Both Ran Without GOP Organization Endorsement

The Back Mountain Region held he center of the stage in Tuesday's Republican Primary Election with four of the top contenders coming from this area, three of them from Dallas Borough and Township and a fourth from Kingston Township.

Senator Harold E. Flack, 62, Goss Manor, running as an independent defeated his neighbor, Peter D. Clark, 62, Dallas Borough, who had organization support for Senator from the Twentieth District.

In statements issued yesterday, both Flack and Fleming appealed for greater harmony in the Luzerne County Republican organization and for a united effort to weld a powerful Republican Party.

Atty. Fleming said in part: "I would like to express my deep gratitude and appreciation to the many people of the Back Mountain Area, who, by their efforts on my behalf, succeeded in making me the nominee of the Republican Party for the office of State Representative. I would also like to express my appreciation to Bob Edgerton, Dave Blight, and John Cicero, and to all of their supporters, for the clean, hard-fought campaign which they conducted.

I have the label of an "independent", but any such label, whenever applied to any candidate, is grossly misleading. Key Club Sets Car-Wash All Day Saturday

Community support, solidly behind the Key Club at the Pan-cake Festival, will rally to the car-wash, a money-raising scheme which benefits everybody, providing funds for the Denver trip, resulting in clean cars for Sunday, and reflecting credit upon the merchants who are building goodwill in the community by going along with the boys in a worthwhile project.
