AND SEE THE STARTLING NEW CHANGES MADE TO SERVE YOU BETTER THAN EVER

Young and old of this entire Back Mountain area should take great pride in the important advances that have been made with this modernization and expansion of their community library.

This is another step forward . . . a step that can help us all to new frontiers of knowledge and achievement and personal self-fulfillment. This is *your* library . . . so come along, see what has been done and be proud to tell others of the fine library you help support.

## Meet your new Librarian

Mrs. Prosper Wirt

For many years in library work in New Jersey, Mrs. Wirt comes to us well qualified to carry on the high standards of this library. Meet her at Open House and learn what your library has to offer.

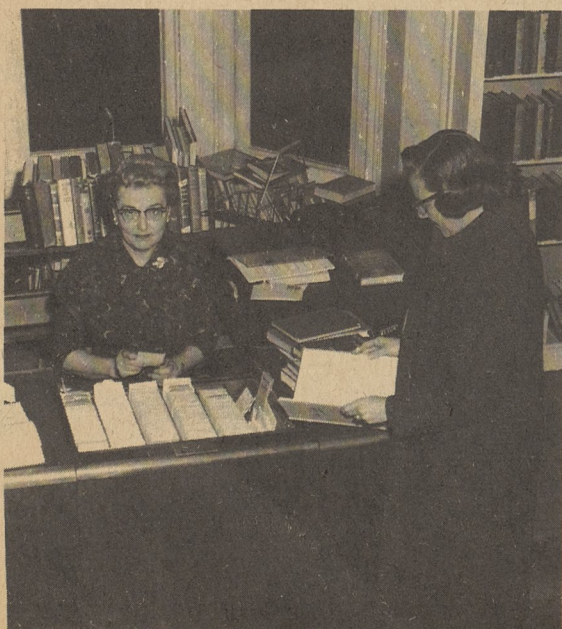

Shown below is a group of dedicated citizens, from all sections of the Back Mountain area, who constitute the present Library Board of Directors. Under their guidance your library continues to meet an ever increasing demand of a wide awake community.

The ladies seated left to right are: Mrs. Paul Gross, Mrs. Mitchell Jenkins, Mrs. William Steinhauer, Mrs. Thomas Heffernan, Mrs. Fred Howell, Mrs. Prosper Wirt, Mrs. Harold Titman and Mrs. Charles Frantz.

The men seated left to right are: Atty. Mitchell Jenkins, D. T. Scott, Stefan Hellersperk, Robert Bachman, Frank Slaff, Richard H. Demmy, David Schooley, Homer Moyer, Ralph Hazeltine and Fred Eck.

Absent when picture was taken were Mrs. H. W. Smith and Howard Risley.

The capable Mrs. Albert L. Jones, assistant librarian, who is in charge of the circulation desk in the main library, is shown aiding Mrs. Charles Frantz.

These are the folks who serve you . . .

Those responsible for the present remodeling were members of the Expansion committee: Mrs. Heffernan, Mrs. Howell, Mrs. Wirt, Mrs. Titman seated left to right and standing left to right are Frank Slaff, Robert Bachman, David Schooley, library president and Ralph Hazeltine, chairman.
