Visitors From Tunkhannock

Last week we were very honored to have five young ladies visiting our school from Tunkhannock. They had requested to visit and evaluate our school as part of their unit on education in Problems of Democracy class. Those who acted as guides and "big sisters" for the day were Glenda Williams, Elfriede Hefft, Donna Wright, and Carol Anderson. We hope we were of some assistance by conducting them throughout the school and allowing them to sit in on our classes. We would also like to take this time to thank the teachers for their cooperation.

New Office Worker

We are happy to announce that Olga Jurysta, a member of the Senior Commercial class, has been selected to work in the office as assistant to Mrs. Wilson and Jeannine Hoover. This experience has been valuable to girls in past years and we are sure it will be for Olga.

Assembly Program

Last Wednesday an assembly was held for the purpose of presenting letters to members of the junior varsity and varsity football squads. Before the presentation Mr. Jack Jones, Myers football coach and newly appointed member of Temple University's coaching staff, was introduced by Mr. Brominski. Mr. Brominski had been Mr. Jones' coach during the latter's days at "O'e Shawnee". Incidentally other members of our faculty, Mr. Jenkins and Mr. Hughes, are also graduates of Plymouth.

Mr. Jones presented a very fine talk stressing the fact that "not everyone can be an athlete", and that those, who are, deserve credit and acknowledgement for their efforts. Following this, the letters were presented with Mr. Brominski giving extra thanks to Harold Hislop and Mike Kowaleski, co-captains.

Attention Junior Girls!

We are happy to announce that all Junior girls interested in a nursing career, particularly one at Presbyterian Hospital in Philadelphia, begin making plans to attend their 22 hour orientation. However, since each school is limited to four representatives we must urge you to act quickly. To be eligible the applicant must have good health, satisfactory scholastic standing, and be at least 16 years of age. A nominal fee of one dollar (\$1.00) is being charged upon confirmation of a student's reservation. If you are interested, please contact Mr. McCutcheon in the Guidance office for the name and address of the Director of Nursing. Remember now is the time to start making plans for your future!

Contest Results

The results of the Vogue contest have been announced. Peggy Hall, a senior, won first prize in the Senior Women's Club division and Barbara Prokopchak won first prize in the Junior Women's Club division. The runner-up was Olga Jurysta. Miss Hall modeled an aqua-blue cocktail dress and packet. Miss Prokopchak modeled a deep sky blue, two piece cocktail dress. We wish to congratulate these girls on the fine job they did.

Bloomsburg Tournament

The boys' basketball team has been given an invitation to play in the Bloomsburg Tournament between March 5th and 10th. Their first playing day hasn't been scheduled yet, but we think it will probably be either the 5th or the 6th. If they win their first game, then they go back and play again, until they either win first place or are defeated. The games are played at night in the college gymnasium.

Our cheerleading squad will enter into competition with other cheerleading squads, also. They will be judged on appearance, conduct, at-

titude, pep, and cheering ability.

Warning to Senior Boys

When you become eighteen years of age don't forget to register with the Draft officials in the Kingston Post Office. One of our boys was lax about registering and was warned that he was being considered for immediate draft upon graduation if he had not made his appearance when he did.

Tests

The NEDT and NMSQT tests will be administered on March 6, 1962. If you have not paid your fee for this test, please do so immediately. Any students who is thinking of college or nurse's training should take these tests.

Civil Service Examination

The Commercial teachers are setting up a testing schedule in conjunction with the Civil Service Testing Bureau. Any of our students interested in taking the Civil Service examination in typing and/or shorthand will have this opportunity in the near future. This examination is also available to former students who wish to seek government employment. The date will be announced in the near future.

Jobs

If you know of jobs available in the community, we have a list of students who are seeking work to assist them financially for graduation and support of the family. Please inform Mr. McCutcheon of the jobs and he will contact the students. Thank you.

Reward Awaited Pupils Who Found Lady's Purse

On their way home from classes at Dallas Junior High School last week, Alice Parsons, 9th Grade; Nancy Romanchick, 8th Grade, and David Jordan, 7th Grade, found a purse on Lehman Avenue containing a sum of money.

They immediately brought it to The Dallas Post where it was later claimed by its owner, Mrs. Marguerite Miller, 5 Mallory Place, Wilkes-Barre, who was visiting her daughter, Mrs. George Drake of Lehman Avenue.

Impressed by the honesty of the students, Mrs. Miller left a reward for them which they picked up at The Dallas Post.
