HALF WAY MARK
Fund drive of Sweet Valley Fire Department, has now reached a half-way mark. Has your coin card also reached a half-way mark? It takes the help and cooperation of all area residents, to make the volunteers' work possible. We witnessed a small fire near our home recently and it was most gratifying to see the response of the volunteers at a time of day when most men are occupied with their regular employment. In this community we can be thankful to the volunteers who have offered their time any hour of the day or night. They ask only that we have our coin cards filled once a year in return. **HELP THE VOLUNTEERS SO THEY MAY BE ABLE TO HELP YOU.**

Mrs. Alvah Evans, formerly of Carverton Road next door to Sutons' Store and now a resident at the Methodist Home at Narrowsburg, was visiting at Betty Sweitzer's last Friday and I visited with her a few minutes. She looks very well and is greatly delighted with the congenial Home where she is now living. The superintendent of the Home, Rev. John Robinson and his wife are long time friends of ours. Mr. Robinson at present is in poor health and I sent my regards to him by Mrs. Evans.

Our nearest neighbor, the Harold Harris family, is having aluminum siding applied to his house.

Last Sunday I was guest preacher at Dalton Methodist Church where Robert Rosenbaum is pastor. The church burned shortly after the Kingston Church fire, and was paralleling the Kingston church in rebuilding. It is beautiful and full of conveniences. The people I found to be charming in their gracious greeting of me after the service. My friend Bob had arranged for a layman to take entire charge of the service which he did in a satisfactory manner. This layman took me on a tour of the building after the greetings at the door were over. I wondered if there would be anyone in the congregation I had ever met. There wasn't, but in a Methodist Church one is never a stranger. I found that their W.S.C.S. has a "Dorothy Gilbert Circle". So we were acquainted!
