### MT. ZION

This is being written Sunday afternoon June 10.

We three Gilberts left early Monday morning for Baltimore, where Dorothy Gilbert received her Master's Degree in Public Health, (majoring in International Health) at Johns Hopkins University on Tuesday morning.

We were the guests Monday and Tuesday nights of the Rev. and Mrs. Norman Clemens of Mt. Vernon Place Methodist Church. Dr. Clemens was formerly of First Methodist Kingston, and of Wilkes-Barre before becoming Superintendent of Binghamton District. We expect to return to Mt. Zion sometime Wednesday, but Dorothy will not return home until June 22.

As everybody knows by now our house is seemingly higher than it used to be by five feet, not because we have climbed up but because the road has been cut down. The total effect eventually will be much better than before.

This has been no time to gather news. I did find out, however, that Paul and Myrtle Smith have sold their home on the Hicks River Road to Mr. and Mrs. Jerry Shafer. The Smiths have a mobile home ordered and when they get it and decide where to "pitch" it that is where they will live. People around here will be delighted if they decide to set up housekeeping again here in Mt. Zion. Their children, however, are living further south in Pennsylvania and there might be a vacant lot near them.
