THE SIGNS ARE SURE
 I know Spring is here. My husband has gone woodchuck hunting, and has had no luck. But they are out of their holes and are cleaning house.

Geese are flying. I saw three different flocks of robins, while riding to Sweet Valley. The "peepers" are awake. In the little swamp, back of H. E. Payne's store they were really noisy, as I passed by.

My crocus, daffodils and hyacinths are coming up, but the snow birds are still around, so we will have our onion snow yet.

Isn't it thrilling to see and hear all these signs of spring, and think of the green grass, we will soon be mowing?

I am not so good in writing my thoughts of Spring, but as I am writing I keep thinking of Rev. Gilbert and his interesting items, and just can't resist saying how much I enjoy them! His words and thoughts make it seem like spring the year around.

SHAVERTOWN

TRIP TO GIRARD COLLEGE

Monday I had a most interesting day as the guest of a mother at Girard College Mothers' Day in Philadelphia. She has a son eight years old enrolled in this school for fatherless boys.

The time allotted us was to 5 p.m. The boys live under constant supervision of a governess. In his particular building there are boys six to ten years of age.

He showed us his desk where his hobbies, letters and personal belongings are kept.

He glowed with pride as he took us on a tour of the grounds. The buildings are white with marble steps and the whole college area is surrounded by a high stone wall.

The facilities available to the boys are endless. The education they receive cannot be surpassed.

On graduation the social security benefits they would receive if they lived home have been accumulated

I have heard it said by some adults that it is cruel to send a boy to Girard—my opinion is that it would be very selfish to deny a boy the opportunity he may never have any other way.

All in all, my day was one that I shall never forget and shall remember with great fondness!

Morris King, E. Center Street, celebrated his seventy-second birthday at a family dinner Sunday. Present were, Mrs. Joseph Stanko, Mr. and Mrs. Earl King and daughter, Sandra; Mrs. Florence Stevens, Mr. and Mrs. Ernest King and daughters, Barbara and Sally; Mr. and Mrs. James King, Larry and Kathy, and Mr. and Mrs. Morris King.

Edward Gilroy, Sunset Avenue, who has been ill for quite some time, was pleased to have a number of visitors come in to wish him a Happy Birthday.

Mr. and Mrs. Richard Ide, children Dianne and Ricky and Gary and Donna spent the weekend with Mr. and Mrs. Harold Meadway of Vestal, N. Y.

Executive Board of Harveys Lake Woman's Service Club met at the home of Mrs. George Seafross Monday evening, with Mrs. John Zorzi and Mrs. Richard Williams as assistant hostesses. Mrs. Wilfred Ide presided.

Mrs. Malcolm Nelson, chairman of the nominating committee will present the new officers to be voted on, at the April meeting. There will be a white elephant sale at this meeting.

with interest and help them to start a business, go on to college or do whatever they see fit.

Clothing is provided by the college. I never saw a cleaner, neater or more polite group of youngsters in my life. Their "Sunday Outfit" consists of trousers, sport jacket, white shirt, tie and very polished shoes. For everyday they wear corduroys and sport shirts.

When 5 o'clock came, sons were seen walking toward the parking lot some with broad smiles, some with heads lowered and some being very stalwart.

The mothers were proud of these fine boys. Some of the women were dressed in the very latest fashion complete with fur stoles; others were in waitress garb; some were in babushkas and one wore a WAC uniform. Their cars were from ten-year old models to the latest compacts, and I noticed one new Thunderbird.

All in all, my day was one that I shall never forget and shall remember with great fondness!

Mrs. Chester Nesbitt, Division Street, and Mrs. Edward Gilroy, Sunset Avenue, motored to Mechanicsburg to visit with Mrs. David Spry, formerly of the Back Mountain area. Mrs. Spry had just returned home after having been a patient at the Harrisburg Hospital. Mrs. Spry is a sister of former Governor James and her health at the present is not very good.

A group of boys in Shavertown area have been scaring elementary school children with air rifles. In one case a tablet, carried by a boy, was ripped by a pellet from one of these guns.

It might be wise as parents to remember that any damage done to property or to persons by air rifles, is the sole responsibility of the parent and all liability rests with the parents.

Please let the children know that it is illegal to use these guns in the Township. If they own one, it can be used only on their property and the range of the pellets must not exceed the property line. Kingston Township and Dallas Township Police have been alerted to this situation, but lets not wait until an eye is lost before we do what should have been done before the accident.
