"Go The Other Way"

"Go the other way" seems to be a popular saying with some of our teachers. The halls in our school have one-way traffic and as we are hurrying to class down the correct one, lo and behold, we see some little kid (and big ones) pushing their way through the crowd, trying to get to class the easy way. Then we hear a loud booming voice "Hey, where are you going? Go the other way." Next thing we know the same little kid comes back up the hall the correct way. So, Elfrieda and I are urging you students, please go in the right direction.

Sports

Basketball—Boys:

Tomorrow the boys' team will play Lake-Lehman at Lake-Lehman. On Tuesday they will play Ashley at home. Let's get out and support the team.

Girls. The girls thus far have a record of five wins and one loss. They lost that game to Coughlin, but made up for it when they met Coughlin again and beat them 39-27. That was the first game Coughlin lost in two years. The girls play Forty Fort at home on Tuesday.

Wrestling

The wrestling squad has two more meets. One tonight at Lake-Lehman at 7:30. The one on Saturday at Coughlin at 7:30. Try to attend.

Senior Dues

We want to stress the fact to all seniors who are interested in a trip and a banquet, that unless you pay your class dues you will not be allowed to attend these functions. Both events are much fun and actually, the last time to be together as a class. You will always remember these events as climaxing a perfect senior year.

Senior Class Meeting

Recently the Senior class had a meeting in the auditorium. Many plans for the end of the year were settled. The banquet, which is scheduled for June, will be held at O'Connell's Twin Lakes. June 6 was set aside for the class trip to Monomnock in the Poconos. The class flower is white rose.

Name Cards And Announcements

Orders are now being taken for the seniors' name cards and announcements. Each homeroom has a representative who is in charge of displaying the different styles and taking orders.

Lincoln's Birthday

We were very pleased to have the three-day weekend last week. Because Lincoln's birthday fell on a Monday, we were given the day off to allow us to have a little holiday. A welcome break in our busy schedule. Thank you.

Student Teachers

As we promised you last week, we will finish the remainder of our student teachers in this week's column.

Miss Veronica M. Chue, who was born in Jamaica, West Indies, is majoring in Home Economics and minoring in General Science. A very pretty girl with delicate Oriental

features. Miss Chue is active in the Home Economics Club and takes part in concert recitals. During her spare time she enjoys reading, hiking and music appreciation. We are confident her future will be completely successful and fulfilling.

Another new lovely face is that of Miss Gloria J. Klason, a native of Mt. Carmel, Pennsylvania, who is a major in Secretarial Science.

Her chief activities include Editor of the Miss Recordia, president of the Education Club, secretary of the Science Club and a member of the Student Council. If and when she has spare time, Miss Klason enjoys reading, music and baseball. To such an ambitious young lady, we wish all the luck and success possible.

Last, but certainly not least, is Miss Judith A. Fenstemacher who was born in Williamsport, Pennsylvania. Majoring in English and minoring in history, Miss Fenstemacher is also a very active young lady. She is a member of the Glee Club, Dramatics Club, Literary Club, Educational Club, known as the N. E. A., feature editor of the Miss Recordia, and a member of the Sodality. For her pastime, Miss Fenstemacher enjoys reading, oil painting and bowling. We wish all the happiness and prosperity to such a fine person.

On behalf of the faculty and student body, we would like to express best wishes and continued success to each of these fine young women.

Trainees lived on campus, obtained their meals in the College Commons, had access to library facilities, participated in all extracurricular activities available to college students, and received intensive therapy from 8:00 to 5:00 each day of the 12-week period, with the exception of Saturdays and Sundays.

In addition to the speech and hearing services available to them, trainees also were eligible to receive psychological counselling and remedial reading services. Some trainees who, on the basis of psychological tests, required these additional services, did receive them.

Staff evaluations of the total program indicate that it was highly successful; and, as a result, we are planning to continue this Summer Residential Program in 1962. The program is scheduled to begin on Monday, June 11, and terminate on Friday, August 31.

Any local person interested in this program should call Dallas Senior High School for an appointment and screening.

New Pump Installed

Dallas-Shavertown Water Company has installed a new pump at the Dattner Well, which serves the Roushey plot in the Fernbrook area replacing an older pump which broke down twice the beginning of this year.

Mrs. Raymond Garinger is teacher. Enrollment for the first class was 21, with five women from Noxen, four from Ruggles, and the rest from Alderson.

Meet With Mrs. Higgins

W.S.C.S. of Alderson Methodist Church met at the home of Mrs. Howard Higgins on Thursday evening. Mrs. Arthur Wagner and Mrs. Francis Keller were assisting hostesses. Mrs. Garvin Smith presided.

The "World Day of Prayer" will be observed on March 9 at Alderson Church for the four charges, women from each W.S.C.S. helping with the program.

Mrs. Gertrude Orr was welcomed as a new member. Present were: Mesdames Gilbert Carpenter, Gertrude Orr, Jessie Garinger, Theodore Hennes, Raymond Garinger, Earl Rogers, Garwin Smith, John Gordon, Helen Hartman, Alfred Rogers, Harry Allen, Albert Armitage, Lina Garinger and Eleanor Humphrey.

Mrs. Raymond Garinger, program chairman, introduced Mrs. Raymond Kuhner of Dallas, who spoke on "The Meaning of Suffering," the study course she is teaching to the Dallas W.S.C.S. ladies.

Mrs. Lee Zimmerman has returned from Reading, where she visited her daughter Ruth and family for two weeks.

Mrs. Joseph Rauch and Mrs. Jessie Garinger visited Mr. and Mrs. Sam Bronson in Sweet Valley on Sunday.

Mrs. Wilfred Ide and Mrs. Albert Armitage represented Harveys Lake Womens Club at the tour of the Wyoming Valley Workshop Limited in Wilkes-Barre on Wednesday.

Founders Day At Dallas Elementary PTA Monday

Attention: Parents of Dallas Borough School children!

You are invited to attend a P.T.A. Founders' Day Birthday party at the school auditorium on Monday, February 19th at 8:00 p.m. The evening has been planned by Mrs. Raymond Tag, Founders' Day chairman.

A birthday offering will be taken. This money is sent to the Pennsylvania Congress of Parents and Teachers and is used for many purposes such as leadership training, studies and surveys, and field services.

You will have an interesting program, followed by room visitations and a social hour. Refreshments will be served by the mothers of Mrs. Steele's and Miss Davis' third grade.

LAKE-LEHMAN HIGH SCHOOL

By **EDITOR** Mary Ann Laskowski
ASST. ED. Lehman, Linda Gosart
ASST. ED. Lake, Jane Del Kanic

ASSEMBLIES:

On February 9, a program on Lincoln was presented by the seventh grade of Lake Building. It was divided in twelve parts representing twelve months from one year in Lincoln's life. Excerpts from the following speeches were presented: "Farewell to Springfield", "House Divided Speech", "Emancipation Proclamation", "Gettysburg Address", "Second Inaugural Address" and "Letter to Mrs. Bixby."

For the assembly at Lehman, Miss Elsbeth Gerrits, an exchange student from Holland, attending Dallas Senior High School, spoke on education in Holland compared to education in the United States.

Stephen Arendt, a senior, presented Lincoln's "Last Soliloquy" at both assemblies.

STUDENT TEACHERS:

Each week we will present an interview with two of the student teachers at school.

The first two are Miss Eileen Lawrence and Miss Jean Drapewski.

Miss Lawrence lives in Jackson Township. She majors in Biology and minors in Chemistry. Some of the activities she has been in during her four years at Misericordia are Mendel Science Club, Misericordia Athletic Association, Mission Club, National Education Association and Pennsylvania State Education Association. Her special interests are bowling, skating and skiing.

Miss Drapewski lives in Sweet Valley. Her major is English and her minor is history. She has been active in Athletic Association, Literary Club, Newspaper, and Literary honor society. She has also been named as a member of WHO'S WHO among College Students. Her favorite sport is basketball.

Both of these girls have graduated from our school.

ATTEND MEETING:

Mr. Robert Belles, Principal; Miss Hannah Culp, Mr. Edwin Johnson, Mrs. Thelma Culp and Mr. John Zaleskas, teachers of the Lake-Lehman Area Schools attended the second meeting of the "Curriculum Enrichment Committee" on Wednesday, February 14, at Williamsport. This committee was set up by the Pennsylvania Study Council to provide guidance for the classroom teachers of Pennsylvania in the field of enrichment material.

ILLNESS:

Mr. Mitchell Czoeh is substituting in the science department at the Lake Building in the absence of Mrs. Martha Smith. He is a teacher of the seventh grade at the Noxen Grade School. Mrs. Mae Van Campen, retired teacher, is substituting for Mr. Czoeh at that school.

DANCE:

Tomorrow evening following the basketball game with Dallas at the Lehman Gym, a dance will be held for the March of Dimes. Admission will be a dime and dancing will be until 10:30.

This dance was to have taken place last Friday evening but due to weather conditions it will be held tomorrow evening.

Please Support The Fred Hennebaul Recovery Fund.

Supervisors Attend State Convention

Supervisor Arthur Smith of Kingston Township and Alan Major, secretary and member of Lehman Township Supervisors, were among more than 1,000 Pennsylvania Supervisors attending the State Supervisors Association meeting at the Benjamin Franklin Hotel in Philadelphia last week.

MODERN ELECTRIC HOME HEATING

with **ROOM-BY-ROOM CONTROL**

When you heat your home electrically, you can have a thermostat in every room, for that just-right temperature. Since each room's temperature is individually controlled, you can select the temperature to suit your needs. You can have your bedroom at 55 degrees and your living room at 72 degrees, if you want it that way.

This flexible control is not the only advantage of electric heat. It is also clean, safe, healthful, and modern.
