

Women Of Community Invited To See Films On Cancer Detection

Two films on the early detection of cancer will be shown at the Lake School building on the evening of February 1. The films, "Time and Two Women" and "Self Examination", are shown by Mrs. N. R. Elliott of Wilkes-Barre. A local doctor will be present to lead discussion and to answer questions.

The members of Harveys Lake Woman's Service Club extend an invitation to all interested women of their communities to share in the viewing of these films, shown in conjunction with their project "Conquer Uterine Cancer."

This project encourages women to have a yearly physical check-

up and is currently promoted by 15,000 Federated Woman's Clubs and the American Cancer Society.

Plans were announced by Mrs. Charles Williams, Program Chairman, at a recent meeting of the Executive Board. Mrs. Edward Gullitus and a committee of eight nurses who are all members of the Club are in charge of the project. Please come and help us to make this a worthwhile program.

Club members will meet for their regular business session in a classroom at 7:30 p.m. The films will be shown promptly at 8:30 p.m. in the gym.

TRUCKSVILLE
