CROWN IMPERIAL LANES

BOWLING NEWS

BY DORIS MALLIN

Another season has come to an end for competitive league bowling at Crown Imperial Lanes. Leagues have finished; trophies and other awards have been given. Many new championship teams are sporting official patches of 1961-62 season and some have come back for the second and third year as tops in their leagues. Summer bowling has already started with a place for everyone. Join whatever group you find best suited for you — mixed, couples, women's, mens. Here's a chance to practice the game and have fun while meeting new friends!

Mathers Black Top, even with only two men on the line, rolled 2870 pins but were unable to qualify for the tournament because only two men showed up. "Too bad, boys! Nice game! Motorists Alerted For Children On Vacation

Hundreds of school children are on summer vacation and Wyoming Valley Motor Club reminds motorists to be alert for youngsters playing in the streets.

R. J. Myers, club assistant manager, pointed out that during the next three months the hours between 9 a.m. and 3 p.m. will constitute a new danger period for potential traffic accidents involving school-age children.

Motorists are unaccustomed to watching for youngsters during these hours and often become complacent. During the next three months School Safety Patrol members, with their familiar white Sam Brown belts, are on vacation and will not serve as reminders that children are present. It is, therefore, every motorist's job to anticipate the actions of these youngsters, particularly when driving through urban areas.

While schools have closed for the summer, the playground facilities still attract many boys and girls. School zones will continue to rate as danger areas, regardless of whether classes are in session or not.

Remember, youngsters going to and from play are in a carefree mood, unmindful of the dangers of traffic.
