**Swimming Classes**

On Mondays and Fridays, until August 31, Red Cross swimming lessons will be given free of charge in the area, with John Nagle as instructor. Lessons started late in June.

Mondays at 1 p.m. instruction is given at Sandy Beach; at 2 p.m. at the Boat Club, Harveys Lake; at 3, at Warden Place.

On Fridays, at 10 a.m. there are swimming lessons at Sunset; at 11 a.m., Lake Silkworth; at noon, North Lake; at 1 p.m., at Sylvan Lake.

Each summer vacation time is marred by reports of drownings. The best protection against drowning, says the Red Cross, is ability to swim, and swim well, so that there is no panic when a canoe upsets, or a bather steps off a hidden ledge into deep water. Don't rely on swimming aids such as inflated mattresses or inner tubes, learn to handle any situation in the water.

If you can manage to stay scared all the time, these international crises won't bother you a bit.
