

Senior High School Field Day And Exhibit Tomorrow

Dallas Senior High News

by SALLY MOYER and ELFREDA HEFFT

As you may notice, some of the articles in this column have a different style from the past. This is because they have been written by five Junior girls who are trying their hand at journalism. Two of these five will be next year's school correspondents. They are a great help to Elfriede and myself since we find ourselves looking for time to write these articles. So from now on, all the articles except Senior news will be written by these five girls; Marjorie Baird, Gloria Dolbear, Marlene Futch, Jean Merolla, and Arlene Miller.
