Meeker

I thought by this time all the geese would have gone north. But on Saturday, I heard some honking from where I was working in the house. I looked out and saw some real low-flying geese. Only about a dozen but in three flocks. They looked barely above the tree tops and minutes later our 11 year old son came in to tell me that they had just taken off from our top field.

Mr. and Mrs. Walter Manville and son John recently called on Mr. and Mrs. Russell Ide. Mr. Ide celebrated his birthday on Thursday, April 5.

I wish to thank all who helped in

any way to make our bake sale a success. In spite of rain there were the "regulars" who knew where to get good baked foods.
