking for your help to send them. They will be gone a week and their expenses will have to be helped a little. So please give them your support. They've earned it!

**Girl's Basketball**  
Last week we wrote about the boys starting practice. This week we will give the same amount of space to the girls. The season doesn't start for the girls until January, but already they are playing basketball games in gym classes and all candidates have been given their physical examinations.

The team is coached by Miss Jenkins, physical education teacher, assisted by Miss Hill, school nurse.

**Student Council News**  
The Christmas Prom, sponsored by the Student Council and earned by the students of Dallas Senior High School because of their fine job selling magazines, will be held on December 21, in the Junior High School Gymnasium. Bob Baird's Orchestra will play. The decorating committee consists of Mary Bennett, Dan Jones, Nancy Seiber, Sally Moyr, Ralph Belles and Gary Cave.

**Thanksgiving Dance**  
This year's annual Thanksgiving Dance was only a record hop due to the big Christmas Prom in December. The dance sponsored by the Juniors, was held in the cafeteria from 8 to 11. Everyone had a good time dancing to the music from records. Although it was not fancy, it was fun!

hi knee before the season had opened. Gene Shelley and Walter Pokopchak were also out with broken bones.

**ASSEMBLY**  
The assembly on Wednesday proved to be of interest to everyone. We saw the Junior High School Drill Team put on a fine performance under the capable leadership of Beverly Eck and Marsha Sowden. Many of the students had never had the opportunity to see their drill team in action although it has paraded in many cities in Pennsylvania and New York and just recently on November 12, in the Armed Forces Parade in Wilkes-Barre. Mr. McCutcheon, at this assembly, complimented the girls on their marching and listed some of the requirements for girls interested in joining this team next year. The opening exercises were led by Fred Gosart.

**SPORTS**  
At least we were consistent this year, we lost all of our football games! Northwest 20 to 2; Tunkhannock 19 to 13 and Lake Lehman 7 to 6. However we hope to do better in basketball season.

The boys who scored touchdowns this year were Fred Gosart scoring twice in Tunkhannock and Edward Muncie scoring one in Lake-Lehman. Also we had Steve Farrar, the center, scoring a safety in Northwest.

The boys who were probably most outstanding were: guards Chad Higgs and Sumner Bachman; tackle, Zeb Redmond; backfield Ed Muncie. The other boys who played very well in all games were Dan Smith, Fred Gosart, Doug LaBarr and linebacks Walter Pokopchak, Randy Jones, and Jim Haines. On offense Jones, Gosart, Muncie, Shelley, and LaBarr were halfbacks; Haines and Pokopchak were fullbacks; Ed Baker, and James Steinhauer were Quarterbacks; and Ends were Ed Dorrance, Reese Finn, Bill Baker, and Tom Finn.

Unfortunately we had accidents. Our deepest regret goes to Bob Anderson who tore a ligament in

happy to report the dance was a big success.  
**HOME ROOM NEWS**  
Mr. Baran's 9th grade history room is flying a new flag, replacing the outdated forty-eight star flag. This flag was presented to Mr. Baran through the patriotic spirit of Barry Weiss, a member of home-room 7.
