JACKSON TOWNSHIP FORGOTTEN ROADS

Despite the advanced warning of impending snow, travelers Saturday night were obliged to fend their own way under slippery conditions on both County and State Highways. The County did manage to place ashes on Chase Road early Sunday morning but the State Highway leading to Lake Silkworth must be a step child. No ashes were in evidence. This same condition existed last year and we trust the Department will take better care of this highway and make it as safe as possible to travel.

kiss School, arrived home yesterday for the Christmas holiday.

A DELIGHTFUL FRIEND

Mrs. Albert J. Cadwalader is happy that the small game season is over and that her pet squirrel survived. Mrs. Cadwalader found the little squirrel in the Spring and has trained it to follow her around the house, to perch on her shoulders and to lie relaxed for petting on her lap. When Mrs. Cadwalader puts out her hand to feed the squirrel, it takes the food very gently and then looks for a place to hide it inside the house. When it wants to go outdoors it hops up on the sideboard and then leaps to her shoulder. Mrs. Cadwalader opens the door and walks out on the porch. The squirrel jumps down and scampers away to its nest in an old apple tree behind the house to return another day at the call of Mrs. Cadwalader.
