Completes Course

The college, the Army's senior tactical school, was established in 1881 as the School of Application of Infantry and Cavalry. The associate course was established in 1947 and is designed to prepare selected officers from all components of the Army for duty as commanders and general staff officers. The December class, the 24th to complete the course, included 73 Army Reserve and Army National Guard officers on temporary active duty. The attendance of civilian component officers is indicative of the Army's effort to train and maintain "One Army."

Spots Banded Grosbeak At Center Moreland

Kenneth DeGraw spotted a banded evening grosbeak at his feeder in Center Moreland on Sunday. Mrs. Arnott Jones, former president of Back Mountain Bird Club, says for two years now she has seen an occasional banded grosbeak. Edwin Johnson, also a past president, has authority to band birds, and has banded a number recently. A band from a dead bird should be sent to Pennsylvania Wildlife Commission as an aid to tracing movements of migrant birds.
